

BASIC BUILDING CODE

Ordinance No. 80-2

An amendment to the Basic Building Code Ordinance 76-13 adopted October 12, 1976 and amended December 13, 1977. Section 4 to be as follows:

Section 4 - FEES:

Definitions:

Residential: One, two and multifamily dwellings including basements, covered porches and breezeways.

Commercial, Industrial and Institutional: Accessable and habitable floor areas above and below grade, covered porches and breezeways.

Accessory: As defined in the Kendall County Zoning Ordinance except signs and swimming pools.

Governmental: Public schools, Township buildings, County buildings, State buildings; fire and police stations, when codes of another jurisdiction supercede County codes.

Repeat Inspection: A repeat inspection fee may be ordered by the Building or Plumbing inspector when a permit holder causes a repeat inspection for corrections and/or omission for said inspection requested.

PROCEDURE: If a repeat inspection is required, the permit holder or his agent must appear in the Building and Zoning office with the repeat inspection fee. An arrangement may be made at that time for the repeat inspection.

The permit fees charged by Kendall County are to cover ordinary cost of making inspections. However, when work has started or is completed without obtaining the required permits, there are additional costs of serving notices of violations including transportation, wages, and office time that exceed the normal permit costs. In order to cover these additional costs, the following double fee will apply.

DOUBLE FEE: Where work, for which a permit is required by the Kendall County Building Code, is started or proceeded with, prior to obtaining said permit, the fees specified on the attached Table shall be doubled. But in any event, the minimum additional fee shall not be less than thirty (\$30.00) dollars. The payment of such additional fee shall not relieve any person from fully complying with the requirements of the Kendall County Building Codes in the execution of the work, nor from any other penalties described therein.

SECTION 2 - BASIC BUILDING CODE: Section 120.5 (to be added to the end of the paragraph:)

Bonding for Temporary Occupancy

(Amendment to Section 120.5 - Basic Building Code)

Also, a bond shall be required based on an estimated cost of the uncompleted improvements required as minimum for final occupancy. Said bond amount will be estimated and determined by the Kendall County Building Inspector based on the cost of such improvements at the time the bond is due. Failure of the permit holder and the Building Inspector to reach an agreement on the amount to be posted, the permit holder may appear before the Kendall County Building and Zoning Committee and the amount decided by the Committee will be final. Temporary Occupancy will not be permitted until such bond has been filed with the Building & Zoning office.

The permit holder shall as security for the payment, as determined, provide the Building and Zoning Department with a letter of credit in the amount as determined from an acceptable banking institution or shall make a cash deposit in an acceptable institution of the total amount required in an interest bearing account, which account shall be drawn from only by the consent of the Building and Zoning Department Administrator and may be drawn against by the County in the event that improvements are not completed when due. All interest accrued in such savings shall accrue to the benefit of the permit holder. The letter of credit as hereinabove provided shall expressly provide it may be drawn against by the County at any time the permit holder fails to complete the improvements.
