Additions underlined

Definition: PUSHCART means a non-self-propelled vehicle limited to \_\_\_\_\_ serving nonpotentially hazardous foods or commissary-wrapped food maintained at proper temperatures, or limited to the preparation and serving of frankfurters.

Rule 8.01 - General. Mobile food units or pushcarts shall comply with the requirements of Article II through Article VIII except as otherwise provided in this section and in Rule 8.02. The regulatory authority may impose additional requirements to protect against health hazards related to the conduct of the food service establishment as a mobile operation, may prohibit the sale of some or all potentially hazardous foods, and when no health hazard will result, may waive or modify requirements of these Rules and Regulations relating to physical facilities, except those requirements of Rules 8.03 through 8.07.

Rule 8.02 - Restricted Operation. A mobile food unit or pushcart that serves only food that was prepared, packaged in individual servings, transported, and stored under conditions meeting the requirements of these Rules and Regulations or beverages that are not potentially hazardous and are dispensed from covered urns or other protected equipment need not comply with requirements of these Rules and Regulations pertaining to the necessity of water and sewage systems nor to those requirements pertaining to the cleaning and sanitizing of equipment and utensils if the required equipment for cleaning and sanitizing exists at its commissary. However, frankfurters may be prepared and served from these units or pushcarts.

Rule 8.03 and Rule 8.04 remain unchanged

Rule 8.05 - Single-Service Articles. Mobile food units or pushcarts shall provide only single-service articles for use by the consumer.

ADOPTED AND APPROVED THIS 11 DAY OF August 1981
