**Kendall County Sheriff's Office Narrative**  
**Case #2015-2195**  
**DEPUTY M. MROZEK**  
**08/14/2015**

On 7/16/2015 at approximately 1330 hours, I, Deputy Mrozek #98 was advised by Sgt. Jasnosz #14 to contact Todd Weldon Milliron [REDACTED] regarding a report of alleged misconduct being committed by Oswego Township Highway Commissioner Gary Grosskopf [REDACTED]. Sgt. Jasnosz provided me with documents Milliron had provided to the Sheriff's Office regarding the allegation.

The documents consisted of the following: an email from Milliron to IL State Representative John Anthony and IL State Senator Sue Rezin which outlines Milliron's basis for the accusation including a copy of IL statute 10 ILCS 5/25-2 regarding resignations and vacancies of elective offices, property information for [REDACTED] in Oswego, IL, property information for [REDACTED] in Oswego, property information for [REDACTED] in Port Charlotte, FL, a copy of IL statute 60 ILCS 1/55-37 regarding Misconduct of officers, and handwritten voter information regarding Gary Grosskopf. The following should be noted: The email document submitted shows four pages in length, however only three pages were received. The property information document for Port Charlotte, FL shows two pages in length, however only one page was received. The documents submitted are attached to this report and marked as attachment 1.

At approximately 1353 hours, I spoke with Milliron at telephone number [REDACTED]. Milliron advised that he had provided the documents regarding this allegation to Sheriff Dwight Baird on 07/15/15. I advised Milliron that I had reviewed the documents and the purpose of my call was to clarify what was being alleged. I asked Milliron specifically what he was alleging and what he was basing this allegation on.

Milliron related the following information, in summary, not verbatim: Milliron believed that Gary no longer lived in Oswego and therefore he could not hold the position of Oswego Township Highway Commissioner. Milliron sent a FOIA request to the Oswego Township requesting Gary Grosskopf's phone records for his Township issued cell phone. Milliron also requested the phone records for Oswego Township employee Aaron Grosskopf's Oswego Township issued cell phone and Oswego Township Supervisor Jim Detzler's Oswego Township issued cell phone. Milliron received Gary's Verizon phone bills from November 2013 through June 2015 and Aaron Grosskopf's Verizon phone bills from November 2013 through June 2015. Milliron was advised that Detzler does not have a Township issued cell phone. Milliron later emailed me those phone bills which are attached to this report. Aaron's phone bills are on a Memorex CD-R marked as attachment 2 and Gary's bills are on a Memorex CD-R marked as attachment 3.

Milliron observed that Gary made several calls which originated in Florida. Milliron believed that based on Gary's phone bills; he only resided in Illinois for approximately 50 days in the last 13 months. Milliron also believed that Gary only spends approximately four to eight days a

month in IL based on phone bills and appears to come back around the second Tuesday of every month for the Oswego Township monthly meeting.

Milliron believed that based on this fact, Gary had lost residency in Illinois and was no longer qualified to perform the job of Oswego Township Highway Commissioner based on residency. Milliron referenced IL Statute 10 ILCS 5/25-2 regarding resignations and vacancies of elected officials which states an elective office becomes vacant if the elected official ceases to be an inhabitant of the State.

Another reason Milliron believed Gary had lost his residency is because Gary no longer owns any property in Illinois having sold his property at [REDACTED] in Oswego in 2014 based on Kendall County property tax information. Gary now owns property in Florida where he claimed a Homestead Exemption for taxes in 2014. It should be noted that Gary's wife, Chelly Pasdertz is also listed on the Florida property based on Charlotte County Tax Collector information.

Milliron also believed that Gary and the Oswego Township Board may be guilty of Misconduct of officers based on IL Statute 60 ILCS 1/55-37 which states every township officer who is guilty of a palpable omission of duty shall be guilty of misconduct. Milliron provided a definition of palpable from Black's Law Dictionary as a term used to describe a thing that is obvious, easily felt or readily detected and a definition of omission from Black's Law Dictionary as failure to complete a duty or task, usually as a result of apathy, complacency or neglect. Milliron did not have a specific list of what Gary's duties were as Oswego Township Highway Commissioner.

Milliron had also sent a FOIA request regarding Oswego Township credit card usage; however, he did not believe that there was any misuse of Township credit cards taking place. Milliron did not have any other allegations to make at this time or any other information to provide. I advised Milliron that this allegation would need to be further investigated by the Sheriff's Office. I advised Milliron to not have any further contact with Oswego Township personnel regarding this issue until the Sheriff's Office completed the investigation. I provided Milliron with this report number and ended the telephone conversation.

Dear State Rep. Anthony and State Senator Razin ,

Oswego Township Road Commissioner Gary Grosskopf sold one property to his son Aaron Grosskopf in Jan. 2014 at [redacted] Oswego, and another property at [redacted] Oswego, to Oswego Township employee Bryan Choate on 9-30-2014. Choate may be employed by Road Commissioner Grosskopf. According to the Kendall County Chief Assessor and the Kendall County Treasurer, Gary Grosskopf was not assessed and did not pay any property tax in Kendall County for our most recent property tax cycle, for which the second and final installment will be due next month. Gary Grosskopf made \$92,492.10 in 2014 as the elected Oswego Township Road Commissioner, but declared a Homestead Exemption in Port Charlotte, Florida at his new address on [redacted] also in 2014.

See attachment labeled, "2014 Fl. Property Grosskopf Homestead-2".

Now see the other attachment labeled,

"Gary Grosskopf Oswego TWP Road Commissioner cell phone bill 4\_28\_2014 to 6-27\_2015", which are the Oswego Township Government Cell Phone billing records for Oswego Township Road Commissioner Gary Grosskopf.

Please note the phone billing records "call origination" column, which shows where that call was being made from by Oswego Township Road Commissioner Gary Grosskopf. This government issued cell phone is virtually being used every day for the past 13 months and note how many days that calls are being made from the State of Florida. The Oswego Township Board meets on the 2nd Tuesday of each month and has done so for many years and they will meet tonight. Please note when the second Tuesday is for each month that was being billed and you will see that is when Gary Grosskopf decides he wants to return from Florida, if he decided to come back to Oswego Township at all, for between 4 to 8 days a month. Please also note, the billing record dates from 10-18-2014 to 3-5-2015, when Gary Grosskopf was only in Oswego Township from 12-5-2014 to 12-9-2014. This time is during the winter, when a Township Road Commissioner is expected to be doing his job that he is being compensated for by maintaining local roads. I would suggest that Oswego Road Commissioner Gary Grosskopf has "vacated" his position. He has just failed to tell the taxpayers of Oswego Township he no longer wants to work, but instead wants to live and retire to the State of Florida, while still being compensated as an elected local government official. This is an example of Ghost Payrolling where the Oswego Township Supervisor, Oswego Township Trustees and the Oswego Township Road Commissioner are all guilty of nonfeasance: The Township Supervisor and Trustees by failure to perform their duty to have the Road Commissioner do his job; the Oswego Township Road Commissioner for the total neglect to do his job. Oswego Township taxpayers have footed the bill for their Road Commissioner to have roughly an 11-month Florida vacation out of the last 13 months he has supposedly been on the job, while the Oswego Township Board has done absolutely nothing. They did pass a new annual budget for the Road Commissioner to continue his extended Florida vacation for yet another year. Road Commissioner Gary Grosskopf was born on [redacted] and is still too young to retire with an IMRF Pension, so he wants Oswego Township taxpayers to pay for his pre-retirement years while in Florida and the Oswego Township is willing to continue to fund that pre-retirement Florida vacation.

Once Mr. Grosskopf stayed 30 consecutive days in the State of Florida, from 10-18-2014 to 12-5-2014, plus his declaring a Florida homestead exemption means he has now lost his residency in Illinois. I think the underlying reason for this greedy behavior is he still can't qualify to draw his IMRF pension due to his younger age. He has his 20 years of service in, but is still too young to start to draw his IMRF pension. His pension should be as much or more than Sheriff Randall's total pension payout as Mr. Grosskopf will be able to draw his at a much younger age. In 2013, (Info gleaned from Oswego Township website) the annual IMRF pension contribution made by Oswego Township taxpayers was \$102,000 and change. A good \$ chunk will go to Mr. Grosskopf, so once he is retired, he can make an even bigger draw for his very lengthy and larger pension pay out when he becomes eligible, even though he was living down in Florida and not really working any longer in Oswego Township. The Township's Trustees and Supervisor are facilitating this ghost payroll charade, which will cost township taxpayers dearly in the years to come. It is obscene that this elected official does not pay any Kendall County property tax during this current tax cycle, yet still wants Oswego Township taxpayers to pay theirs, so the Township Board can fund his pre-retirement and pre-pension payout years in Florida with the first installment property tax disbursement which the Kendall County Treasurer just recently made to local area township government bodies.

Please call me at [redacted] to discuss my FOIA research or send me a confirmation email that you have received and read this email.

Sincerely,

Todd Milliron

ARTICLE 25. RECOGNITION AND TRANSFER

(10 ILCS 5/25-2) (from Cl. 46, par. 25-2)

Sec. 25-2. Events on which an elective office terminates

Every elective office shall become vacant on the

happening of any of the following events before the expiration of the term of such office:

- (1) The death of the incumbent.
- (2) His or her resignation.
- (3) His or her becoming a person under legal

disability.

(4) His or her ceasing to be an inhabitant of the State; or if the office is local, his or her ceasing to be an inhabitant of the district, county, town, or precinct for which he or she was elected; provided, that the provisions of this paragraph shall not apply to township officers whose township boundaries are changed in accordance with Section 10-20 of the Township Code, to a township officer after disconnection as set forth in Section 15-17 of the Township Code, nor to township or multi-township assessors elected under Sections 2-5 through 2-15 of the Property Tax Code.

(5) His or her conviction of an infamous crime, or of any offense involving a violation of official oath.

(6) His or her removal from office.

(7) His or her refusal or neglect to take his or her oath of office, or to give or renew his or her official bond, or to deposit or file such oath or bond within the time prescribed by law.

(8) The decision of a competent tribunal declaring his or her election void.

No elective office, except as herein otherwise provided, shall become vacant until the successor of the incumbent of such office has been appointed or elected, as the case may be, and qualified.

An unconditional resignation, effective at a future date, may not be withdrawn after it is received by the officer authorized to fill the vacancy. Such resignation shall create a vacancy in office for the purpose of determining the time period which would require an election. The resigning office holder may continue to hold such office until the date or event specified in such resignation, but no later than the date at which his or her successor is elected and qualified.

An admission of guilt of a criminal offense that would, upon conviction, disqualify the holder of an elective office from holding that office, in the form of a written agreement with State or federal prosecutors to plead guilty to a felony, bribery, perjury, or other infamous crime under State or federal law, shall constitute a resignation from that office, effective at the time the plea agreement is made.

For purposes of this Section, a conviction for an offense that disqualifies the holder of an elective office from holding that office shall occur on the date of the return of a guilty verdict or, in the case of a trial by the court, the entry of a finding of guilt.

This Section does not apply to any elected or appointed officers or officials of any municipality having a population under 500,000.

The neglect or failure of a person to do some act which he ought to do. (60 ILCS 1/55-37)

Sec. 55-37. Misconduct of officers; penalty. Every township officer who is guilty of a palpable omission of duty, or who is guilty of willful and corrupt oppression, malconduct, or misfeasance in discharging the duties of the office, shall be guilty of a business offense and, on conviction, shall be fined not more than \$1,000. The court in which the conviction occurs shall enter an order removing the convicted officer from office. (Source: P.A. 87-946; 88-62.)

## palpable omission of duty

### What is PALPABLE?

a term used to describe a thing that is obvious, easily felt or readily detected.

Law Dictionary: What is PALPABLE? definition of PALPABLE (Black's Law Dictionary)

### What is OMISSION?

Failure to complete a duty or task, usually as a result of apathy, complacency or neglect.

Law Dictionary: What is OMISSION? definition of OMISSION (Black's Law Dictionary)

### What is DUTY?

In its use in Jurisprudence, this word is the correlative of right. Thus, wherever there exists a right in any person, there also rests a corresponding duty upon some other person or upon all persons generally. But it is also used, in a wider sense, to designate that class of moral obligations which lie outside the jural sphere; such, namely, as rest upon an imperative ethical basis, but have not been recognized by the law as within its proper province for purposes of enforcement or redress. Thus, gratitude towards a benefactor is a duty, but its refusal will not ground an action. In this meaning "duty" is the equivalent of "moral obligation," as distinguished from a "legal obligation." See *Kentucky v. Dennison*, 24 How. 107, 16 L. Ed. 717; *Harrison v. Bush*, 5 El. & Bl. 349. As a technical term of the law, "duty" signifies a thing due; that which is due from a person; that which a person owes to another. An obligation to do a thing. A word of more extensive signification than "debt," although both are expressed by the same Latin word "debitum." *Beach v. Boynton*, 20 Vt 725, 733. But in practice it is commonly reserved as the designation of those obligations of performance, care, or observance which rest upon a person in an official or fiduciary capacity; as the duty of an executor, trustee, manager, etc. It also denotes a tax or impost due to the government upon the importation or exportation of goods.

Law Dictionary: What is DUTY? definition of DUTY (Black's Law Dictionary)

MAGGOS

**Kendall County Sheriff's Office Narrative**  
**Case #2015-2195A**  
**Detective Maggos**  
**08/18/2015**

On 07-16-15 at 1530 I DETECTIVE B. MAGGOS 82 was advised by DETECTIVE SERGEANT JASNOSZ 14 that a report had been made by TODD MILLIRON, alleging that Oswego Township Highway Commissioner GARY GROSSKOPF had possibly vacated his elected office and such violated Illinois law. In speaking with DEP. MROZEK I was advised TODD informed that he believed that either GARY was spending the majority of his time in Florida at a jointly owned residence, or possibly residing in that state, not his elected state of Illinois. This initial report was taken by DEPUTY MROZEK 98, upon meeting with TODD at an earlier time. TODD alleged Illinois Statutes 10 ILCS 5/25-2 Resignations and Vacancies and Misconduct of Officers, 60 ILCS 1/55-37 in his initial report. See DEP. MROZEK'S report for attachments submitted by TODD, to include, GARY'S township cell phone records [REDACTED], and a July 14 2015 email to Illinois State Representative ANTHONY, and Senator REZIN of an explaining narrative of his comments in regards to these allegations.

At 1718 I attempted phone contact with GARY via his township cellular phone. Receiving his voice mail, I left a voice mail requesting he contact me. With the assistance of DETECTIVE HAGERTY 52, inquiries were made on Facebook social media site in regards to GARY. Upon checking the subject C. PASDERTZ listed with GARY on the Florida property of [REDACTED] it was learned this subject is CHELLY PASDERTZ/GROSSKOPF, being apparently joined in marriage on November 19, 2014 with GARY. CHELLY'S Facebook information states that she resides in Florida and is an emergency room nurse at Sarasota Memorial Hospital as of 2014, stating she moved to Port Charlotte in May of 2014. There had been no Facebook page located for GARY.

On 07-17-15 at 1313 I contacted via phone, Oswego Township Supervisor JAMES DETZLER, [REDACTED]. In speaking with JAMES I requested to meet with him at his convenience, as it was agreed to meet at his Oswego residence in approximately 1 hour. At 1318 DEP. MROZEK and I arrived at the Kendall County Building, 111 West Fox Street, Yorkville and spoke with "NATALIE" in the Voter's Registration Office. During the course of speaking with NATALIE she advised that GARY is a registered voter, with the address of [REDACTED] given. Last registration was said to be June 11, 2014. NATALIE had similar information on GARY'S son, AARON GROSSKOPF. Both GROSSKOPF'S also had listed the previous registered voter address of [REDACTED]. At 1321 we met with Kendall County Clerk/Recorder GILLETTE. In doing so, we requested documents in regards to GARY and his running for office. We were advised that the records would have to be compiled and copied. I supplied a card of mine, and requested when the records were available to contact me. At 1400 the Yorkville U. S. Post Office was checked in regards to GARY'S mailing address. We were advised no change of address was submitted by GARY and he was still currently receiving mail at the [REDACTED].

At 1440 and in summary we arrived at the DETZLER address, [REDACTED] to speak with JAMES. In initially speaking with JAMES I requested to record our conversation, as JAMES agreed. At 1442 I activated the recorder and confirmed with JAMES he consented to the recording. I advise JAMES there had been an allegation made, as he stated he believes he knows what it is in regards to. I inquire what he may think it is, as JAMES states GARY GROSSKOPF, allegations made by the "insurance" person in Yorkville (TODD MILLIRON). I advise JAMES it was questioned as to where GARY is currently living. JAMES states he is personal friends with GARY and has been on the Oswego Township Board for 20 years. JAMES states he sees GARY once a week in Illinois, then states sometimes a couple weeks in between, stating he sees GARY at the "township", or the Firehouse Inn. JAMES states that GARY lives in the Lakeview Subdivision with his son, stating that his son (AARON) works for the township also. JAMES upon inquiry states he sees GARY both personally and through business. I ask how much time GARY spends at the [REDACTED] Oswego address, as JAMES states he does not know. JAMES states that GARY drives the only vehicle he has here, which is a township owned GMC Denali or Tahoe. I asked JAMES if he knows how often GARY is in Oswego Township. JAMES responds, not really, "He comes and goes". JAMES believes Illinois is GARY'S primary residence, going on to advise upon being asked that GARY'S wife resides in Florida, and he travels to visit her quite often. JAMES states GARY'S wife Chelly acquired a job in Florida and a home is owned in Florida, going on to state that he believes GARY eventually would retire to Florida. Upon inquiry, JAMES state he believes GARY goes to Florida once a month. I asked how long he stays. JAMES responds, sometimes a couple days, sometimes a week, and has been up (Illinois) the last few days. JAMES advises that GARY is an elected official. JAMES speaks of past experiences with TODD. JAMES believes GARY is intending to retire after this term. JAMES states that GARY being an elected official, GARY sets his own hours. I ask JAMES if there is someone he believes I should speak to. JAMES responds, "GARY". JAMES states it's not like GARY has moved to Florida, further stating, granted he does go to Florida more than he used to, "but he can do that". JAMES states that GARY flies to Florida, stays a couple days and comes back. JAMES states GARY is a good guy, and he's not trying to beat the system. JAMES does state that he believes GARY does fulfill his job. I ask JAMES if he has any questions, as he states he does not. The interview is concluded at 1458. For complete details on this interview, please reference the submitted CD-R into evidence.

On 07-20-15 I received a return voice mail on my Sheriff's Office cellular phone from GARY. At 1330 I also received a voice mail on my Sheriff's Office desk phone from GARY. At 1820 I contacted GARY via telephone. GARY agreed to meet with me at his residence on [REDACTED] on 07-21-15 at 1730. An Illinois Secretary of State inquiry was conducted resulting in GARY possessing a valid Illinois driver's license and a motorcycle registered to him, both to the [REDACTED] Oswego address.

On 07-21-15 at 1750 DEP. MROZEK and I arrived at [REDACTED] Oswego and met with GARY. Being invited in I explained to GARY the purpose of our meeting and requested his consent to record the interview, to which he consented. Activating the recorder at 1754 and in summary, I confirmed with GARY he was speaking voluntarily to us and consented to the recording. I inquire to GARY as to if this is where he claims his residency and is registered to vote, as GARY states yes. I advise GARY we had checked with the US Post Office and he is receiving mail at this address, GARY confirmed this. GARY also states he files his state and

federal taxes from this address, as well as credit card bills etc from this address. I explain to GARY we understand he owns other property in Florida, and that his wife CHELLY is employed in Florida. I ask GARY if he would mind advising how much actual time he spends in Florida. GARY goes on to explain, CHELLY sold her Marseilles house in 2012 and both wished to purchase property in Florida. GARY goes on to state that he hadn't spent much time "down there" until this past year. GARY states that he and CHELLY planned to get married, and that she had moved down to Florida and acquired employment as a nurse. GARY states that they intended to get married in the Florida home in November, and that he was going to Florida to get the home ready for this purpose. GARY states he did come back and forth for "work", coming back for meetings, and was "constantly on the phone", with no intention of making Florida his residence, at this time. GARY states his [REDACTED] Oswego home was too big, so he sold the property. I ask GARY how much time he actually spends in Florida verse Illinois. GARY states that he hadn't kept track of the amount of time he was in Florida until the phone records were obtained through the Freedom of Information Act (FOIA) and he actually looked at them. GARY continues he realized he "had been in Florida quite a bit", "I'm not denying that". GARY states that he worked "everyday" for the township while he was in Florida, going on to cite emails, and phone calls. I ask GARY if he's familiar with the phone records as he states he was and that he produced them. GARY states that the phone records would be accurate aside from travel times. Upon my inquiry, GARY states he and CHELLY were married on November 9, 2014. GARY states CHELLY was hired in Florida in May 2014, and confirms CHELLY had worked for the township prior to moving to Florida. GARY states the Florida property was purchased in July 2012. GARY states that CHELLY had filed for the "homestead exemption" in Florida and he had not, stating his name is not on the exemption paperwork. (In an email from Todd dated 07-21-2015 it states that Chelly applied for the homestead exemption on the Florida property as a single person.) I asked GARY how much time he spends in the township office. GARY responds he doesn't have set hours, and that he is "salary", and he has certain duties under state law, however "no duty to be in the office", going on to say he fulfills all his required duties. GARY goes on to state that some Highway Commissioners don't even have an office and work out of their homes. GARY states, he has always done his best to make the township meetings, even though he is not obligated to be there, stating he makes 90% of the meetings. I ask GARY how many days he actually goes into the office, as GARY states he does not know. GARY does state upon further inquiry that parts of the year 2014 and 2015 are different than in the past, going on to say he has been out more than in the past, as the records (phone) indicate. I ask GARY if he has questions, to which he states no. I ask GARY if he will be spending more time in Illinois in light of the current situation, GARY states "certainly". I inquire to GARY if he has his own quarters at this address, with GARY responding yes. GARY states he has his township truck in the garage and has never used such for travel to Florida. GARY states he doesn't have a registered vehicle in Illinois and uses his township truck. I ask GARY if there have been any complaints of him or his office, as he states no. I confirm with GARY that I could speak with him again if need be.

DEP. MROZEK inquires as to how GARY travels to Florida, GARY responding he flies. In further discussion with GARY, he states the highway township office doesn't have any issues "other than this one". GARY advises much of his correspondences through the township are electronic with emails. I ask GARY if he minds showing us his quarters here. We proceed to the north east bedroom that was noted to containing GARY'S belongings and clothes.

The interview was concluded at 1817.

For complete details on this interview, please reference the submitted CD-R into evidence.

On 07-23-15 at 1325 I arrived at the Kendall County Building and acquired the Township Highway Commissioner election documents of GARY'S from the Clerk for the election on April 09<sup>th</sup>, 2013. Included in these documents are "Statement of Candidacy", "Certification of Ballot", "Loyalty of Oath", "Independent Candidate Petitions", and the requirements for filing nominated papers. All of these documents were filed with GARY listing the address of [REDACTED] Oswego. These documents are attached as document # 1 (37 pages).

On 07-24-15 I spoke with TODD via phone. In speaking with TODD we agreed to meet at the Sheriff's Office on Monday, 07-27-15 at 1430.

On 07-27-15 at 1449 I met with TODD at the Sheriff's Office to discuss the mentioned Illinois State Statutes he believes GARY may be violating. The state statutes originally mentioned were 60ILCS1/55-37 Misconduct of Officers, and 10ILCS5/25 Resignations and vacancies.

Speaking with TODD and asking him what in particular he believes GARY may be in violation of in the Chapter 60 statutes, TODD stated the following. 1) That GARY according to TODD had been gone from the state and in Florida for 11 of 13 months (per township cellular phone records); 2) TODD believes that GARY needs to be present physically in his office to properly supervise employees and activities.

In regards to the Chapter 10 statutes TODD references GARY'S voters registration and paragraphs 5/1a-16; 5/4; 5/5; 5/6, in which TODD mentions these requirements which are; US Citizen, being of the age of 18, and residing in the precinct for 30 days prior to an election. Kendall County records show that GARY filed a change of voters' registration from the address of [REDACTED] Oswego IL to [REDACTED] Oswego IL on 06-11-14, and moving from precinct 10 to precinct 21. TODD states after his review of GARY'S township cellular phone records, despite the registered address on [REDACTED] GARY had only been physically in the state of Illinois 25 out of the required 30 days. TODD also advised that GARY submitted an absentee ballot on 10-17-14 stating that he would be at the Port Charlotte address during the day of voting. TODD also mentioned allegations of GARY'S wife, CHELLY which later subsequently was deemed to be a concern to be directed to Oswego Township. TODD additionally mentioned other unrelated allegations in regards to Oswego Township, however stating that he would not disclose who informed him of the allegations nor was he able to provide any supporting documentation.

On 07-29-15 at 1751 I received an email from TODD that stated by the heading to be in regards to GARY'S residency and perjury, in which TODD goes on to state that he believes GARY had perjured himself in regards to aforementioned situation in were GARY wasn't physically in the state of Illinois for the required 30 days prior to an election.

On 08-03-15 at 1010 I received an email from TODD, in regards to GARY'S time spent in Florida, and that he requests I add GARY'S said apology in this matter to this report. TODD

included a "hyperlink" that brought me to an article on the OnlyOswego.com web site titled "Oswego Township Highway Commissioner Issues Apology". The article shows a posting date of July 22<sup>nd</sup> at 1013 a.m. The article read as follows:

Embattled Oswego Township Highway Commissioner Gary Grosskopf issued the following statement to Only Oswego Wednesday morning regarding the controversy that has erupted in recent days about his residency outside the township:

*For over 26 years I have had the great honor of serving as your elected Highway Commissioner.*

*Over these years I have worked hard to create a department that is responsive to the needs of the community by improving the roads, adding services, providing quick and effective snow and ice removal and handling a multitude of issues we deal with on a daily basis.*

*It has been my goal to achieve these improvements without overburdening the taxpayer. I have kept the road district tax to a minimum and lowered the tax for two years after the economic downturn to decrease the cost to taxpayers.*

*I have decreased staff by 30 percent over the past 3 years in order to direct more money to the road maintenance fund and still have been able to run the department effectively thanks in large part to the road district staff.*

*The Highway Commissioner is a salaried position that has many duties under the state statutes and I have always fulfilled those duties. In regards to my trips out of town, I have always been actively engaged in the operation of the department no matter where I have been. And this past year is no exception.*

*That being said, I understand the negative perception, and I apologize to the people of Oswego Township for my actions. I have been Oswego Township Highway Commissioner for half of my life and I have always tried to run the department to the best of my ability. (The content of the letter was confirmed as accurate by Gary Grosskopf)*

On 08-10-15 at 1434 I contacted TODD via phone after receiving unrelated emails from him in regards to CHELLY and informed him as aforementioned that the issues involving GARY'S wife were a township matter. Additionally also advising that he may use FOIA for his own inquiries into the matter if he believes it to be appropriate.

On 08-11-15 at 1540 I contacted Illinois State Police, STIC Division. A query was conducted resulting in no reported employment from the State of Florida for GARY.

**C. STATEMENT OF CANDIDACY [10 ILCS 5/7-10, 10-5]**

1. Each candidate, whether he is an individual candidate or his name appears on a group petition or certificate of nomination, must complete and file a Statement of Candidacy. The Statement of Candidacy shall set out the name of the candidate as it will appear on the ballot; the address of the candidate; the office for which he is a candidate; political party designation, if applicable; and a statement(s) that he is qualified for the office specified. See each office in the guide for the correct SBE Statement of Candidacy form. **THIS STATEMENT MUST ACCOMPANY THE NOMINATION PAPERS.**
2. In the designation of the name of a candidate on a petition for nomination or certificate of nomination, the candidate's given name or names, initial or

(7)

initials, a nickname by which the candidate is commonly known, or a combination thereof, may be used in addition to the candidate's surname. The State Board of Elections will certify each candidate's name as it appears on the first numbered page of the petition. Other filing officers may refer to other documents such as the Statement of Candidacy when determining the actual name to be certified. No other designation such as a "POLITICAL SLOGAN", title, degree or professional status, or similar information may be used in connection with the candidate's surname.  
[10 ILCS 5/7-10.2, 7-17(b), 10-5.1, 16-3(e)]

**NOTE:** If a candidate has changed his or her name, whether by a statutory or common law procedure in Illinois or any other jurisdiction, within 3 years before the last day for filing the petition or certificate for that office, whichever is applicable, then (i) the candidate's name on the petition or certificate must be followed by "formerly known as (list all prior names during the 3-year period) until name changed on (list date of each such name change)" and (ii) the petition or certificate must be accompanied by the candidate's affidavit stating the candidate's previous names during the period specified in (i) and the date or dates each of those names was changed; failure to meet these requirements shall be grounds for denying certification of the candidate's name for the ballot or removing the candidate's name from the ballot, as appropriate, but these requirements do not apply to name changes resulting from adoption to assume an adoptive parent's or parents' surname, marriage to assume a spouse's surname, or dissolution of marriage or declaration of invalidity of marriage to assume a former surname.  
[10 ILCS 5/7-10.2, 7-17, 8-8.1, 10-5.1, 16.3]

3. The candidate must swear to and sign the Statement of Candidacy and the statement must be notarized.

#### **D. STATEMENT OF ECONOMIC INTERESTS - RECEIPT**

1. A Statement of Economic Interests must be filed by every candidate for local office. The statement is filed with the county clerk of the county in which the principal office of the unit of local government for which the person is a candidate is located.

If it is not apparent which county the principal office of a unit of local government is located, the chief administrative officer, or his designee, has the authority to determine what county in which the principal office is located. [5 ILCS 420/4A-106]

2. The receipt for the filing of the statement, or a copy thereof, must be filed with the election official who receives the nominating petitions.  
[10 ILCS 5/7-10 and 10-5]

3. The statement must be filed during the calendar year in which the nominating petitions are filed. While the receipt need not accompany the nominating petitions at the time of filing, it must be filed no later than 5:00 P.M. on the last day for filing the petitions. Filing the receipt by the last day of the filing period will not change the initial date and time of filing the nominating petitions. [10 ILCS 5/10-5]
4. Statements of Economic Interests forms may be obtained from the Secretary of State or the office of the County Clerk.
5. A Statement of Economic Interests filed for a different office may not be acceptable. If in doubt, consult with your county clerk or the Index Division of the Secretary of State, 111 E. Monroe Street, Springfield, Illinois 62756. (Telephone 217/782-7017)

**E. LOYALTY OATH (Optional)**

The filing of the Loyalty Oath is optional. The following court cases have held that the requirement for filing the Loyalty Oath is unconstitutional: *Communist Party of Indiana v. Witcomb*, 94 S. Ct. 656 414 U.S. 441 (1974); *Communist Party of Illinois v. Ogilvie*, 357 F. Supp. 105 (N.D. Ill. 1972) and *Socialist Workers Party v. Ogilvie*, 357 F. Supp. 109 (N.D. Ill. 1972)

**F. CAMPAIGN DISCLOSURE - NOTICE OF OBLIGATION**

The official with whom nomination papers are filed, must provide to each candidate at the time he files his nomination papers a notice of obligation to comply with the Illinois Campaign Financing Act. However, if a candidate files his nomination papers by mail, or an agent of the candidate files his nomination papers, the clerk or secretary with whom the petitions were filed will send the notice to the candidate by first class mail. The notice shall briefly outline who is required to file under the campaign disclosure law and the penalties for failure to file. Forms may also be downloaded from the State Board's website: [www.elections.il.gov](http://www.elections.il.gov).

[10 ILCS 5/7-12.7, 9-16, 10-6.1; 60 ILCS 1/45-35]

**G. IMPROPER USE OF PUBLIC FUNDS**

No public funds shall be used to urge any elector to vote for or against any candidate or proposition, or be appropriated for political or campaign purposes to any candidate or political organization. This provision, however, shall not prohibit the use of public funds for dissemination of factual information relative to any proposition appearing on an election ballot, or for dissemination of information and arguments published and distributed pursuant to law in connection with a proposition to amend the Constitution of the State of Illinois. [10 ILCS 5/9-25.1]

(9)

**H. FAIR CAMPAIGN PRACTICES ACT**

Candidates and committees are urged to abide by the provisions for campaigning outlined in the Fair Campaign Practices Act. This is a voluntary statement made and filed prior to an election, vowing that the candidate making the statement will conduct a positive, rather than a negative campaign. If a candidate or committee chooses to make such a statement, it shall be filed with the county clerk if the candidate is a local candidate or committee. [10 ILCS 5/29B et seq.]

**FREQUENTLY ASKED QUESTIONS****PETITION PAGES**

1. **Are abbreviations allowed on petitions?**  
Standard abbreviations may be used in writing the resident's address, including the street number.
2. **What name should the voter use when signing a petition?**  
The voter should sign the petition as he is registered to vote. Example - The signature for James Smith should not appear on the petition as Jim Smith, however, signing with a nickname will not invalidate the signature, provided the voter can be identified.
3. **May a petition once filed be changed?**  
No. A petition once filed may not be added to or altered. However, the receipt for filing the Statement of Economic Interests may be filed at any time during the filing period. [10 ILCS 5/7-10, 7-12]
4. **Are pencil signatures allowed?**  
Yes. However, dark ink is preferable.
5. **Who can remove a name from a nomination petition?**  
Only the circulator or the candidate on whose behalf the petition was circulated may strike the signature. [10ILCS 5/7-10 and 10-3] However, an individual can submit a written request with the election authority or the local election official to have his/her name removed before the petition is filed.
6. **May a voter sign a petition for someone else?**  
No. A registered voter must sign the petition in his own person. He may not sign for someone else, such as another member of his or her own family. [10 ILCS 5/7-10, 10-4]

**CIRCULATOR**

1. **May a candidate circulate his own petitions?**  
Yes.
2. **May a circulator circulate petitions for an independent candidate and a partisan candidate, or for more than one political party?**  
No.  
[10 ILCS 5/10-4]
3. **Does the circulator have to be a registered voter?**  
No. A petition circulator must be a U.S. citizen and at least 18 years of age. (See page 14, item 2a.)  
[10 ILCS 5/7-10]
4. **May a circulator sign as a voter on the petition he is circulating?**  
Yes, if he/she is a registered voter of the political subdivision in which the candidate is seeking office.

**5. When can the circulator start collecting signatures?**

No more than 90 days prior to the last day for filing petitions (see page iv)  
[10 ILCS 5/7-10, 8-8, 10-4]

**NOTARIZATION**

**1. Is it proper for the notary of the petition to have signed the same petition as a voter?**

It has not been definitely determined whether a notary may also be a signatory to a petition. Some electoral boards and Circuit Courts have upheld petitions where the notary was also a signer of the petition, but the issue has not yet been decided by the Supreme Court or any Appellate Court in Illinois. A cautious candidate might wish to avoid using a petition signer as the notary so as to avoid the risk of having to defend against an objection on this issue.

**2. Must the notary put the date of his commission expiration on the document?**

Yes, the notary stamp indicates the date the commission expires.

**3. Must the notary public live in the same county as the candidate?**

No, but the notary must be authorized to administer oaths in the place where the notary act is performed.

**FILING PETITIONS**

**1. May a candidate file more than one set of petitions for the same office?**

Yes. However, upon notice from the filing office the candidate must make a selection in writing to the filing office; otherwise, the set of petitions filed first will be considered the official filing.

**2. When are petitions open to the public?**

Upon their filing with the proper office and at the earliest convenience of that office. Once filed, a petition is available for public inspection.

**3. Does a candidate have to file his or her own petition?**

No. A candidate may choose someone to file the petition on their behalf.

**4. May a candidate file his own petition and petitions for other candidates at the same time?**

Yes.

**5. When may petitions be mailed?**

There are no statutory requirements regarding a time element for mailing petitions; however, all petitions that are received by the office prior to the first day of the filing period will be returned to the sender. Petitions received after the end of the filing period, regardless of postmark, will not be accepted.

**6. May a candidate file for more than one office?**

Yes, however, he must withdraw from all but one office within five business days following the last day of petition filing, if the offices are incompatible. If he does not withdraw from all but one incompatible office, his name will not be certified for any office.[10 ILCS 5/7-12]

- 7. Who has to file a complete slate of candidates?**  
Persons wishing to form a New Political Party in a given jurisdiction must file a petition containing the names of candidates for EACH office to be filled for that jurisdiction.  
[10 ILCS 5/7-2, 10-2]
- 8. May a petition contain the names of two or more candidates of the same established party?**  
Yes. An established political party petition may contain the names of candidates for several offices to be filled at the upcoming election. The nominating papers must contain a separate statement of candidacy signed by each candidate and a receipt for the filing of a statement of economic interests by each candidate. The Loyalty Oath is optional.
- 9. If you are first in line or your petition is in the first mail pickup or delivery on the first day of filing, will you be first on the ballot?**  
Not necessarily. If there are two or more candidates in line prior to the opening of the office filing for the same party and the same office, they will be considered as filing simultaneously along with any petition in the first mail pickup or delivery and will be involved in a lottery for ballot position.  
[10 ILCS 5/7-12(6), 10-6.2]  
**STATE BOARD OF ELECTIONS-RULES AND REGULATIONS**  
(As codified under the Illinois Administrative Procedures Act Section 201.40)
- 10. May a candidate file as an independent for a school office?**  
No. "Independents" run in partisan elections but choose not to associate with a political party, so the word "independent" identifies them on the ballot label. All candidates for school offices run on a "nonpartisan" basis.

**Kendall County Sheriff's Office Narrative**  
**Case #2015-2195B**  
**DEPUTY M. MROZEK**  
**08/18/2015**

On 08/11/15 at approximately 1400 hours, I was advised by Sgt. Jasnosz to meet with Gary Chester Grosskopf [REDACTED] and have him review the Verizon phone bills submitted for accuracy and confirm he was at the location stated on the bills when the calls were conducted. I was also advised to speak with Aaron Gary Grosskopf [REDACTED] to see if there was a rental agreement in place for Gary to live at Aaron's residence of [REDACTED] in Oswego and confirm Gary resided with Aaron.

At approximately 1415 hours, I spoke with Aaron via telephone and he advised that he was at the Oswego Township Highway Department building along with Gary. I advised Aaron that I would be enroute to speak with him and Gary.

At approximately 1445 hours, I arrived at the Oswego Township Highway Department building to speak with Aaron and Gary. Gary invited me inside his office and the door was closed so we could speak privately. Prior to speaking with Gary, I asked him if I could audio record our conversation and Gary gave his permission.

At approximately 1448 hours, I began the conversation with Gary. I advised Gary that I wanted him to look through the phone bill records which were sent to the Sheriff's Office. I advised Gary to look through the phone bill records and let me know if they appeared to be accurate. Gary acknowledged sending the phone bill records per a FOIA request and he began looking through the phone bill records. After looking through the phone bill records, Gary stated that everything appeared accurate. Gary did not have any questions for me and the conversation concluded at approximately 1453 hours. The audio recording was later placed on a Memorex CD-R and entered into evidence.

Gary exited his office and Aaron entered the office. The door was closed so Aaron and I could speak privately. Prior to speaking with Aaron, I asked him if I could audio record our conversation and Aaron gave his permission.

At approximately 1455 hours, I began the conversation with Aaron. I advised Aaron that the purpose of our conversation was for me to clarify the living situation between Aaron and Gary. Aaron related the following in summary, not verbatim: Aaron resides at [REDACTED] Oswego, IL 60543 with his dad, Gary Grosskopf. Aaron's sister will also stay at the residence from time to time. Aaron purchased the residence in approximately January of 2014 as a bank foreclosure. Aaron is the only person on the deed, mortgage, and property tax bill. Gary has resided with Aaron since approximately April of 2014 when Gary sold his residence at [REDACTED] in Oswego. Gary pays Aaron rent of \$200 on the 1<sup>st</sup> day of every month via a Chase bank automatic payment. Aaron later provided me with a copy of those payments which show payments of \$200 or \$300 from Gary Grosskopf on the 1<sup>st</sup> day of every month beginning on

07/01/2014 through 08/01/2015. The months with a \$300 payment were when Aaron's sister stayed at the residence. The copy of the payments is attached to this report and marked as attachment 1. There is no written rental lease or agreement in place. Gary purchases most of the groceries for the household and cooks meals quite often. Gary stays at the residence approximately 10 to 15 days a month.

There were no further questions and the conversation concluded at approximately 1500 hours. The audio recording was later placed on a Memorex CD-R and entered into evidence. I departed the location and took no further action.

**Kendall County Sheriff's Office Narrative**  
**Case #2015-2195C**  
**Detective Sergeant Jasnosz**  
**08/18/2015**

On August 10<sup>th</sup>, 2015, I Detective Sergeant Jasnosz reviewed the facts of this investigation with Detective Maggos. Based upon this information, I did not believe there was probable cause to support criminal charges.

On August 11<sup>th</sup>, the investigation and conclusion were shared with Kendall County State's Attorney Eric Weis and Kendall County Clerk Debbie Gillette.

Since there was a lack of evidence to support the allegations of the complainant, I am updating the status of this case to unfounded. In the event additional viable leads develop, this investigation may be reopened.
