Events/News

Ms. Pawson reported that five people attended the volunteer orientation on January 19, 2016, and that there will be an Adoption event the second Saturday of each month at Pet Supplies Plus

Operations Report – Ms. Pawson provided an update on the potbelly pigs previously held at the facility pending litigation with the owner, and stated that Animal Control was called out again to contain one female pig, and one baby pig in the Plano area recently. The animals were transported to Kendall County Animal Control, and after the owner forfeited ownership in court, all of the pigs were turned over to the Hooved Animal Humane Society in Woodstock.

Mr. Wilkins received confirmation from the City of Yorkville that a mobile trailer would be authorized as an accessory structure near the Animal Control facility, and would only need City permits. Mr. Wilkins will inquire about zoning requirements for a covered walkway, or connection between the trailer and the main facility, and report at the next meeting. The plan for the trailer is to serve as the administrative offices for Animal Control.

Accounting Report – Jeff Wilkins provided an overview of the monthly financial report with the committee, and stated that we are on track with expenses, and transfers. Mr. Wilkins said that December was a negative month overall, but the fund balance is still at a healthy level.

Other Business

- *Review Organization Chart* – Mr. Wilkins reviewed the proposed organizational chart with the committee. There was discussion on adding the number of volunteers to the current chart. Member Purcell made a motion to forward the organizational

chart with the addition of volunteers to the chart, to the Admin HR Committee for approval, second by Member Flowers. **With all in agreement, the motion carried.**

Action Items for the Admin HR Committee: *Animal Control Organization Chart*

Public Comment – None

Executive Session – None needed

Adjournment – Member Flowers made a motion to adjourn the meeting, second to the motion by Member Prochaska. **With all in agreement, the meeting was adjourned at 4:45p.m.**

Respectfully Submitted,

Valarie A. McClain
Administrative Assistant/Recording Secretary

February Fifty-Fifty Pitty Promotion!

It's our goal this month to place our sweet pitties with loving homes. For the entire Month of February all of our Pit Bulls and Pit Bull mixes up for adoption are spon-

sored for 50% the adoption fee. You pay 50% of our adoption cost and our sponsor automatically matches it! This makes the cost to adopt just **\$60.00** which includes

spay/neuter, vaccinations, micro-chipping and deworming. Come visit today and see if we have the perfect match for you!

Bahama Mama "Mama" up for adoption. Cost to adopt \$60 through February 29th.

Shout Outs and Thank You's!

We're thankful for all the wonderful people that come in on a regular basis with donations of food, toys, recyclable cans, and other items on our wish list. This month, we have a couple special shout outs for folks that went above and beyond.

Big thanks to **River Heights Veterinary Hospital** in Oswego for donations of food, crates, detergent, cleaning supplies, treats, etc.!

Big thanks to **Canine Physical in Rehab** in Montgomery for donations of food, treats, cleaning supplies, and a very nice digital Camera!

Big Shout out to **Pet Supplies Plus** in Yorkville for continuous donations of pet food and treats!

We thank **Sam Sleezer** of Yorkville for collecting donations in lieu of gifts for his 8th Birthday Party!

Rescue Tails

On November 28, 2015 Oswego Police Department brought in a little dog who was picked up running at large. We do not know how long he had been out but the little Terrier mix was dirty and very scared. We named him "Mickey" and guessed his age at around 8. He only weighed about 7 pound and had the cutest underbite. The staff gave Mickey a nice bath and trimmed his nails making him feel so much more comfortable. Mickey was very scared and shy for the first couple weeks, but with patience and lots of TLC Mickey started to show us his sweet personality. He loved to be held and cuddled by the staff but was still very scared of strangers. We decided the best thing for Mickey was to find a foster based rescue where he may feel more comfortable in a home setting until a forever home could be found. We reached out to some rescues hoping someone would be willing to open their heart and home to this special guy. A few weeks had passed when we received a call from Tiny Paws Small Dog Rescue in Wisconsin. They said they had a foster in Northern Illinois and were willing to help little Mickey if we could transport half way. Staff member Rachel volunteered to transport because Mickey had been her favorite and the two had become very attached during his stay at the shelter. On January 28th, Rachel said Goodbye to Mickey knowing he was in good hands. Tiny Paws Rescue has sent us an update since and says Mickey is doing great and may be adopted soon! For Information on adopting, visit: <http://www.tinypawssmalldogrescue.org/>

Mickey enjoying some love from Lisa.

Upcoming Events

Kendall County Animal Control is a big part of the community! Please check out our exciting upcoming events:

Come show us your skills! Kendall County Animal Control is always looking for some great additions to our team of passionate volunteers. You can learn more about orientation and general volunteer information here: <http://www.co.kendall.il.us/animal-control/volunteer/>

Volunteer orientations are held in the East Wing Conference Room (EWCR) of the Historic Courthouse located at 110 W. Madison St. in Yorkville. Dates for upcoming orientations are:

- Tuesday, February 16, 2015—6:30pm-8:00pm

Adoption Events:

- Saturday, February 13, 2015—11am-2pm at Pet Supplies Plus 1755 Marketview Dr. Yorkville, IL
- Saturday, March 12, 2015—11am-2pm at Pet Supplies Plus 1755 Marketview Dr. Yorkville, IL

KCAC Looking for More Event Locations

Speaking of events...did you know that we're always looking for spots in the community to hold adoption events and fundraisers? We're lucky to have some wonderful partners, such as Pet Supplies Plus here in Yorkville, that host us for adoption events. However, we'd love to have even more spots to showcase our dogs as it is a wonderful way for them to receive some extra socialization and get their gorgeous faces out there and into the public's eye. If you or a friend or family member has a business that would be interested in partnering with us, please email

Laura Pawson at: lpawson@co.kendall.il.us

Donations Needed!

Animal Control is currently in need of the following:

- Dry Kitten Food
- Dog Treats
- Canned Pumpkin
- Large Dog Weight Scale
- Laundry Detergent, Dish Detergent, Bleach
- Peanut Butter
- Clumping Cat Litter
- Canned Pate Cat Food

Thank you for your generous support!

Adoptable Cat-Kyle!

Kyle might be one of the sweetest cats we have ever met. We believe him to be a Russian Blue, he was a stray so of course age and breed is all an educated guess. He came to us in November and in celebration of Veterans Day we named him Kyle after Chris Kyle (American Sniper) we chose that name for two reasons, everyone loves him and he just seemed to be a fighter. He truly is an exceptional cat and he just needs an exceptional owner to make his life purrrfect. Kyle is FIV/FELV tested, microchipped, and neutered. His adoption fee is \$70.

Kendall County Animal Control is the County agency responsible for the enforcement of the state statutes governing rabies control in domestic companion animals. The State of Illinois requires that all dogs be vaccinated against rabies by a licensed veterinarian. Compliance with this law is monitored through the issuance of rabies tags for all dogs residing in the County. All dogs are required to wear their rabies tags when off of the owner's property. If a pet is lost, rabies tags also provide an excellent means of identifying your pet.

Kendall County Animal Control enforces the County's ordinance that prohibits dogs from running at large in unincorporated, residential areas. Animal Control also reports animal bites as well as pick up stray dogs that are in a contained area. Stray dogs may also be brought to the facility during business hours. Dogs and cats are available for adoption at our facility.

January Summary

There were many memorable moments in January. Among our favorites were "Killian" and "Conan." Killian went to his forever home on January 7th. Conan was adopted by a great family on January 22nd. Here is a quick breakdown of Kendall County Animal Control's numbers for the month of January:

- Dogs reunited with their owners: 12
- Dogs adopted: 1
- Dogs placed with rescue groups: 3
- Cats reunited with their owners: 1
- Cats adopted: 4
- Cats placed with rescue groups: 0

Killian at his new home. Update: Killian's Mom says "He's very active, loves to play, eats very well, and is really good about using his litter box. He's a smart little kitty and is doing really well."

A very happy Conan and his new family. Update: Conan's Dad says he is doing awesome and says Conan waits on his bed until he gets home from work.

OSWEGO YORKVILLE PLANO MONTGOMERY NEWARK SANDWICH

Labradors are No. 1 dog breed in Kendall County

Breed most popular according to county animal control records

Published: Friday, Jan. 29, 2016 5:30 a.m. CST

By MATT SCHURY -
mschury@kendallcountynow.com

The Labrador retriever reigns supreme as the most popular dog in Kendall County.

According to the County Animal Control facility, the most popular dog last year was the Labrador retriever followed by the Shih Tzu, Yorkshire terrier, German shepherd and boxer rounding out the top five.

Other breeds on the county's top ten list include pit bulls, Chihuahuas, beagles and Siberian huskies at number 10.

The facility issued almost 9,500 one-year rabies tags and about 4,000 three-year rabies tags in 2015 for a total of over 13,000 rabies tags issued.

The state of Illinois requires dog owners to purchase tags for their dogs through their local county animal control facility. Most veterinarians offer the tags at their offices.

The tags show the dog has had its rabies vaccine and can be used to help locate the dog's owner. There is an annual vaccine and one required every three years.

The number of tags has been increasing over the last five years and it might be based on better owner compliance or more animals being purchased in the county. Vets also purchase the tags through Animal Control and make them available to their customers.

Oswego does not have a cap on the number of animals residents are allowed to own, which could be one reason the village is at the top of the list in terms

(Eric Miller - emiller@ahawmcc)

of tags issued. The city of Yorkville caps pet ownership at four dogs or cats per household, according to local city ordinance.

Registering your dog is also important because it helps Animal Control identify them, especially if they are prone to getting out.

"It's an excellent way to identify a pet if they get lost," said Laura Pawson, Animal Control director. "Sometimes we have residents who will find a dog and that way they don't have to bring the animal here. If it has identification they can call us, we make the phone call and we reunite the animal without bringing it here to animal control."

If the dog is wearing tags, Animal Control employees can input the registration code into their database and look up its owner. Additionally, owners can opt to have their pet implanted with a microchip that can later be scanned and identified if the animal is found.

Temperament is key

Dr. Judith McBeth, veterinarian at Fox Ridge Veterinarian Clinic in Oswego, said she sees Labradors fairly often and believes people choose the breed because they are friendly dogs that are good with kids.

PETS & SUPPLIES

February Fifty-Fifty Potty Promotional
It's our goal this month to place our sweet potties with loving homes. For the entire Month of February all of our Pit Bulls and Pit Bull mixes up for adoption are sponsored for 50% of our adoption fee. You pay 50% of our adoption cost and our sponsor automail-cally matches it! This makes the cost to adopt just \$60.00 which includes spay/neuter, vaccinations, micro-chipping and deworming. Come visit today and see if we have the perfect match for you! Kendall County Animal Control, Yorkville : 630-553-9256 or email: animals@co.kendall.il.us
