# KENDALL COUNTY ANIMAL CONTROL

Wednesday, August 17, 2016  
MEETING MINUTES

**Call to Order** – The meeting was called to order by Committee Chair Jeff Wehrli at 4:02p.m.

## **Roll Call**

Committee Members Present: Jeff Wehrli – here, Matthew Prochaska – here, Lynn Cullick - here. **With three members present, a quorum was established to conduct committee business.**

***Member Purcell arrived at 4:08p.m.***

Committee Members Absent: Elizabeth Flowers

Others present: Laura Pawson, Jeff Wilkins

**Approval of Agenda** – Motion made by Member Prochaska to approve the agenda, second by Member Cullick. **With three in agreement, the motion carried.**

**Approval of Last Month's Meeting Minutes** – Member Prochaska made a motion to approve the minutes from July 27, 2016, second by Member Cullick. **With three present in agreement, the motion carried.**

**Census Report** – Written report provided.

**Operations Report** – Laura Pawson reported they are now fully-staffed, adoptions are going well, and they continue to receive a lot of pictures and updates.

Mr. Wilkins stated that they have applied for the permit from the City of Yorkville on Tuesday, and once they have received the permit, they will set the date for delivery and the vendor will begin work on the trailer. Facilities Management will work on the electrical, transformer, the skirting, the ramp and the fence.

Ms. Pawson also reported that a Boy Scout will be doing some minor landscaping work around the facility as part of his Eagle Scout project.

**Accounting Report** – Jeff Wilkins reviewed the monthly financial report with the committee, and stated that it was another good month for revenues although slightly behind from last year. Mr. Wilkins said the rabies tag sales is ahead of last year.

## **New Business**

- *Animal Control Budgets* – Jeff Wilkins reviewed the proposed FY2017 budgets with the committee.

After discussion, the committee agreed that some of the funds collected for the County Animal Population Control Fund should be used to develop a Feral Cat program. Ms. Pawson will research to see if the County Animal Control funds can be used to develop a feral cat program, will research other county facilities programs to see how they operate, and will begin making a plan for Kendall County.

**Public Comment** – None

**Executive Session** – Not needed

**Action Items for the County Board** - None

**Adjournment** – Member Cullick made a motion to adjourn the meeting, second to the motion by Member Prochaska. **With all in agreement, the meeting was adjourned at 4:42p.m.**

Respectfully Submitted,

Valarie McClain  
Administrative Assistant/Recording Clerk

### ABOUT LADY BUG

Lady Bug is a great dog and is very loving and is kind of like an old soul. She is good with other dogs and just adores being with people. She is reverse brindle color and is very striking in person. She has never had an accident in her kennel so this is a good sign that she might be house broken. She really is a true gem and we think she is going to really be an outstanding companion. If your looking for brains and beauty Lady Bug might be the girl for you. Now that she has been with us for a while she is getting more playful. She is about 60 pounds, walks pretty well on a leash and rides well in the car too. She is fully vetted and the vet even made a comment about how wonderful she was, and they see thousands of dogs. Lady Bug is adoptable at Kendall County Animal Control.

## September Volunteer Spotlight

### Vanessa Struck

**How long have you been volunteering for Kendall County Animal Control?**

5 Months

**Please share a story about a favorite pet past or present:**

My favorite story about a shelter pet is a Chihuahua mix named Kady. She was a blind 7 year old sweetheart that was abused in her past home. Even after everything she went through, she was the strongest and happiest little girl I've ever seen. Everytime someone came in contact with her, she would light up with excitement. After a long time of love

and care from the shelter, she was adopted to a lovely family. It truly made my heart happy.

**What is your favorite part of volunteering?**

I love interacting with animals and making them feel at home. They really make me happy and I can only hope that I do the same for them.

**What are 3 things we may not now about you?:**

1. I have two American Eskimos and two cats at home.
2. I am a full-time student and worker.
3. I was never really into cats until I started volunteering. Now, I can't get enough of them. ♡

Vanessa holding Weezer, a loving female Beagle who is up for adoption.

### September Adoptable Pet-Barbarella!

Barbarella is a very special girl so we had to give her a special name. She came to us as a stray so we know little about her. She is just 34 pounds and she is estimated at 2 years of age. We do not know what happened to this girl, but she looks like she has had a very rough life. She was skinny, missing fur and has some scars. We will never understand how a dog can look like its had such a horrible life and still be so sweet. We all really love this little gal, as she just has a way of tugging at your heartstrings. Come in and meet her she is guaranteed to make you happy and put a smile on your face. She is a lover, a bit of a clown and just an all around great girl. She is so good with other dogs so we use her when we temperament test our new dogs to see if they are dog friendly. So far she has not met a dog she did not like. She can get a tad excited when she plays so we think a home with kids 12 and up would be best for her. She will need work on housetraining too, but with a little effort we know she is going to be someone's very faithful companion for years to come. Stop in at Kendall County Animal Control and meet her today. She is fully vetted and her adoption fee is 120.00.

- High Grade Dry Dog Food
- High Grade Grain Free Dry Dog Food

## Adoptable Cat-!

Juno is an adorable calico kitten that was trapped and brought in as a stray. She was on the shy side, but was fortunate to be able to spend some time in a foster home to get socialized. She made huge strides and she is now ready for her forever home. She loves having her belly rubbed, and is learning that toys are pretty fabulous. She really is a strikingly beautiful kitten, with some pretty unique color patterns. She still is a tad shy so she will need an owner that will help her feel safe and loved. She is now very playful and is warming up to a few of the other cats. She is up to date on her shots, spay and microchipped. We estimate her to be about 15 weeks old. She is adoptable at Kendall County Animal Control.

## Shout Outs and Thank You's!

**We're thankful for all the wonderful people that come in on a regular basis with donations of food, toys, recyclable cans, and other items on our wish list. This month, we have a special shout outs for folks that went above and beyond.**

**Thank you Jewel-Osco of Yorkville for donating pet food and supplies!**

**Thank you Ace Hardware of Sugar Grove for donating pet food and supplies!**

**Thank you Target Store of Yorkville for donating pet food and supplies!**

**Big thanks to the wonderful and caring staff at Kendall County Probation/Court Services for collecting & delivering donations including pet food, supplies and gift cards for the shelter!**

**Big thanks to our volunteers who donate items we are always in need of such as laundry detergent and dish soap.**

## Rescue Tails

On June 29, 2016 Plano Police Department brought in a beautiful female German Shepherd who was found roaming near the river. Unfortunately she was not wearing a collar and did not have a micro-chip. We guessed her age a about 1-2 years old. We gave her the name "Queen Bee" and we would soon come to realize that her new name suited her well. We gave her a big soft bed to make her kennel as comfortable as possible during her stay with us. Sadly and to our dismay no one came forward as the owner of Queen Bee. This beauty showed us from the start that she was a very loving and loyal companion, but also that she had a mind of her own. She was very anxious in the kennel and escaping from it was very much her focus, but who could blame her. She also made it clear that she did not care for the company of most other dogs by repeatedly barking and growling at others. To our surprise, however, she did befriend her kennel neighbor, a small female Poodle mix named Guilda. She seemed to enjoy Guilda's company and had her mind made up that she was to be the only dog welcome in Queen Bees world. The time came when we assessed Queen Bee for adoption. We knew it may be a challenge to find her a well matched home because she was very particular about her doggie friends. To add to that, Queen Bee tested positive for Heartworm disease. It was at that point, we decided to reach out to rescue organizations. Queen Bee proved to be such a loving and loyal girl, we wanted her to get the best chance possible to get a suitable home. We also knew the real challenge was finding a rescue willing to treat her for her disease. She was also very anxious in her kennel, so we new time was a factor. The sooner we found a quiet place for her to be, the better. We reached out to several rescues and luckily we received a response from Central Illinois German Shepherd Rescue and they agreed to take her. On August 5, 2016 Queen Bee was picked up and on her way to treatment and recovery.

Kendall County Animal Control is the County agency responsible for the enforcement of the state statutes governing rabies control in domestic companion animals. The State of Illinois requires that all dogs be vaccinated against rabies by a licensed veterinarian. Compliance with this law is monitored through the issuance of rabies tags for all dogs residing in the County. All dogs are required to wear their rabies tags when off of the owner's property. If a pet is lost, rabies tags also provide an excellent means of identifying your pet.

Kendall County Animal Control enforces the County's ordinance that prohibits dogs from running at large in unincorporated, residential areas. Animal Control also reports animal bites as well as pick up stray dogs that are in a contained area. Stray dogs may also be brought to the facility during business hours. Dogs and cats are available for adoption at our facility.

## August Summary

There were many memorable moments in August. Among our favorites were "Kady" and "McLovin". Our special sweetie Kady went home on 8/8/16. Handsome boy McLovin went home on 8/8/16. Here is a quick breakdown of Kendall County Animal Control's numbers for the month of August:

- Dogs reunited with their owners: 20
- Dogs adopted: 7
- Dogs placed with rescue groups: 2
- Cats reunited with their owners: 0
- Cats adopted: 4
- Cats placed with rescue groups: 5

Sweet Kady going home with her new family.

Cool cat McLovin happy to be going to his forever home.

## October Volunteer Spotlight

### Bob Tyioran

**How long have you been volunteering for Kendall County Animal Control:**

I have been volunteering at KCAC for about nine or ten years.

**Please share a story about a favorite pet past or present:**

When I arrived at KCAC on a September morning in 2008, my daughter Karrie couldn't wait to take me to the outside kennels. There in a make-shift kennel were three Shih Tzu puppies. I don't know who was more excited, Karrie, the puppies or me. Karrie helped me select one of the pups and my wife Diane and I adopted her that day. Diane named her

Belle after the character in Disney's Beauty and the Beast. Belle is still with us today and is a wonderful little member of our family. Thank you Kar and thank you KCAC.

**What is your favorite part of volunteering?**

As a volunteer, the most fulfilling news you can hear is that a certain dog or cat was recently adopted. I enjoy walking the dogs which get them out of their kennels to release some of their pent up energy. I also set aside some time to help clean the shelter. My logic is that if I can take over some of the cleaning chores, it frees up employees to do more of the administrative part of their job which ultimately benefits not only the animals within the shelter but also those pets of the general public.

**What are 3 things we may not now about you?:**

1. I have three wonderful ladies and a beautiful little girl in my life, namely, my wife Diane, my two daughter's Krista and Karrie and my granddaughter Haylee. I also have a wonderful son-in-law, Andrew who is Karrie's husband

2. I have earned two bachelor's degrees, one in Tool Engineering, the other in Computer Science/Business. Also, I just completed the 24 semester hour (8 courses) program requirements for a Paralegal certificate. The program is approved by the American Bar Association.

3. I was happily employed by Mooseheart for over fifteen years. (I am also an usher for the Kane County Cougars.)

### October Adoptable Pet-Sparrow!

Looking for a new feline friend? If so stop in at Kendall County Animal Control and meet Sparrow She is estimated at just 2 years. Sparrow is a great cat who everyone just adores. She came in as a stray so not much is known about her. We think that she may have been a housecat because she was spay and fed well. We don't know why no one came looking for this sweet girl but we hope she will find a loving home and this time it will be forever. She, like so many of us could lose a few pounds. Sparrow will need an owner that will be mindful of her weight and make sure she is not over fed because she loves food. Sparrow is a very affectionate with people, but prefers to be an only cat. She is fully vetted and uses the litter box.

## Donations Needed!

Animal Control is currently in need of the following:

- Dry Kitten Food
- Hotdogs
- Canned Pumpkin
- Large Dog Weight Scale
- Laundry Detergent, Dish Detergent, Bleach
- Clumping Cat Litter
- Black Kongs/Dog Enrichment Toys
- Buckle Collars (medium and Large)

## Adoptable Cat-Penny!

Penny is one of the sweetest cats we have ever met. She loves human attention and is happy to be with or around people. She came in as a stay with a litter of kittens. Penny was a great mom, despite being only 12 months old. She did her job and thankfully she is now spayed so she wont be having anymore litters of kittens. She also had some pretty bad ear mites, so we treated her and she healed quickly. She is simply a beautiful cat inside and out. We would love to see her get adopted and be able to be a young happy cat.

## Shout Outs and Thank You's!

We're thankful for all the wonderful people that come in on a regular basis with donations of food, toys, recyclable cans, and other items on our wish list. This month, we have a special shout outs for folks that went above and beyond.

Thank you Jewel-Osco of Yorkville for donating pet food and supplies!

Thank you Ace Hardware of Sugar Grove for donating pet food and supplies!

Big shout out to Jon Rizzi & Eagle Scouts Troop 12 for completing their landscaping project of our grounds. Among the improvements made were shrubs planted, new pavers, flower decorations, rock garden, edging and mulch. Thank you for doing an amazing job! Big thanks also to local businesses who donated supplies & lunch.

## Rescue Tails

On May 14, 2016 "Shorty", a handsome 10 month old Pit Bull Terrier mix was surrendered by his owner to our shelter due to a skin allergy. We treated Shorty, placed him on a grain free diet and his condition began to improve. Soon afterwards, we had him neutered, got him up to date on his vaccinations and placed him up for adoption. Shorty acted very much like the big puppy he was, but lacked training. He loved people and was very good with dogs, so understandably he craved attention but this caused him to have anxiety. Sadly, as the weeks passed, Shorty became more and more a anxious in the kennel environment. He started to jump up and be very mouthy with his handlers. We decided the best thing for Shorty was to try and get him to a rescue who could get him in to a foster home so he could receive special attention and training. Emails were sent to every rescue we work with, pleading for someone to help Shorty. The first week of September, we finally got a response from a nice lady named Penny at Paws Up 4 Rescue who offered to take Shorty. On September 7, 2016, Shorty was picked up by Penny and was his way to his new foster home. Shorty is doing well in a foster home he shares with another dog. He is currently up for adoption.

Kendall County Animal Control is the County agency responsible for the enforcement of the state statutes governing rabies control in domestic companion animals. The State of Illinois requires that all dogs be vaccinated against rabies by a licensed veterinarian. Compliance with this law is monitored through the issuance of rabies tags for all dogs residing in the County. All dogs are required to wear their rabies tags when off of the owner's property. If a pet is lost, rabies tags also provide an excellent means of identifying your pet.

Kendall County Animal Control enforces the County's ordinance that prohibits dogs from running at large in unincorporated, residential areas. Animal Control also reports animal bites as well as pick up stray dogs that are in a contained area. Stray dogs may also be brought to the facility during business hours. Dogs and cats are available for adoption at our facility.

## September Summary

There were many memorable moments in September. Among our favorites were "Ajax" and "Stevie" who were adopted the same day! Cute little Ajax went home with his new doggie brother on on 9/23/16. Sweet little Stevie went home with her new Dad also on 9/23/16. Here is a quick breakdown of Kendall County Animal Control's numbers for the month of September:

- Dogs reunited with their owners: 7
- Dogs adopted: 3
- Dogs placed with rescue groups: 2
- Cats reunited with their owners: 0
- Cats adopted: 3
- Cats placed with rescue groups: 5

Stevie going home with her Dad.

Ajax going to his forever home.
