# LEGISLATIVE SUMMARY

99TH ILLINOIS GENERAL ASSEMBLY

# 2016

ILLINOIS ASSOCIATION OF COUNTY BOARD MEMBERS

413 West Monroe  
Springfield, Illinois 62704  
[www.ilcounty.org](http://www.ilcounty.org)

November 2016

The 99th Illinois General Assembly is nearing conclusion. This summary report includes bills that were approved by the General Assembly that either affect, or are of interest, to county governments as of November 8, 2016. The synopsis of each bill is extremely brief and may not encompass the full content or impact of the legislation. For full meaning, you can obtain “enrolled” bill text on the Illinois Legislative Information System website at [www.ilga.gov](http://www.ilga.gov).

The Illinois Constitution provides that each bill passed by the General Assembly shall be presented to the Governor within 30 days of its passage. The Governor has 60 days from that date in which to act on a bill by either signing it into law, amending it, or vetoing the bill in its entirety. If the Governor chooses not to act on the legislation it automatically becomes law after the 60 day period. Public Act numbers are included in this report for bills already signed into law by the Governor. Measures that are amended or vetoed may be considered by lawmakers during a continuous session, Veto Session (*if scheduled*) or as special sessions may be called.

We want to thank the IACBM legislative committee and all of our members who stayed involved with these important issues and who took the time to share their views with state lawmakers. There is still much work to be done in the coming year concerning county government policy. We will continue to keep you informed of important information as it is made available.

If you have questions about any legislation or statute please contact the IACBM office. We welcome your comments and suggestions.
