Dear Editor,

May is National Preservation Month; a time to celebrate our shared heritage. Kendall County is blessed to possess a rich history. This history shapes our identity and is essential in defining our County's character and values.

In an effort to celebrate our shared history, we are excited to announce that the Kendall County Historic Preservation Commission will have a booth on Saturday, June 17<sup>th</sup>, from 10-8, at the Prairie Fest Expo in Oswego. We will be joined by other historical groups in the County. We hope you will stop by our booth and find out more about our great history and how you can get involved.

The Kendall County Historic Preservation Commission was established to influence comprehensive historic preservation planning within the County and to recognize, support and protect the quality of life enjoyed by the residents. The Historic Preservation Commission uses the technical standards issued by the Department of the Interior which produces reliable, understandable, and up-to-date information for decision-making related to the identification, evaluation, and protection/treatment of historic resources. The Historic Preservation Commission is composed of 5 volunteers appointed by the County Board Chairman with the approval of the County Board and meets the 3<sup>rd</sup> Wednesday of the month at 7:00 p.m. in the County Administration Building on Fox Street in Yorkville. Our meetings are open to the public and we invite anyone interested in Kendall County history to attend our meetings.
