Items Worthy of notice to the County Board:

Family Violence Coordinating Council grant for the new state fiscal year is ready for approval and signatures. This is the second year for the grant which is between the State of Illinois Criminal Justice Information Authority and the 16th and 23rd Judicial Circuit. Kendall County serves as a fiscal agent only. The expenditures are equal to the revenue. Should the revenue amount decrease as it relates to the passing of the state budget, so too would the expenditures.

On May 23rd the General Assembly adopted the state budget with full funding for the Illinois Supreme Court. Part of that budget is full funding for **probation officer reimbursements** for the counties. This is good news for Kendall County as we converted some of the fully county funded positions last year to reimbursable positions, We should receive our appropriations letter from AOIC sometime in late July or August. It is worth noting that during the appropriation hearings, legislators expressed the need for a robust probation/pretrial division as the focus on reducing the numbers of those incarcerated increases.
