- *Continued Discussion of an Amendment to the County Board Rules of Order Updating County Board Standing Committees* – This was a continuation from the last meeting, and the committee reviewed the suggestions presented by Member Gilmour regarding Standing Committees.

The Committee discussed the different committees, the need for meeting monthly or meeting as needed; and the fact that often the same information is given two or three times to Board members, as they are involved in various meetings.

Suggestions included:

1. Combining Animal Control and Health & Environment Committees, renaming the new committee to Health & Community Services
2. Designate Labor & Grievance Committee meetings “as when needed”
3. Eliminate the Law, Justice & Legislation Committee since the LJI reports can be given at the Committee of the Whole or County Board meeting
4. Make an effort to equally distribute the membership on the 7 standing committees

Discussion on the need for more communication in Committee of the Whole meetings, and County Board meetings to ensure that all ten Board members are aware of various issues and better prepared for decision making and voting. There was also the suggestion of more communication between Board members regarding items that come out of various committees.

PART C – BIDDING PROCESS

1. COMMUNICATION WITH BIDDER/OFFERORS

County Officers and employees shall take care to limit communication with bidders/offerors during the solicitation process so that the integrity of the competitive solicitation process is maintained. All representatives of the County shall avoid any activity that would constitute interference with contract submission and award under the Criminal Code, 720 ILCS 5/33E-6. If it is determined that a bidder/offeror received an unfair advantage from information obtained through prohibited sources or under prohibited circumstances, the solicitation may be canceled, or the bidder/offeror disqualified from participation in that solicitation request.

2. INVITATION FOR BID AND/OR REQUEST FOR PROPOSAL DOCUMENT ADDENDA AND QUESTIONS

Once the invitation for bid/request for proposal has been issued, all questions regarding that document shall be submitted in writing to the Department Head who is responsible for seeking the services/materials. Any and all addenda shall be issued by the Department Head pursuant to any alterations required in the bid document and shall be sent to all bidders. If it is determined that a bidder/offeror received an unfair advantage

from information obtained through other departments or agencies, the invitation for bid or request for proposal may be canceled.

3. BID SECURITY/BONDING REQUIREMENTS

Bid security and bonding shall conform to State law at all times and the following shall be applied unless state law dictates further/alternate bonding requirements:

- a. Requirement for Bid Security: Bid security may be required for contracts when provided by statute or when the appropriate County Contracting Authority determines it is in the County's best interests. Kendall County expressly disclaims all liability for such disclosure, regardless of whether such disclosure is required by the Illinois Freedom of Information Act.

PART D – PARENT COMMITTEE & COUNTY BOARD AGENDAS

The department head seeking that a purchase be made under this ordinance shall be responsible for ensuring that the details of the purchase are properly disclosed pursuant to the Open Meetings Act (5 ILCS 120/1 *et seq.*) for inclusion in the appropriate agenda prior to seeking approval by the respective Parent Committee and/or the County Board. Failure to properly post sufficient information to reasonably advise the public of what the public body will be voting upon (including the contracting parties, dollar amounts, time duration and products/services contracted for) in an agenda shall be grounds for denial of the purchase request until such a time as the Open Meetings Act is properly complied with.

PART E – PUBLIC ACCESS TO PROCUREMENT INFORMATION

Procurement information shall be public records subject to the exceptions to disclosure as provided for in the Illinois Freedom of Information Act (5 ILCS 140/1, *et seq.*). Such records shall be available to the public as provided for by Kendall County policies implementing said Act.

this ordinance is applicable and not adhered to. Unauthorized purchases are void, and the County shall not be obligated to pay for unauthorized purchases. The individual making an unauthorized purchase may incur a personal obligation to the vendor or to the County for the expense incurred even though the materials or services are used for County business. In addition, the employee/person(s) responsible may be subject to disciplinary actions or civil/criminal penalties as dictated by law.

ARTICLE II --SOURCE SELECTION AND CONTRACT EXECUTION

- b. Condition of Use: These purchases are limited in frequency related to individual commodities and services. Contract requirements shall not be artificially divided or done in a string purchasing manner so as to constitute a small procurement or evade the competitive procurement requirements for amounts in excess of \$10,000.00.
- c. Authority: The appropriate Department Head, the Coroner, or the Sheriff is authorized to purchase, when the Department Head, the Coroner, or the Sheriff determines it is in the best interest of the County, materials, supplies, equipment, services, construction and construction related services in amount at or below \$10,000.00.

The Department Head shall obtain quotations/proposals from at least three (3) vendors. If it is not feasible to obtain 3 quotes, or a sole source procurement is necessitated, a memorandum must be drafted by the requesting department's head explaining the reasoning and then submitted to the County Administrator or Engineer for review.
- d. **Evaluation Factors:** Evaluation factors which may justify an award to a vendor who has not provided the lowest quotation include, but are not limited to delivery, quantity, and quality requirements and past vendor performance.
- e. **Award:** Except as otherwise provided herein, the County Administrator and Engineer are both authorized to award a contract to the vendor offering the quotation/proposal that meets the specifications and that the County Administrator/Engineer determines is in the best interest of the County. Whenever it is determined that it is in the County's best interest to award a purchase contract to a vendor who did not submit the lowest responsible quotation/proposal, the reason for the determination shall be indicated in a memorandum and retained with the contract. The memorandum must document the appropriateness of the requested procurement process and approval given. Adequate records to document the competition solicited and the award determination made shall be retained with every contract awarded.
- f. The County Administrator or Engineer is authorized to sign any contract or agreement at this procurement level, after receipt of all the contractually required documentation.

The Invitation for Bid shall set forth the evaluation criteria to be used. No evaluation criteria, other than those necessary to determine a Responsible Bidder, may be used unless set forth in the Invitation for Bid. Alternative bids may be considered and accepted only if they are specifically provided for in the Invitation for Bids and meet the evaluation criteria set forth.

- h. Contract execution: All purchases made at this procurement level must be made in accordance with the Kendall County Board procedures and such contracts must be signed by the Kendall County Board Chair.

5. SOLE SOURCE PROCUREMENT

Notwithstanding the above, a contract that would otherwise be subject to County Administrator and Engineer Approved Procurements as set forth in Article II 2 above or to County Board Level Procurements as set forth in Article II 3 above may be awarded where the County considers only one supplier because that supplier is a sole source. A sole source may exist in situations when materials, supplies, equipment, or services are available from only a single supplier/contractor or when only one supplier/contractor is deemed economically feasible.

If it is determined that sole source procurement must be utilized for a purchase greater than \$10,000.00 but no more than \$30,000.00, the Department Head shall prepare supporting documentation for review by the County Administrator or Engineer for approval. Whenever the County Administrator or Engineer determines that a purchase must be made through sole source procurement, the basis for this determination shall be detailed in writing and retained with the contract.

The contract shall be approved by the County Administrator or Engineer, for purchases greater than \$10,000.00 but no more than \$30,000.00, or by the County Board, for purchases greater than \$30,000.00.

County Board level purchases of such equipment and services shall be processed as set forth in XXXX, but the lower threshold for County Board level procurement shall be \$35,000.00.

9. EMERGENCY PROCUREMENTS

An emergency, allowing for an emergency procurement, shall be defined as an imminent disruption of essential operations or conditions adversely affecting the safety, health or security of persons or property, where it is impractical to remedy such disruption or conditions through the use of normal competitive bidding procedures.

As has been authorized by 55 ILCS 5/5-1022, in emergency situations, the County Board Chair shall have the authority to waive the bidding and advertising requirements/procedures otherwise set forth in this Ordinance and to effect procurements in excess of the amount otherwise provided in this section and state statutes, pursuant to the following procedures:

- a. For purchasing emergencies in excess of \$10,000.00, the Department Head requiring such purchase shall submit a written and signed request to the County Board Chair and County Administrator in a timely manner, and detail the basis to declare that an emergency purchase is necessary.
- b. Emergency purchases shall be limited to those materials, supplies, equipment, services, construction and construction related services necessary to satisfy the emergency.

- c. The County Board Chair's determination of an emergency existing and the basis relied upon shall be memorialized in writing.

Such cooperative purchasing may include, but is not limited to, joint or multi-party contracts between such government units and open-ended state procurement contracts, which are made available to other government procurement units after having been bid by another government procurement unit where required.

When Joint Purchasing is being utilized, Article II (A)(1)-(4) requirements of this Ordinance shall not be applicable. Instead, the requesting department shall follow the statutory requirements of 30 ILCS 525/1 *et seq.*, as well as any other applicable statutes. Such purchases must be approved by the County Board.

11. PROFESSIONAL SERVICES SELECTION PROCESS

There will be circumstances where it will be necessary or advisable for Kendall County to engage the services of independent professionals because of the County's need for such services as determined on a project-specific basis. In such cases, it shall be the goal of the County to negotiate the lowest reasonable fees consistent with obtaining the highest possible quality of service and expertise from the professional service providers. To effect this, the following shall apply:

- a. Types of professional services to be covered include: Engineering, Architects and Land Surveyors. These services require mandatory or essential technical skills provided by accredited professionals or quasi-professionals in connection with a defined assignment, which result in the preparation of a report, specifications or recommendation of a particular

course of action, and may include supervision of an activity (such as construction).

- b. Whenever a project requiring architectural, engineering or land surveying services is proposed for the County, it shall proceed to obtain such services in accordance with the Local Government Professional Services Selection Act (50 ILCS 510/1 *et seq.*), unless it already has an existing satisfactory relationship for such services with one or more firms. The selection of these services is excluded from the standard competitive bidding selection process and shall instead comply with 50 ILCS 510/1 *et seq.*
- c. Providers of these services shall be selected in accordance with the Local Government Professional Services Selection Act (50 ILCS 510/1 *et seq.*) as it may be amended from time to time. As such, professional service providers shall be selected on the basis of their demonstrated competence and expertise relative to the services to be rendered, their qualifications, their willingness to meet time requirements, their firm's workload, their demonstrated or perceived ability to work with County staff and elected officials and/or the reasonableness of the cost of their services.
- d. The engagement of an independent professional service shall be based on a determination by the requesting department head that it is necessary for at least one of the following reasons:
 - 1. The project requires an independent professional as a condition of Federal, State or local law or regulation, or as a condition of a Federal, State or other grant or intergovernmental agreement;
 - 2. The project requires specialized expertise or multiple areas of expertise not available from existing staff;
 - 3. County staff is not available for the project due to present or anticipated workload or other time constraints;
 - 4. The project requires a limited engagement where it is not cost-effective to hire new full-time staff to provide the necessary services or expertise;
 - 5. An actual emergency exists where existing staff cannot effectively be deployed or mobilized due to the nature of the occurrence or time constraints.

Such determination by the appropriate department head shall be in writing and kept with the subsequent contracting documents.

- e. Professional Services agreements not expected to exceed \$9,999.99 may be entered into by the requesting Department Head. Professional Services agreements at or above \$10,000.00 and not expected to exceed \$30,000.00 may be entered into by the County Administrator and Engineer. All professional services agreements for amounts over \$30,000.00 shall only be entered into by the Kendall County Board.
- f. The Kendall County Board may enter into Master Agreements for professional services with those firms with which it has a satisfactory relationship. Following the creation and approval of such Master Agreements, any Task Orders to be issued for services covered by the agreement may be entered into as directed by Article II(A)(11)(e) above.
- g. Performance Criteria: Upon completion of each contract over \$25,000, the department involved shall prepare a written evaluation of the consultant's performance. The details of the evaluation shall be consistent with the cost and complexity of such assignments. Administrative Services will maintain a record of such evaluations for the use of all departments when selecting future professional service/consultants. No consultant shall be awarded subsequent contracts unless the using department has submitted a satisfactory evaluation to Administrative Services.

12. COST PLUS PERCENTAGE CONTRACTS

Cost plus percentage of cost (CPPC) contracting shall not be used.

PART B – RESPONSIBILITY OF BIDDERS AND OFFERORS

- bidder/offeror's financial responsibility;
- experience of the bidder/offeror;
- adequacy of equipment and ability to complete performance within a specific time;
- whether the bidder/offeror is legally qualified to do business with the County;
- the qualities of the articles supplied, their conformity with the specifications, and their suitability to the requirements of the county;

- the uniqueness of the service, materials, equipment, or supplies as it applies to networked, integrated computer systems;
- compatibility to existing equipment; and
- the delivery terms.

2. DECISION TO DECLARE NON RESPONSIBLE

If the County determines a bid is non-responsible, the basis for that determination shall be made in writing and be made part of the contract file.

PART C - CONTRACT ADMINISTRATION

1. CONTRACT ADMINISTRATION

A contract administration system is designed to insure that the contractor is performing in accordance with the terms and conditions of the contract. Contract administration results may be utilized by the Parent Committee Chair(s), Administrative Services and County Board for vendor evaluation. To that end:

- a. It is the using department's responsibility to match contract terms and prices with invoices, and to otherwise monitor compliance with the contract terms. The using department is also responsible to determine the imminent need for, and to begin processing, a change order where appropriate.
- b. Payment must be identified to an existing contract, task order or purchase order.

2. COUNTY PROCUREMENT RECORDS

All determinations and other written records, notes of telephone conversations and notes of other oral conversations pertaining to the solicitation, award and performance of a contract shall be maintained for the County in the procurement records of the respective Department for which the procurement is made.

PART D – AUTHORIZATION, REVIEW AND APPROVAL PROCESS

1. AUTHORIZATION TO INITIATE BIDS OR OTHER SOLICITATIONS

Each Department Head, the Sheriff, the Coroner, and a Parent Committee may initiate bids or other solicitations for any materials, supplies, equipment, services, construction and construction related services for which they deem are necessary.

2. FISCAL RESPONSIBILITY

Prior to the issuance of any purchase order, contract, task order, change order or contract modification, the Department Head shall certify that sufficient budgeted funds are available.

3. LEGAL REVIEW OF CONTRACTS

Prior to award, the Department Head, County Administrator, County Engineer, or County Board Chair may request the State's Attorney's Office to review a contract. This review shall not be required when the form and content of the contract documents have previously been approved by the State's Attorney's Office.

4. MULTI-YEAR CONTRACTS

The County's policy on multi-year contracts includes the following:

- a. All multi-year contracts presented for approval shall contain the total value of the award for the multi-year period in order to determine whether the contract is subject to competitive bidding requirements.
- b. Only the current fiscal year portion shall be encumbered.
- c. All multi-year contracts that exceed a total term of two (2) years must be presented to and approved by the County Board.

5. CONTRACT RENEWALS

Contract Renewal may occur to effectuate a continuation for an additional period under the original terms and conditions of a contract, where the renewal clause is included in the solicitation and the original contract. If the original contract does not include the terms and conditions of a renewal, any continuation of the contract is considered a new contract, which must be re-bid or otherwise newly approved pursuant to the conditions of this ordinance.

The following rules, as well as those that may arise by statute, govern contract renewals:

- a. All contracts that contain an optional renewal clause shall be presented to the appropriate purchasing authority, based on the total dollar value for the initial period of award, as outlined above for approval.
- b. All subsequent requests for contract renewals shall originate from the using department in the form of a written request indicating the desire for the renewal, the subsequent renewal term, and the total dollar value for the renewal period.
- c. The request shall be submitted to the appropriate purchasing authority at least sixty (60) days prior to the expiration date of the current period or sooner if an earlier renewal notice is required by the contract.
- d. The appropriate purchasing authority will submit the necessary correspondence to the contractor in order to execute the renewal.
- e. All renewals shall be for the time period specified in the original contract document or shorter.
- f. All contracts containing renewal clauses that exceed a total term of two (2) years must be presented to and approved by the County Board.

6. CHANGE ORDERS AND CONTRACT MODIFICATIONS

- b. For a contract originally approved through the Department Level Procurement process, if the total purchase amount, including any proposed changes, does not exceed \$10,000.00, the appropriate Department head is authorized to approve the change order/modification. (510 ILCS 92/) Illinois Public Health and Safety Animal Population Control Act.

(510 ILCS 92/1)

Sec. 1. Short title. This Act may be cited as the Illinois Public Health and Safety Animal Population Control Act.
(Source: P.A. 94-639, eff. 8-22-05.)

(510 ILCS 92/5)

Sec. 5. Findings. The General Assembly finds the following:

(1) Controlling the dog and cat population would have a significant benefit to the public health and safety by aiding in the prevention of dog attacks, reducing the number of dog and cat bite cases involving children, and decreasing the number of automobile accidents caused by stray dogs and cats.

(2) Increasing the number of rabies-vaccinated, owned pets in low-income areas will reduce potential threats to public health and safety from rabies.

(3) Controlling the dog and cat population will save taxpayer dollars by reducing the number of dogs and cats handled by county and municipal animal control agencies. Targeted low-cost spay or neuter programs for dogs and cats in select Illinois counties and other states have proven to save taxpayers money.

(4) This Act is established to provide a variety of means by which population control and rabies vaccinations may be financed.

(Source: P.A. 94-639, eff. 8-22-05.)

(510 ILCS 92/20)

Sec. 20. Program established. The Department shall establish and implement an Illinois Public Health and Safety Animal Population Control Program. The purpose of this program is to reduce the population of unwanted and stray dogs and cats in Illinois by encouraging the owners of dogs and cats to have them permanently sexually sterilized and vaccinated, thereby reducing potential threats to public health and safety. No dog or cat imported from another state is eligible to be sterilized or vaccinated under this program. (Source: P.A. 100-787, eff. 8-10-18.)

(510 ILCS 92/25)

Sec. 25. Eligibility to participate. A resident of the State who owns a dog or cat and who is eligible for the Food Stamp Program or the Social Security Disability Insurance Benefits Program shall be eligible to participate in the program at a reduced rate if the owner signs a consent form certifying that he or she is the owner of the dog or cat or is authorized by the eligible owner to present the dog or cat for the procedure. An owner must submit proof of eligibility to the Department. A resident of this State who is managing a feral cat colony and who humanely traps feral cats for spaying or neutering and return is eligible to participate in the program provided the trap, sterilize, and return program is recognized by the municipality or by the county, if it is located in an unincorporated area. The sterilization shall be performed by a University of Illinois College of Veterinary Medicine veterinarian or supervised veterinary student. The co-payment for the cat or dog sterilization procedure and vaccinations shall be \$15. (Source: P.A. 100-787, eff. 8-10-18.)

(510 ILCS 92/35)

Sec. 35. Rulemaking. The Director shall adopt rules relative to:

- (1) Other immunizations covered.
- (2) Format and content of all forms required under this Act.
- (3) Proof of eligibility.
- (4) Administration of the Fund.
- (5) The percentage of fines to be allocated to education of the public concerning spaying and neutering of dogs and cats.
- (6) Any other matter necessary for the administration of this Act.

(Source: P.A. 94-639, eff. 8-22-05.)

(510 ILCS 92/40)

Sec. 40. Enforcement; administrative fine. Any person who knowingly falsifies proof of eligibility for or participation in any program under this Act, knowingly furnishes any licensed veterinarian with inaccurate information concerning the ownership of a dog or cat submitted for a sterilization procedure, or violates any provision of this Act may be subject to an administrative fine not to exceed \$500 for each violation.
