6 Year Sentence for Delivery of LSD

Kendall County State's Attorney Eric Weis announced that Nicolas J. Pouncy (dob: 03/27/2000, 900 Cedar Ridge Lane, #210) of Richton Park, Illinois was sentenced to 6 years in the Illinois Department of Corrections by the Honorable Robert Pilmer on the charge of Unlawful Delivery of a Controlled Substance, a Class X Felony, in a negotiated plea agreement last week.

According to Weis, Pouncy had delivered over 15 hits of LSD to an undercover police officer working with the Kendall County Police Assistance Team back in December of 2018. As the investigation unfolded, an arrest warrant was issued for Pouncy in February of 2019. Pouncy was quickly apprehended and has remained in custody since that time.

Pouncy was/is facing other charges in Will and Grundy counties at the time of his arrest, and those matters, along with the recent pandemic, contributed to the delay in bringing a final resolution to the Kendall matter.

Pouncy will serve three years of mandatory supervised release upon completion of his sentence in the Illinois Department of Corrections. The case was prosecuted by Assistant State's Attorney Frank Gorup. Pouncy was represented by Brian Erwin.
