- b. **Corrections Division – Written January, February and March reports provided.** Sheriff Baird reported that one inmate with very high prescription costs was scheduled to be moved to the Department of Corrections, but the DOC refused the transfer, leaving Kendall County to continue care of the inmate, and continued high prescription costs for the inmate.

Due to Covid-19 and delays in classes for basic law enforcement and a waiting process, etc. they have opted to proceed with lateral transfers of certified police officers with another law enforcement agency, which was negotiated in the union contracts. They hope to begin testing and filling some of those vacancies very soon.

Discussion of the ramifications of such restriction and actions the County can consider.

Member Koukol made a motion to forward the approval of a Resolution Calling for the Governor and General Assembly to Protect Local Control of Zoning and Land Use to the April 20, 2021 County Board meeting for further discussion and final approval, second by Member Rodriguez.

ROLL CALL VOTE

Committee Member	Vote
Ruben Rodriguez	Yes
Judy Gilmour	Yes
Dan Koukol	Yes

With three members present voting aye, the motion carried. This item will be sent to the County Board for further discussion, approval and action.

- *Discussion of HB 1727 "The Bad Apples in Law Enforcement" Accountability Act – Sheriff Dwight Baird began by stating that this bill was introduced to take away the qualified immunity from law enforcement officers that was proposed in HB 3653, it was stricken from that bill and a Task Force to be formed and charged with providing a report to the Governor by May 1, 2021 on qualified immunity. It passed out of committee by 4-2. Sheriff Baird stated that he understood that some of our local representatives would not be supporting HB 1727.*

States Attorney Eric Weis said this was taken out because there weren't enough votes to pass. Mr. Weis stated that Qualified Immunity is not what is generally perceived as "a solve all solution", but actually means that if a police officer commits a crime that causes them to be prosecuted for willful and wanton action, they are not covered by insurance. Mr. Weis stated that qualified immunity protects local government entities when an officer does something that is not willful and wanton misconduct. Eliminating qualified immunity will mean that the law officer and the governmental entity can now be sued for the actions that the law enforcement officer was prosecuted for. This will not make police offices more accountable, but it will mean taxpayers will be forced to pay more for additional lawsuits, trials and prosecution.

Discussion on the possibility of raising taxes for nuisance suits to support this type of bill, insurance rate increases for the payment of additional claims for wrongful detention or seizure, and the potential need for self-protection by law enforcement officers.

The County will continue to monitor and discuss this bill as it proceeds through the House.

Kendall County Circuit Clerk Report

April Update: In the month of April, the Circuit Clerks Office welcomed 1 new employee, and had 1 employee leave. The Circuit Clerks Office has started training for the new Manual of Recordkeeping changes. These changes among other filing changes will need to be implemented by 1/1/2022. We have already implemented the tax cases changes which is why there are significant increases in the number of TX cases. One side effect of the changes is that it will adversely affect the numbers of criminal/traffic cases downwards as we will be having to work from the new hierarchy of cases.

In addition, the office is complying state statutes which mandate we share information on juvenile offenders with University of Illinois and the Juvenile Justice Commission.

These counts would indicate a Schedule 13 assessment in the Offense Code Table or equivalent local ordinance, or may be locally enacted by a municipality or county ordinance, e.g. parking, zoning, etc.

o(1) *Note - if your case management system supports multiple counts on cases, please additionally provide the number of cases filed where the most severe offense carries a Schedule 13 assessment.*

Criminal and quasi-criminal **assessment** schedules imposed

2 For offenses assessed during the reporting period (regardless of when it was filed).

Please count the schedule as "imposed" even if it was 100% waived. If your CMS is not able to do that, please indicate on the report.

- a. For each schedule assessed, report how many of the schedules were imposed.
- b. For each case with a schedule assessed, report the total of fines that were also imposed on the case.
- c. For each case with a schedule assessed, report the number of 25%, 50%, 75% and 100% fee waivers that were granted. (*Note that waivers can be granted for boating/snowmobile OUI offenses, which might result in waived amounts for Schedules 2 and 6.*)
- d. For each of the conditional assessments ordered pursuant to Section 15-70, please record the number of times, they were imposed, and the total amount imposed per schedule.
*** *Note - the Emergency Response Conditional Assessments do not need to be separated by DUI, Drug, or Traffic. One number can be reported.*
*** *Note - the SA or PD Records Auto funds might not be relevant on Schedule 13.*

Criminal and quasi-criminal **assessment** schedules imposed; For each Schedule:

Note: these numbers only refer to cases sentenced under the "new" CTAA, rather than the "old" fines and costs

model.

3

Report the number of offenses for which a Schedule Assessment was collected, or partially collected. This includes any partial payment disbursed under a Schedule.

Report the number of offenses for which any amount of punitive fine was disbursed for offenses that were sentenced to a Schedule, even partial disbursements to the fine.

Report the amount of punitive fines disbursed for all the offenses sentenced to a Schedule, even if the Schedule Assessment itself was waived.

Fund Disbursement(*) Reporting

[Return to \(b\)\(3\)](#)

Report how much was distributed to each fund in the list, for all offenses sentenced to a Schedule using the Criminal and Traffic Assessment Act. *Note - not the "old" way under the fines and costs model.*

Column 1: Number of cases with full or partially paid schedule assessments.

() Please report the amounts distributed to the funds even if the funds have not been disbursed, i.e. even if the checks have not been cut to disburse the funds.*
