Discussion

Holmberg reviewed upcoming dates.

July 1, 2021 is the dead line for FY22 grant applications. To date, 13 agencies have requested application forms.

August 25, 2021 is the hearing for grant applications. 708 members are asked to arrive at 8:00am at the KCHD. Presentations will begin at 8:15am.

Agency visits should be completed if possible before the August 25 meeting. Members may choose to visit in person or by phone with their assigned agencies. As we wish to develop more content for the 708 FB page, photos of the agency could be shared on our web site.

Pastore updated the 708 board on the progress of the two needs assessments she and Conover have developed. The *Agency Needs Assessment* and the *Community Needs Assessment* are ready to be launched once a press release is finalized. Pastore requested that Holmberg assist with the press release. Conover offered to assist as well. The press release will be sent to all board members for a final review.

Volunteers have created a data base of agencies who will be sent the assessment. Pastore plans to reach out to community organizations such as mother's groups or senior groups. It is hoped that 100 responses will be gathered.

Meeting was adjourned at 6:01pm.

Respectfully Submitted,
C Mundsinger
(temporary secretary)
