20 Historic sites to be marked

Kendall County Record

July 1, 1976

Plaques will be placed at 20 locations in Kendall County this year marking important spots in county history.

In Yorkville, a plaque will be placed on the lawn of the County Office Building marking the spot the time capsule is buried.

The site of the first Kendall County Courthouse will be marked with a plaque. The home of Mr. and Mrs. Jesse Ketchum now stands on the property at the northeast corner of State Street and Fox Road in Yorkville. A private dwelling on the site was rented shortly after Kendall County was formed in 1841. At the time, \$30 was set aside for fitting up the courthouse. The original building consisted of a brick basement and a frame second story. It was tom down in 1898. That first courthouse, which housed county government until 1845, was the scene of the county's first murder trial and also the only slave auction in the county.

A plaque honoring the first mill in the county will be placed in the Yorkville City Park where that mill's stone now sits. The mill was started by John Schneider in 1834 along the Blackberry Creek.

The Yorkville Congregational Church, West Center Street, Yorkville, will be marked with a plaque as the oldest standing church in the county. The church traces its history back to early settlers in Pavillion in 1834. The present sanctuary of the church was dedicated in June 1855.

A plaque will also be placed on the Kendall County Record building, 222 S. Bridge St., Yorkville. It is the oldest existing business in the county. John R. Marshall printed the first issue of the Record on May 7, 1864 in the building, which now houses the Variety Shop. In 1868, he built the present building. Marshall's son, Hugh, and grandson's, John and Robert, published the paper until 1966, when it was sold to Howard Pine. Present owners are Jeff and Kathy Farren. Among early items in the Record were Civil War news and black-bordered pages announcing the assassination of President Abraham Lincoln in April, 1865.

A plaque in Oswego will mark it as the oldest village. It was laid out in 1835 by L.F. Arnold and L.B. Judson, who planned to name it Hudson. The name was changed in a vote by early settlers, some of whom were from Oswego, N.Y.

Oswego was the county seat from 1845 to 1864. Petitions had been sent to the state legislature asking for the change in January 1845 and in an election Sept. 1, 1845, Oswego received a majority of the votes for county seat. A contract was let to Luke W. Swan for the construction of a courthouse there, which was paid off in 1852. By 1859,

pressure grew to move the county seat to a more central location and in 1862 a site in Yorkville was chosen. The move was completed in 1864 after which the Oswego courthouse building was used as a village hall and later a school. Now the site is the location of the post office, bank and city park. Both Oswego plaques are at this site.

Two Indian reservations will be marked with Boulders, the Waish-kee-shaw in NaAuSay and Mo-ah-way in Oswego Township. Waish-kee-shaw, a Potowatomi, was the wife of David Laughton who it is believed settled in the county about 1828. She was granted one and a half section at or near the source of the Aux Sable Creek in an 1829 treaty. Mo-ah-way was granted one quarter section adjoining the north edge of Waish-kee-shaw land in the same treaty. There is no information available now on Mo-ah-way, but it is believed that the name was a woman's.

The Chicago to Ottawa Trail will be marked with a plaque on the Ray Vickery farm on Chicago Road in Seward Township. This stagecoach route was established by Dr. John L. a weekly stage from Chicago to Galena through Little Rock. That route "is marked with a plaque on the Charles O. Smith property on Galena Road.

The home of Jean Morrison, Joliet Road, Lisbon, will be marked with a plaque, as it was once a stagecoach stop.

The V. F. W. hall in Plattville site will be marked as the site of the National Guard Armory.

Representatives of the Underground Railroad In Kendall County who lived in Lisbon will be commemorated at the Lisbon Grade School. Some of the early families believed to have worked on the underground were Bushnell, Kendall, Hills, Russell, Kellogg, Holderman, Sherrill, Wright, Caton and Moore families.

A plaque to mark the site of the first settlers' cabin, built by Robert Beresford, will go on the Gerald Vogen farm In Section 31 of Big Grove Township, in the far southwest corner of the county. Beresford arrived in the county in 1826 and settled In Holderman's Grove.

Another plaque has been dedicated at the Pearl Coomer home, 102 Van Buren in Newark, the site of the first store in the county. The store was opened by George Hollenback in 1831. Called Hollenback's Trading Post, it was burned down during the Blackhawk War.

The first schoolhouse in the county was opened in a log cabin at Pavillion in 1834. Classes were taught by C.B. Alvard. The plaque to mark this first school will be at the site of Pavillion.

A plaque will be placed on the Plano Molding building in Plano because the company had its beginnings in the early reaper company in the county's first factory.

WSPY's radio station will have a plaque as the county's first radio station.

The Illinois Midland Railroad, which ran for two miles between Newark and Millington
In about 1917, will be marked with a plaque.

Dear Name,

On behalf of the members on the Kendall Historic Preservation Commission, I would like to invite you to a meeting of Kendall County historic preservation organizations on **August 15, 2022**, at **6:00 p.m.** The meeting will start with a tour of the Fern Dell School at 302 Chicago Road, Newark followed by the main meeting at the Fern Dell Museum at 9 Front Street, Newark.

The purpose of this meeting is to explore collaborative opportunities between historic preservation groups in Kendall County and to receive updates on the activities of local historic preservation groups.

In May 2022, Kendall County received notification that it had been award a Certified Local Government Grant to conduct a historic structure survey of unincorporated Kendall and Bristol Townships. A key component of this project will be the utilization of volunteers to assist the consultant on the structure survey. Ken Itle, from Wiss, Janney, Elstner Associates, Inc., will discuss this project and what to expect of volunteers that assist with the survey.

We will also have an update from attendees regarding activities at your organizations.

Please share this information with members of your boards and other parties that share our interest in historic preservation. If you have not already done so, we ask that you RSVP to Matt Asselmeier at 630-553-4139 or masselmeier@co.kendall.il.us by **August 8, 2022**.
