

COUNTY OF KENDALL, ILLINOIS
Health & Environment Committee
County Office Building
County Board Room 210

Monday, September 16, 2019 – 3:00p.m.
MEETING AGENDA

- 1. Call to Order**
- 2. Roll Call:** Judy Gilmour (Chair), Robyn Vickers (Vice Chair), Elizabeth Flowers, Scott Gengler, Tony Giles
- 3. Approval of Agenda**
- 4. Approval of Minutes from August 19, 2019**
- 5. Status Reports**
 - Board of Health
 - Health Department
 - Soil & Water
 - Water Related Groups
 - Other Reports
- 6. Old Business**
- 7. New Business**
 - *Discussion of Cannabis Related Zoning Regulations*
- 8. Chairman's Report**
- 9. Public Comment**
- 10. Questions from the Media**
- 11. Action Items for the County Board**
- 12. Executive Session**
- 13. Adjournment**

If special accommodations or arrangements are needed to attend this County meeting, please contact the Administration Department at 630- 553-4171, a minimum of 24-hours prior to the meeting time

COUNTY OF KENDALL, ILLINOIS
Health & Environment Committee
Monday, August 19, 2019
Meeting Minutes

CALL TO ORDER

The meeting was called to order by Chair Judy Gilmour at 8:30a.m.

ROLL CALL

Attendee	Status	Arrived	Left Meeting
Judy Gilmour	Here		
Robyn Vickers	Here		
Elizabeth Flowers	Present		9:40a.m.
Scott Gengler	Here		
Tony Giles	ABSENT		

OTHERS PRESENT: Steve Curatti, Kendall County Health Department; Terri Olson, Director of Community Health Services, Kendall County Health Department; Hannah Raver, Education Coordinator, Kendall County Soil & Water District; Jim Smiley, Facilities Management Director; and Amaal Tokars, Executive Director, Kendall County Health Department

APPROVAL OF AGENDA – Member Vickers made a motion to approve the agenda, second by Member Gengler. **With four members present in agreement, the motion carried.**

APPROVAL OF MEETING MINUTES – Member Flowers made a motion to approve the meeting minutes from July 15, 2019, second by Member Vickers. **With four members present voting aye, the motion carried.**

STATUS REPORTS

- **Board of Health** – Dr. Tokars said the Board will meet later in the month.
- **Health Department** – Dr. Tokars also briefed the committee on the Mental Health Forum hosted by Congresswoman Lauren Underwood, and Congressman Joe Kennedy III, held in the Kendall County Health Department on July 31st. The forum, focused on Generation Z and Millennials, included a discussion with young adults as well as mental health professionals, and provided an opportunity for community members to share personal stories and their own mental health issues and struggles, and ways Congress can improve access to care, treatment and support systems, available providers and affordable prescription medications.

Dr. Tokars reported that the Solid Waste Planning Commission will have its third meeting on August 28th, from 5:00-7:00p.m. Tokars stated that the group is working well together, and that they hope to have a new 5-year completed in early 2020.

Dr. Tokars mentioned an upcoming Health Department Workshop on Violence Prevention on September 20, 2019 from 10:00a.m. - noon. Space is limited, so those interested should contact the Health Department to reserve a seat.

- **Kendall County Soil and Water District** – Hanna Raver reported on this year’s Summer Ag program with Teachers, and shared that they are
- **Water Related Groups** – No Report
- **708 Mental Health Board** – No Report

OLD BUSINESS – None

NEW BUSINESS

- *Review of Energy Efficiency Ideas for County Departments* – Jim Smiley briefed the committee on some of the energy efficiency ideas that Facilities Management has already put into place throughout the County, including Water Filtration Systems, Electronic Bidding now available on the County webpage, Research of the Utilization of Recycled copy and Printer Paper, the Generator Program, an Energy Audit that was conducted last year, and Permeable Pavers at the Historic Courthouse and Courthouse. Discussion on the need to move away from plastic water bottles in the Board room, and the possibility of the installation of a Water Filtration System in the utility closet in the room. The committee will continue brainstorming the proposed ideas at future meetings as appropriate.

CHAIRMAN’S REPORT – None

PUBLIC COMMENT – None

ITEMS FOR COMMITTEE OF THE WHOLE – None

COUNTY BOARD ACTION ITEMS – None

EXECUTIVE SESSION – Not Needed

ADJOURNMENT – Member Gengler made a motion to adjourn the meeting, second by Member Vickers. **With three members present voting aye, the meeting was adjourned at 9:47a.m.**

Respectfully Submitted,

Valarie McClain
Administrative Assistant and Recording Clerk

Kendall County Soil & Water Conservation District Conservation Connection

Fall 2019 Sales: Fish & Trees

The Kendall County Soil and Water Conservation District (SWCD) is currently accepting orders for our Fall 2019 Fish & Tree Sales. Order forms are included with our newsletter, available on our website at: www.kendallswcd.org or by contacting our office at (630)553-5821 x3.

Fish Sale:

Triploid Grass Carp Orders Due: Wednesday, October 2, 2019

All Other Orders Due: Friday, October 11, 2019

Fish Pick-up: Monday, October 21, 2019 at 10am

Tree Sale:

Orders Due: Wednesday, October 9, 2019

Tree Pick-up: Friday, October 18, 2019

Tri-County Summer Ag Institute

This July, ten teachers attended the Tri-County Summer Agriculture Institute (SAI). SAI is held cooperatively with our program in addition to the Grundy, LaSalle, and Will County Farm Bureaus and Joliet Junior College. During the six day long course, teachers had the opportunity to see that agriculture is truly all around them and offers many more jobs than they might have imagine. Visits during the institute included, but were not limited to: Dresden Lock and Dam, Friested Dairy Farm, Clearview Pork Farm, Hinsdale Nursery, American Sugar, and Fox Valley Winery. In addition to these visits, teachers received in-services on biofuels, winder energy, and GPS. They were also presented with many free classroom resources.

Kendall County Fair

Did you visit the Kendall County Fair this year? If so, you might have seen the Kendall County SWCD staff. The theme for this year was "Celebrating Earth Day." Activities included a Circles of Earth bracelet and an Agriculture Trivia Game. Children visiting the tent were able to win prizes and collect Ag Mags.

SWCD Board of Directors:

Butch Konicek
Chair

Deanna Bazan
Vice-Chair

Scott Brummel
Secretary/Treasurer

SWCD Staff:

Saving Tomorrow's Agriculture Resources

About S.T.A.R.

- S.T.A.R. is a **FREE** state-wide tool to assist farm operators and land owners in evaluating their nutrient and soil loss management practices on individual fields. The ultimate goal is to meet the goals of the Illinois Nutrient Loss Reduction Strategy.
- *The S.T.A.R. evaluation program assigns points for each cropping, tillage, nutrient application, and soil conservation activity on individual fields. The S.T.A.R. Science Committee, made up of experts and university researchers, reviews practices to determine the points and ranking system. Higher point values are assigned to those practices that align best with the NLRs science assessment and goals and will be updated annually to reflect the most current research. The star rating for a field can be anywhere from 1 to 5 stars.*

Potential Benefits of Using This Program

- Increase net farm income
- Inspire other farmers and landowners to take action in helping to meet nutrient loss reduction goals for Illinois
- Promote a positive image of farmers and agriculture in the local community
- Decrease nutrient loss
- Promote producers for new farmland leases
- Assist producers in securing local conservation cost share
- Assist producers in securing market incentives for growing crops using conservation cropping practices
- Assist producers in obtaining documentation in support of water quality issues

Listed are some practices used in the rating system and the points that may be assigned: *

No nitrogen applied in fall or spring; use of a winter hardy cover crop; no tillage in fall or spring.

5-6 points

Soil sampling every 3 years; a crop rotation that includes a small grain.

4 points

At least 75% of nitrogen applied in spring / summer; total nitrogen minimized; at least 50% of phosphorous applied was banded subsurface.

3 points

At least 25% of nitrogen side-dressed; winter kill cover crop; use of Triple Super; VRT application; filter strips; waterways.

2 points

Crop rotation; written nutrient management plan; limited tillage.

1 point

Education Program Updates and Opportunities *(continued)*

Fall Poster Contest

Due October 18th

The year 2020 will celebrate the 50th anniversary of Earth Day! This year, the Ag in the Classroom program has chosen the theme for its annual fall poster contest as, "Earth Day." This contest is open to K-4th grade students around the county. Students are to create original posters on 8.5X11 sheets of paper. They can use markers, crayons, colored pencils, paint, etc. The title "Earth Day" must be included on the poster. Students are encouraged to show the importance of taking care of the Earth as well as what the Earth provides for us. All posters are due to Hannah Raver at the Kendall County Soil and Water Conservation District office, 7775A Route 47, Yorkville, IL 60560 by October 18th. For more information, email kendallaitc@gmail.com or call (630) 553-5821, ext 3.

Farm and Safety Camp

The Kendall County Agriculture in the Classroom program, in collaboration with the Kendall-Grundy Young Leaders and Kellogg Farms, hosted the 6th annual Farm and Safety Camp on June 16th. While at the camp, campers had the opportunity to tour Kellogg Farms, learn about farm machinery, farm animals, and crops grown in Illinois. Campers also participated in several activities including ice cream making, an agricultural obstacle course, animal trivia, and much more. It was a great day and experience for all involved! Stay tuned for the date of next years camp!

Easy Grants for the Classroom

Looking for some extra money for books or other resource materials for the classroom? Head over to www.agintheclassroom.org. To find the grants, select "Teacher Resources" then "Grants."

Illinois Ag in the Classroom has several grants available to both new and veteran teachers.

Grants are easy to apply for and to receive. All grant applications are due by October 1st. Apply for one today!

Big thanks to the Kendall-Grundy Young Leaders for putting on another amazing golf outing to support the Ag in the Classroom program. The program would not be able to do the things it does without all they do throughout the year! This past year I was able to visit 27 schools, 88 classrooms, and reach over 10,000 students!

\$Caulk is cheap. On windy days, feel around windows, doors, and exterior walls near the floor, electrical outlets or plumbing penetrations. Seal up your windows and doors with caulking and weatherstripping to ensure that you're not wasting energy on heat that escapes through leaks to the outdoors. Caulk works best on small gaps. Your hardware store should have products to close the larger gaps. Use low expansion foam product to seal larger openings.

\$Check the yellow energy label on your water heater. If your water heater is on the low end of the efficiency rating, then it is still possible to reduce fuel cost effectively by adding an insulation blanket. Insulation blankets are available at most home improvement stores and are relatively inexpensive energy efficiency solutions. (However, if the water heater is on the high end of the efficiency range, then additional insulation will probably not be of much benefit.)

\$Insulate your pipes. Add pre-cut pipe insulation to exposed pipes going into your water heater – it is cheap and easy to install. If you're starting with an un-insulated tank, the energy savings should pay for the improvements in just a few months. Seal your duct work.

\$Seal your duct work. While duct tape works well on lots of things it often fails when used on ductwork! Use duct mastic (a gooey substance applied with a paintbrush) to seal all exposed ductwork joints in areas such as the attic, crawlspace, or basement. Insulate ducts in unconditioned areas to improve your heating system's efficiency and your own comfort. Metal duct tape is another option, but be sure to clean dust from areas to be sealed.

\$Go low flow. Install low-flow showerheads and sink aerators to reduce hot water use.

\$Repair leaky faucets promptly and save both water, money, and energy

\$Use plastic window kits to insulate your windows. In the winter, storm windows can reduce your heat loss by 25% - 50%. As an alternative, you can improve your windows temporarily with plastic sheeting installed on the inside.

\$Change a Light. Replace incandescent light bulbs with comparable compact fluorescent lamps.

\$Install an ENERGY STAR programmable thermostat. Programmable thermostats automatically set back the temperature when you are asleep or away from home. And, consider ENERGY STAR labeled products when you are replacing old appliances or purchasing new ones. Products in more than 40 categories are eligible for the ENERGY STAR. They use less energy, save money, and help protect the environment. Ask for the ENERGY STAR.

815/941-3262

KEEPING YOUR HOME COOL:

- ☉ Ceiling fans help your air conditioner move cool air around the house.
- ☉ Turn off the air conditioning and open your windows on cooler evenings or in mild weather.
- ☉ Window fans work well when the sun goes down.
- ☉ Close your shades to block out the sun's heat during the daytime.
- ☉ Set your thermostat up by 5 degrees when leaving home for more than 3 hours. Dialing up your thermostat can save up to 10% on your air conditioning bill.
- ☉ Whenever a light bulb burns out, replace it with a compact fluorescent light bulb.
- ☉ Set your refrigerator to keep your food at 38 degrees.
- ☉ Don't let the food compartment get too cold; it will freeze your fruits and vegetables and waste energy.
- ☉ Keep your air conditioning duct vents clean and clear.
- ☉ Don't block the cool air from getting to you.
- ☉ Hot water shouldn't be too hot. Have your water heater set no higher than 120 degrees. Water hotter than 120 degrees can be dangerous and cause burns.
- ☉ Use your exhaust fans whenever you are in the bathroom. Showers can create excess moisture that will lead to mold or mildew. Also be sure to use the exhaust fan in the kitchen when cooking.
- ☉ Don't store things in your furnace room. They could be a fire hazard.

KEEPING COOL TIPS FOR EVERYONE

- ☉ Stay in air-conditioned space at home, the library, the mall, movie theater or at a cooling center.
- ☉ Drink lots of water and natural juices. Avoid alcoholic beverages, coffee and colas.
- ☉ Keep shades drawn and blinds closed, but keep windows slightly open.
- ☉ Stay out of the sun and avoid going out in the heat.
- ☉ Keep electric lights off or turned down.
- ☉ Take cool baths or showers.
- ☉ Wear loose, light cotton clothing.
- ☉ Do not eat heavy meals. Avoid cooking with your oven.
- ☉ Avoid or minimize physical exertion.
- ☉ Do not sit in a hot car, even for a short time. Never leave a child in a hot car.
- ☉ Check on family members, friends and neighbors to make sure they stay cool and safe.
- ☉ If you or anyone you know needs emergency medical attention, call 911

SPECIAL KEEPING COOL TIPS FOR SENIORS

- ☉ It is against the law to open a fire hydrant. An open hydrant hinders the fire department's ability to fight fires, reduces water pressure in your home and may cause basement flooding.
- ☉ During heat emergencies, seniors are urged to contact their local area agencies on Aging or the Senior HelpLine at (800) 252-8966 for assistance with locating senior centers, adult day service sites and other buildings that serve as cooling centers.
- ☉ Humidity combined with temperature make up the heat index, which is similar to the wind chill factor in winter. If the temperature is in the 90s with high humidity, it can feel like it is well over 100 degrees.

KEEPING COOL TIPS FOR YOUR PETS

- ☉ Provide water and shelter from the sun at all times.
- ☉ Restrict activity during extreme heat.
- ☉ Never leave pets in parked vehicles. Even moderate heat rapidly increases and can kill the pet quickly.

NO & LOW COST WAYS TO SAVE ENERGY & MONEY

- ☉ Turn down your thermostat to 68 degrees. For every degree you lower your heat in the 60-degree to 70-degree range, you'll save an average of 3 percent on heating costs. Wear warm clothing like a sweater and set your thermostat to 68 degrees or lower during the day and evening, health permitting. Setting the thermostat back to 55 degrees when leaving home for an extended time can save you 5-20 percent of your heating costs (heat pumps should only be set back two degrees to prevent unneeded use of backup strip heating).
- ☉ Replace or clean furnace filters once a month. Dirty filters restrict airflow and increase energy use. Now is also the time for a furnace "tune-up." Keeping your furnace clean, lubricated and properly adjusted will reduce energy use, saving up to 5 percent of heating costs.
- ☉ Use cold water when washing clothes. About 16 percent of an average home energy bill goes just for heating water. Most detergents clean well in cooler temperatures. Keep clothes dryer free of lint and inspect dryer vent to be sure it is free of obstructions.

- ☉ Reduce hot water temperature. Set your water heater to the "normal" setting or 120°, unless the owner's manual for your dishwasher requires a higher setting. Savings are 7-11 percent of water heating costs. Insulate the first five feet of pipe coming out of the top of your water heater or less than five feet. Pipe insulation is available from your hardware store.
- ☉ Take a five-minute shower instead of a bath to reduce hot water use.
- ☉ In winter let the sun in. Open drapes and shades on the sunny side of your house to help warm the home during the day. Close drapes and shades at night to cut heat loss.
- ☉ Remove window air conditioning units for the winter. If you have a window air conditioning unit, remove it for the winter months to prevent heat from escaping through and around the unit. If it cannot be moved, buy a cover to prevent drafts.
- ☉ Close your flue. Always make sure the fireplace damper seals tightly and remains closed except when a fire is burning or smoldering in the fireplace. Also shut fire place doors if installed.
- ☉ Use your ceiling fan. Ceiling fans help keep you comfortable not only in the summer but in the winter as well. Reversing the direction of the blades pushes warm air down into the room. Fans should turn clockwise in the summer and counter-clockwise in the winter. When purchasing new ceiling fans, consider an Energy Star model for optimum fan and motor efficiency.
- ☉ Put your computer to sleep. Activate "sleep" features on computers and office equipment that power down when the equipment is not in use for a while. Turn off equipment during longer periods of non-use to cut energy costs and improve longevity.
- ☉ Don't waste hot water. Adjust load size on washer to fit actual load. Set small loads to low water level to save water and energy.
- ☉ Flip the switch. Turn off all appliances and electronics.
- ☉ Keep vent space clean & clear. Make sure heating registers, vents and cold air returns are not blocked by drapes, furniture or rugs. These should also be cleaned regularly with a vacuum or a broom.

Mission Statement

To promote physical health, mental health, environmental health, protect the community's health, prevent disease, and promote family self-sufficiency through both person based services and population based programs.

About Us

Kendall-Grundy Community Action is committed to promoting socioeconomic well-being among a target population through educative opportunities and accessible systems of support.

We provide the Low Income Home Energy Assistance Program, Illinois Home Weatherization Assistance Program, a variety of Community Service Block Grant Programs, and more.

To qualify for assistance, households must have an income equal to or less than 150 percent of the current federal poverty level, and will be asked to provide required documentation to a pre-scheduled appointment with us.

Community Action changes people's lives, embodies the spirit of hope, improves communities, and makes America a better place to live.

We care about the entire community, and we are dedicated to helping people help themselves and each other.

Community Service Block Grant

Community Service Block Grants (CSBG) provide assistance in education, transportation, referral services, small business loans and outreach to the community.

Information, Referral, Outreach

We provide access to needed resources through comprehensive outreach, information and referral services.

Education Scholarships

Our scholarship program awards scholarships annually to clients to aid them in obtaining formal education or occupational training from an accredited Illinois institution.

Drive to Success Program

Drive to Success is designed to help low income residents obtain reliable transportation for employment purposes. We will provide assistance for vehicle repairs.

Dental Assistance Program

Dental Assistance will assist clients with their dental needs. This does not include orthodontic work.

Employment Support

Employment Support Program assists eligible clients to obtain/maintain employment.

Helping Hands for School

We assist eligible parents with the purchase of their child's prescription eyeglasses.

Energy Assistance

ILLINOIS HOME WEATHERIZATION ASSISTANCE PROGRAM (IHWAP)

We help low income residents save fuel and money while increasing the energy efficiency of their homes. Although most dwellings waste energy, different types of houses and apartments have different energy problems. Depending on the circumstances and condition of the dwelling, some of the following weatherization work may be done:

- * Weather stripping
- * Insulating attics and walls
- * Repairing windows and doors

Weatherization services include having experienced heating contractors examine the heating system, making sure the heating system is safe and in good working order. Work on the furnace may include one or more of the following:

- * Retrofit
- * Repair
- * Clean and tune
- * In some cases, replacement of the unit

LOW INCOME ENERGY ASSISTANCE PROGRAM (LIEAP)

WE ASSIST low income households in meeting their immediate home energy needs by paying a portion of winter energy bills to prevent service interruptions, while providing education on home energy conservation and other opportunities to achieve and maintain financial self-stability. We also offer a free energy conservation kit that includes helpful tips on further conserving energy, intended to help lower your energy costs.

Population Change

Population change within the report area from 2000-2017 is shown below. During the sixteen-year period, total population estimates for the report area grew by 88.17 percent, increasing from 92,079 persons in 2000 to 173,266 persons in 2017.

Report Area	Total Population, 2017 ACS	Total Population, 2000 Census	Population Change from 2000-2017 Census/ACS	Percent Change from 2000-2017 Census/ACS

Insurance - Population Receiving Medicaid

This indicator reports the percentage of the population with insurance enrolled in Medicaid (or other means-tested public health insurance). This indicator is relevant because it assesses vulnerable populations which are more likely to have multiple health access, health status, and social support needs; when combined with poverty data, providers can use this measure to identify gaps in eligibility and enrollment.

Report Area	Total Population (For Whom Insurance Status is Determined)	Population with Any Health Insurance	Population Receiving Medicaid	Percent of Insured Population Receiving Medicaid	Download Data

Dental Expense Assistance Program

for Kendall and Grundy County Residents

The Dental Expense Assistance Program is intended to assist eligible clients with the expense of oral health care treatment. This one-time assistance of up to \$500.00 per year, not to include orthodontic work, is paid directly to your oral health care provider.

To be eligible, you must be 18 or older and a resident of Kendall or Grundy Counties; with a household income at or below 125% of the current federal poverty level.

Required Documentation:

- ◆ Driver's License
- ◆ Proof of residence
- ◆ Social Security Cards for all members of your household
- ◆ Income information for 90 days
- ◆ Estimate from Dental Office
- ◆ Statement of need

Family size	90 days

Employment Support

Description:

The Employment Support Program assists eligible clients with such items as daycare cost, transportation and work supplies such as equipment and/or uniform that enable them to obtain/maintain employment.

Required Documentation:

- A copy of your driver's license
- A copy of your pay stubs from the past 90 days
- A copy of your spouse's pay stubs for the past 90 days
- A copy of all other household income for the past 90 days
- Social Security cards for entire household
- Proof of employment working a minimum of 25 hrs per week or proof of an offer that includes start date, name of employer, address, phone number and the name of direct supervisor or HR representative on company letterhead
- Statement of need
- Proof of insurance and registration or title, if repairs are requested
- Copy of Lease (rent receipt) or Mortgage Statement
- Proof of expenses paid in last 90 days listed on expense report
- Proof of required uniforms, safety equipment, and/or tools needs from employer

Eligible expenses:

All expenses must be directly related to obtaining/maintaining employment and may include: Childcare payment assistance, car purchase, car payment, car repair, car insurance, license plates (sticker), uniforms/shoes/tools required by job. All expenses are paid directly to vendors. No cash payments.

Income Eligibility

The applicant household has to be at or below 125% poverty level

Vaping Dangers

The Truth about Electronic Cigarettes

Northern Illinois
Public Health Consortium Inc

What are E-Cigarettes?

- ◆ E-cigarettes are known by many different names. They are sometimes called “e-cigs,” “e-hookahs,” “mods,” “vape pens,” “vapes,” “tank systems,” and “electronic nicotine delivery systems.”

- ◆ Some e-cigarettes are made to look like regular cigarettes, cigars, or pipes. Some resemble pens, USB sticks, and other everyday items.

- ◆ E-cigarettes are devices that deliver aerosol to the user by heating a liquid that contains nicotine or THC (active ingredient in marijuana), flavorings and other chemicals such as: diacetyl, lead, benzene, and formaldehyde.

What We Know.

- ⇒ According to the CDC, of e-cigarette users aged 18-24, approximately 40% had not been prior cigarette users.
- ⇒ According to the 2018 Illinois Youth Survey, vaping among 10th and 12th graders in the State of Illinois increased by 78%.
- ⇒ Nicotine exposure during the teen years can disrupt normal brain development.
- ⇒ Research suggests that addiction later in life is not only dependent on quantity of use but also age of onset.
- ⇒ One vape/e-cigarette cartridge on average has as much nicotine as a pack 20 of cigarettes.
- ⇒ The Illinois Center for Prevention Research and Development explains that despite major progress in reducing cigarette use among youth, e-cigarette use has reached epidemic proportions in that the percent of Illinois teens who use an e-cigarette increased by 45% among 12th grade students in a two year period.

What is in E-Cigarette Aerosol?

The aerosol may contain; Nicotine ultrafine particles, cancer-causing chemicals, heavy metals such as; nickel, tin and lead and flavorings like Diacetyl; which specifically has been linked to an irreversible lung disease known as “popcorn lung.”

What is Being Done.

Health officials at the CDC are investigating over 400 recent lung disease cases among vapers, including some deaths; many of whom are youth or young adults and some have also reported using THC (an ingredient in marijuana) while vaping.

The Illinois Department of Public Health is currently working with Local Health Departments, other state departments, as well as the Food and Drug Administration to investigate the brands of e-cigarettes, vaping products, and devices, including where they were obtained.

MEMORANDUM

To: Kendall County Health and Environment Committee
From: Matthew H. Asselmeier, AICP, Senior Planner
Date: September 13, 2019
Re: Petition 19-31-Request by the Kendall County Planning, Building and Zoning Committee for Text Amendments to the Kendall County Zoning Ordinance Pertaining to Recreational and Medical Cannabis Uses

On June 25, 2019, the Governor signed the Cannabis Regulation and Tax Act (Public Act 101-027). This Act legalized certain recreational cannabis uses and allowed County to enact reasonable zoning regulations related to these uses.

On August 9, 2019, the Governor signed an Act related to Banking-Cannabis Businesses (Public Act 101-363). Among other actions, this Act amended the Compassionate Use of Medical Cannabis Pilot Program Act by removing the expiration deadline of medical cannabis related uses and changing the location where medical cannabis dispensary may locate.

On August 26, 2019, the Kendall County Planning, Building and Zoning Committee voted to initiate text amendments to the Kendall County Zoning Ordinance pertaining to medical and recreational cannabis uses. The Committee wanted medical cannabis related use to be regulated similarly as recreational cannabis uses from a zoning perspective. The Committee also wanted to have these regulations in place by January 1, 2020.

In summary the changes are as follows:

1. The previously adopted zoning regulations for medical cannabis uses are repealed in their entirety.
2. Definitions of Adult-Use Cannabis Business Establishment, Adult-Use Cannabis Craft Grower, Adult-Use Cannabis Cultivation Center, Adult-Use Cannabis Dispensing Organization, Adult-Use Cannabis Infuser Organization or Infuser, Adult-Use Cannabis Processing Organization or Processor, Adult-Use Cannabis Transporting Organization or Transporter, Medical Cannabis Cultivation Center or Cultivation Center, and Medical Cannabis Dispensing Organization or Dispensing Organization or Dispensary were added to the Zoning Ordinance. These definitions come from the Cannabis Regulation and Tax Act and the Compassionate Use of Medical Cannabis Program Act.
3. Adult-Use Cannabis Craft Growers are proposed to be special uses in the A-1, M-1, M-2 Zoning Districts. They are to be at minimum one thousand feet (1,000') from the property lines of pre-existing public or private nursery schools, preschools, primary or secondary schools, day care centers, day care homes, residential care homes, pre-existing properties zoned or used for residential purposes, pre-existing forest preserves, public parks, and places of worship. This distance requirement is the same distance requirement for outdoor shooting ranges.
4. Adult-Use Cannabis Cultivation Centers and Medical Cannabis Cultivation Centers are proposed to be special uses in the M-1 and M-2 Zoning Districts and will be minimum two thousand five hundred feet (2,500') from the protected uses listed in number 3 previously. Medical Cannabis Cultivation Centers are currently special uses in the M-1 and M-2 Zoning

Districts. The distance requirement was set by the Compassionate Use of Medical Cannabis Program Act.

5. Adult-Use Cannabis Dispensing Organizations and Medical Dispensing Organizations are proposed to be special use in the B-3, M-1, and M-2 Zoning Districts and will be at least one thousand feet (1,000') from the uses listed in number 3 previously except pre-existing properties used or zoned residentially. They can be at minimum two hundred fifty feet (250') from residentially used or zoned property. Public Act 101-363 removed the distance requirements for Medical Dispensing Organizations. Onsite consumption of cannabis by the public is not allowed. Hours of operation will be from 6:00 a.m. until 8:00 p.m.
6. Adult-Use Cannabis Infuser Organizations are proposed to be special use in the B-3, M-1, and M-2 Zoning Districts and will be at least one thousand five hundred feet (1,500') from the uses listed in number 3 previously except pre-existing properties used or zoned residentially. They can be at minimum two hundred fifty feet (250') from residentially used or zoned property.
7. Adult-Use Cannabis Processing Organizations are proposed to be special use in the B-3, M-1, and M-2 Zoning Districts and will be at least one thousand five hundred feet (1,500') from the uses listed in number 3 previously except pre-existing properties used or zoned residentially. They can be at minimum two hundred fifty feet (250') from residentially used or zoned property.
8. Adult-Use Cannabis Transporting Organizations are proposed to be special use in the M-1 and M-2 Zoning Districts and will be at least one thousand five hundred feet (1,500') from the uses listed in number 3 previously except pre-existing properties used or zoned residentially. They can be at minimum two hundred fifty feet (250') from residentially used or zoned property. They can only transport cannabis unless allowed by the special use permit.
9. The proposal updates Appendix 9 to reflect the addition of cannabis related uses and correct citation errors caused by adding these uses to the Zoning Ordinance.

At least one (1) Planning, Building and Zoning Committee member favored having cannabis uses in stand-alone buildings.

Maps showing the potential location of cannabis uses are attached.

Townships were notified of this proposal and the September 10th meeting on August 28, 2019.

ZPAC met on this proposal on September 3, 2019. ZPAC issued a neutral recommendation and requested that information regarding surveillance, security, and security related structural requirements be added to the proposed amendment. ZPAC also requested that cannabis uses not be allowed in the B-3 District. The vote was five (5) in favor and one (1) in opposition. Fran Klaas said the County should not create zoning regulations for cannabis because it is illegal federally.

On September 10, 2019, the Kendall County Regional Planning Commission and Planning, Building and Zoning Committee held a meeting. The changes made to the proposal were as follows:

1. Fix the incorrect section reference for craft growers (special uses in the A-1 is Section 7.01.D not Section 7.01.C as was found in the original proposal).
2. Clarify that craft growers may co-locate with dispensing organizations and infuser organizations in the M-1 and M-2 Districts only.

3. Clarify that dispensing organizations may co-locate with craft growers and infuser organizations in the M-1 and M-2 Districts and only with infuser organizations in the B-3 District.
4. Clarify that infuser organizations may co-locate with craft growers and dispensing organizations in the M-1 and M-2 Districts and only with dispensing organizations in the B-3 District.

Attached please find the proposed changes to the Kendall County Zoning Ordinance with changes proposed by ZPAC and with the changes made at the September 10th meeting.

If you have any questions, please let me know.

Cannabis Related Proposal
(ZPAC Comments in Blue-ZPAC Opposed Cannabis Uses in the B-3)
(Changes from September 10th PBZ and RPC Meeting)

1. **Ordinances 2014-28 (Medical Cannabis Cultivation Centers), 2014-31 (Medical Cannabis Dispensing Organizations) and 2017-28 (Expiration Timeline for Medical Cannabis Related Uses Extended to July 1, 2020) are repealed in their entirety.**
2. **Section 3.02 of the Kendall County Zoning Ordinance is Amended by Adding the Following Terms in the Appropriate Places Alphabetically:**

ADULT-USE CANNABIS BUSINESS ESTABLISHMENT. An adult-use cannabis cultivation center, craft grower, processing organization, infuser organization, dispensing organization or transporting organization.

ADULT-USE CANNABIS CRAFT GROWER. A facility operated by an organization or business that is licensed by the Illinois Department of Agriculture to cultivate, dry, cure and package cannabis and perform other necessary activities to make cannabis available for sale at a dispensing organization or use at a processing organization, per the Cannabis Regulation and Tax Act, as it may be amended from time-to-time, and regulations promulgated thereunder.

ADULT-USE CANNABIS CULTIVATION CENTER. A facility operated by an organization or business that is licensed by the Illinois Department of Agriculture to cultivate, process, transport and perform necessary activities to provide cannabis and cannabis-infused products to licensed cannabis business establishments, per the Cannabis Regulation and Tax Act, as it may be amended from time-to-time, and regulations promulgated thereunder.

ADULT-USE CANNABIS DISPENSING ORGANIZATION. A facility operated by an organization or business that is licensed by the Illinois Department of Financial and Professional Regulation to acquire cannabis from licensed cannabis business establishments for the purpose of selling or dispensing cannabis, cannabis-infused products, cannabis seeds, paraphernalia or related supplies to purchasers or to qualified registered medical cannabis patients and caregivers, per the Cannabis Regulation and Tax Act, as it may be amended from time-to-time, and regulations promulgated thereunder.

ADULT-USE CANNABIS INFUSER ORGANIZATION OR INFUSER. A facility operated by an organization or business that is licensed by the Illinois Department of Agriculture to directly incorporate cannabis or cannabis concentrate into a product formulation to produce a cannabis-infused product, per the Cannabis Regulation and Tax Act, as it may be amended from time-to-time, and regulations promulgated thereunder.

ADULT-USE CANNABIS PROCESSING ORGANIZATION OR PROCESSOR. A facility operated by an organization or business that is licensed by the Illinois Department of Agriculture to either extract constituent chemicals or compounds to produce cannabis concentrate or incorporate cannabis or cannabis concentrate into a product formulation to produce a cannabis product, per the Cannabis Regulation and Tax Act, as it may be amended from time-to-time, and regulations promulgated thereunder.

ADULT-USE CANNABIS TRANSPORTING ORGANIZATION OR TRANSPORTER. An organization or business that is licensed by the Illinois Department of Agriculture to

transport cannabis on behalf of a cannabis business establishment or a community college licensed under the Community College Cannabis Vocational Training Pilot Program, per the Cannabis Regulation and Tax Act, as it may be amended from time-to-time, and regulations promulgated thereunder.”

MEDICAL CANNABIS CULTIVATION CENTER or CULTIVATION CENTER. A facility operated by an organization or business that is registered by the Illinois Department of Agriculture to perform necessary activities to provide only registered medical cannabis dispensing organizations with usable medical cannabis. This definition is intended to remain consistent with the definition provided in 410 ILCS 130/10, as amended. In the event of a conflict between this definition and the statute, the definition from State law shall govern.

MEDICAL CANNABIS DISPENSING ORGANIZATION or DISPENSING ORGANIZATION or DISPENSARY. A facility operated by an organization or business that is registered by the Illinois Department of Financial and Professional Regulation to acquire medical cannabis from a registered Cultivation Center for the purpose of dispensing cannabis, paraphernalia, or related supplies and educational materials to registered qualifying patients. This definition is intended to remain consistent with the definition provided in 410 ILCS 130/10, as amended. In the event of a conflict between this definition and the statute, the definition from State law shall govern.

3. Section 7.01.€D (Special Uses in the A-1 District) and Section 10.01.C (Special Uses in the M-1 and M-2 Districts) are amended by adding the following:

Adult-Use Cannabis Craft Grower Subject to the Following Conditions:

1. Facility may not be located within one thousand feet (1,000') of the property line of a pre-existing public or private nursery school, preschool, primary or secondary school, day care center, day care home or residential care home. Learning centers and vocational/trade centers shall not be classified as a public or private school for purposes of this Section.
2. Facility may not be located within one thousand feet (1,000') of the property line of a pre-existing property zoned or used for residential purposes, unless the residential use is owned by the same owner as the Adult-Use Cannabis Craft Grower.
3. Facility may not be located within one thousand feet (1,000') of the property line of a pre-existing forest preserve, public park, or place of worship.
4. On properties zoned M-1 or M-2, Adult-Use Cannabis Craft Growers may co-locate with Adult-Use Dispensing Organizations and Adult-Use Cannabis Infuser Organizations or both.
5. Facility may not conduct any sales or distribution of cannabis other than as authorized by the Cannabis Regulation and Tax Act.
6. At the time of application, the Petitioner shall submit the following information:
 - a. A statement regarding the impact of the proposed facility on existing or planned uses located within the vicinity of the subject property.
 - b. Information on the proposed structure the facility will be located, including co-tenancy (if located in a multi-tenant building), total square footage, security installations/security plan (including type of security system and plans to address operations when security and surveillance system malfunction) and building code compliance.
 - c. Anticipated number of employees and customers.
 - d. Anticipated parking demand and available parking supply.
 - e. Anticipated traffic generation in the context of adjacent roadway capacity and access to such roadways.
 - f. Site design, including access points and internal site circulation.

- g. Proposed signage plan.
 - h. Other criteria as may be necessary to determine Findings of Fact of the Special Use Permit application
7. The Operator of the business allowed by the special use permit shall provide the Kendall County Sheriff's Office access to security system and security plans upon request by the Kendall County Sheriff's Office.
 8. The Petitioner shall file an affidavit with the County affirming compliance with the regulations contained in the Kendall County Zoning Ordinance.
 9. In the event that the Cannabis Regulation and Tax Act is amended, the more restrictive of the State or County Regulation shall apply.
4. Section 10.01.C (Special Uses in the M-1 and M-2 Districts) is amended by adding the following: Adult-Use Cannabis Cultivation Centers Subject to the Following Conditions:
1. Facility may not be located within two thousand five hundred feet (2,500') of the property line of a pre-existing public or private nursery school, preschool, primary or secondary school, day care center, day care home or residential care home. Learning centers and vocational/trade centers shall not be classified as a public or private school for purposes of this Section.
 2. Facility may not be located within two thousand five hundred feet (2,500') of the property line of a pre-existing property zoned or used for residential purposes.
 3. Facility may not be located within two thousand five hundred feet (2,500') of the property line of a pre-existing forest preserve, public park, or place of worship.
 4. Facility may not conduct any sales or distribution of cannabis other than as authorized by the Cannabis Regulation and Tax Act.
 5. At the time of application, the Petitioner shall submit the following information:
 - a. A statement regarding the impact of the proposed facility on existing or planned uses located within the vicinity of the subject property.
 - b. Information on the proposed structure the facility will be located, including co-tenancy (if located in a multi-tenant building), total square footage, security installations/security plan (including type of security system and plans to address operations when security and surveillance system malfunction) and building code compliance.
 - c. Anticipated number of employees and customers.
 - d. Anticipated parking demand and available parking supply.
 - e. Anticipated traffic generation in the context of adjacent roadway capacity and access to such roadways.
 - f. Site design, including access points and internal site circulation.
 - g. Proposed signage plan.
 - h. Other criteria as may be necessary to determine Findings of Fact of the Special Use Permit application.
 6. No outdoor storage is allowed.
 7. Electronic message boards and temporary signs are not allowed.
 8. Fences must be a minimum of eight feet (8') feet tall topped with barbed wire.
 9. The Operator of the business allowed by the special use permit shall provide the Kendall County Sheriff's Office access to security system and security plans upon request by the Kendall County Sheriff's Office.
 10. The Petitioner shall file an affidavit with the County affirming compliance with the regulations contained in the Kendall County Zoning Ordinance.
 11. In the event that the Cannabis Regulation and Tax Act is amended, the more restrictive of the State or County Regulation shall apply.

Medical Cannabis Cultivation Centers Subject to the Following Conditions:

1. Facility may not be located within two thousand five hundred feet (2,500') of the property line of a pre-existing public or private nursery school, preschool, primary or secondary school, day care center, day care home or residential care home. Learning centers and vocational/trade centers shall not be classified as a public or private school for purposes of this Section.
 2. Facility may not be located within two thousand five hundred feet (2,500') of the property line of a pre-existing property zoned or used for residential purposes.
 3. Facility may not be located within two thousand five hundred feet (2,500') of the property line of a pre-existing forest preserve, public park, or place of worship.
 4. Facility may not conduct any sales or distribution of cannabis other than as authorized by the Compassionate Use of Medical Cannabis Program Act.
 5. At the time of application, the Petitioner shall submit the following information:
 - a. A statement regarding the impact of the proposed facility on existing or planned uses located within the vicinity of the subject property.
 - b. Information on the proposed structure the facility will be located, including co-tenancy (if located in a multi-tenant building), total square footage, security installations/security plan (including type of security system and plans to address operations when security and surveillance system malfunction) and building code compliance.
 - c. Anticipated number of employees and customers.
 - d. Anticipated parking demand and available parking supply.
 - e. Anticipated traffic generation in the context of adjacent roadway capacity and access to such roadways.
 - f. Site design, including access points and internal site circulation.
 - g. Proposed signage plan.
 - h. Other criteria as may be necessary to determine Findings of Fact of the Special Use Permit application.
 6. No outdoor storage is allowed.
 7. Electronic message boards and temporary signs are not allowed.
 8. Fences must be a minimum of eight feet (8') feet tall topped with barbed wire.
 9. The Operator of the business allowed by the special use permit shall provide the Kendall County Sheriff's Office access to security system and security plans upon request by the Kendall County Sheriff's Office.
 10. The Petitioner shall file an affidavit with the County affirming compliance with the regulations contained in the Kendall County Zoning Ordinance.
 11. In the event that the Compassionate Use of Medical Cannabis Program Act is amended, the more restrictive of the State or County Regulation shall apply.
5. Section 9.04.C (Special Uses in the B-3, M-1, and M-2 Districts) is amended by adding the following:
- Adult-Use Cannabis Dispensing Organization Subject to the Following Conditions:**
1. Facility may not be located within one thousand feet (1,000') of the property line of a pre-existing public or private nursery school, preschool, primary or secondary school, day care center, day care home or residential care home. Learning centers and vocational/trade centers shall not be classified as a public or private school for purposes of this Section.
 2. Facility may not be located in a dwelling unit or within two hundred fifty feet (250') of the property line of a pre-existing property zoned or used for residential purposes.
 3. Facility may not be located within one thousand feet (1,000') of the property line of a pre-existing forest preserve, public park, or place of worship.
 4. At least seventy-five percent (75%) of the floor area of any tenant space occupied by a

dispensing organization shall be devoted to the activities of the dispensing organization as authorized by the Cannabis Regulation and Tax Act and no dispensing organization shall also sell food for consumption on the premises other than as authorized below in the same tenant space.

5. Onsite consumption of cannabis by the public shall not be allowed at Adult Use Cannabis Dispensing Organizations.
6. On properties zoned M-1 or M-2, Adult-Use Cannabis Dispensing Organizations may co-locate with Adult-Use Craft Growers and Adult-Use Cannabis Infuser Organizations or both. In a co-location, the floor requirements listed above shall not apply, but the co-located establishments shall be the sole use of the tenant space.
7. On properties zoned B-3, Adult-Use Cannabis Dispensing Organizations may co-locate with Adult-Use Cannabis Infuser Organizations. In a co-location, the floor requirements listed above shall not apply, but the co-located establishments shall be the sole use of the tenant space.
8. Facility may not conduct any sales or distribution of cannabis other than as authorized by the Cannabis Regulation and Tax Act.
9. At the time of application, the Petitioner shall submit the following information:
 - a. A statement regarding the impact of the proposed facility on existing or planned uses located within the vicinity of the subject property.
 - b. Information on the proposed structure the facility will be located, including co-tenancy (if located in a multi-tenant building), total square footage, security installations/security plan (including type of security system and plans to address operations when security and surveillance system malfunction) and building code compliance.
 - c. Hours of operation.
 - d. Anticipated number of employees and customers.
 - e. Anticipated parking demand and available parking supply.
 - f. Anticipated traffic generation in the context of adjacent roadway capacity and access to such roadways.
 - g. Site design, including access points and internal site circulation.
 - h. Proposed signage plan.
 - i. Other criteria as may be necessary to determine Findings of Fact of the Special Use Permit application.
10. No flashing lights, search lights, spot lights, or other similar lighting systems may be used on the exterior of the building.
11. Electronic message boards and temporary signs not allowed. Any additional merchandise packaging provided by a dispensary, such as bags, sacks, totes or boxes, shall be opaque and identify the name of the dispensing organization.
12. Hours of operation are 6:00 a.m. until 8:00 p.m.
13. The Operator of the business allowed by the special use permit shall provide the Kendall County Sheriff's Office access to security system and security plans upon request by the Kendall County Sheriff's Office.
14. The Petitioner shall file an affidavit with the County affirming compliance with the regulations contained in the Kendall County Zoning Ordinance.
15. In the event that the Cannabis Regulation and Tax Act is amended, the more restrictive of the State or County Regulation shall apply.

Medical Cannabis Dispensing Organization Subject to the Following Conditions:

1. Facility may not be located within one thousand feet (1,000') of the property line of a pre-existing public or private nursery school, preschool, primary or secondary school, day care center, day care home or residential care home. Learning centers and vocational/trade centers

- shall not be classified as a public or private school for purposes of this Section.
2. Facility may not be located in a dwelling unit or within two hundred fifty feet (250') of the property line of a pre-existing property zoned or used for residential purposes.
 3. Facility may not be located within one thousand feet (1,000') of the property line of a pre-existing forest preserve, public park, or place of worship.
 4. Onsite consumption of cannabis by the public shall not be allowed at Medical Cannabis Dispensing Organizations.
 5. Facility may not conduct any sales or distribution of cannabis other than as authorized by State law.
 6. At the time of application, the Petitioner shall submit the following information:
 - a. A statement regarding the impact of the proposed facility on existing or planned uses located within the vicinity of the subject property.
 - b. Information on the proposed structure the facility will be located, including co-tenancy (if located in a multi-tenant building), total square footage, security installations/security plan (including type of security system and plans to address operations when security and surveillance system malfunction) and building code compliance.
 - c. Hours of operation.
 - d. Anticipated number of employees and customers.
 - e. Anticipated parking demand and available parking supply.
 - f. Anticipated traffic generation in the context of adjacent roadway capacity and access to such roadways.
 - g. Site design, including access points and internal site circulation.
 - h. Proposed signage plan.
 - i. Other criteria as may be necessary to determine Findings of Fact of the Special Use Permit application.
 7. No flashing lights, search lights, spot lights, or other similar lighting systems may be used on the exterior of the building.
 8. Electronic message boards and temporary signs not allowed. Any additional merchandise packaging provided by a dispensary, such as bags, sacks, totes or boxes, shall be opaque and identify the name of the dispensing organization.
 9. Hours of operation are 6:00 a.m. until 8:00 p.m.
 10. The Operator of the business allowed by the special use permit shall provide the Kendall County Sheriff's Office access to security system and security plans upon request by the Kendall County Sheriff's Office.
 11. The Petitioner shall file an affidavit with the County affirming compliance with the regulations contained in the Kendall County Zoning Ordinance.
 12. In the event that the Compassionate Use of Medical Cannabis Program Act is amended, the more restrictive of the State or County Regulation shall apply.
6. Section 9.04.C (Special Uses in the B-3, M-1, and M-2 Districts) is amended by adding the following:
Adult-Use Cannabis Infuser Organization Subject to the Following Conditions:
1. Facility may not be located within one thousand five hundred feet (1,500') of the property line of a pre-existing public or private nursery school, preschool, primary or secondary school, day care center, day care home or residential care home. Learning centers and vocational/trade centers shall not be classified as a public or private school for purposes of this Section.
 2. Facility may not be located in a dwelling unit or within two hundred fifty feet (250') of the property line of a pre-existing property zoned or used for residential purposes.
 3. Facility may not be located within one thousand five hundred feet (1,500') of the property line of a pre-existing forest preserve, public park, or place of worship.
 4. At least seventy-five percent (75%) of the floor area of any tenant space occupied by an

- infusing organization shall be devoted to the activities of the infusing organization as authorized by the Cannabis Regulation and Tax Act.
5. On properties zoned M-1 or M-2, Adult-Use Cannabis Infuser Organizations may co-locate with Adult-Use Dispensing Organizations and Adult-Use Cannabis Craft Growers or both. In a co-location, the floor requirements listed above shall not apply, but the co-located establishments shall be the sole use of the tenant space.
 6. On properties zoned B-3, Adult-Use Cannabis Infuser Organizations may co-locate with Adult-Use Dispensing Organizations. In a co-location, the floor requirements listed above shall not apply, but the co-located establishments shall be the sole use of the tenant space.
 7. Facility may not conduct any sales or distribution of cannabis other than as authorized by the Cannabis Regulation and Tax Act.
 8. At the time of application, the Petitioner shall submit the following information:
 - a. A statement regarding the impact of the proposed facility on existing or planned uses located within the vicinity of the subject property.
 - b. Information on the proposed structure the facility will be located, including co-tenancy (if located in a multi-tenant building), total square footage, security installations/security plan (including type of security system and plans to address operations when security and surveillance system malfunction) and building code compliance.
 - c. Hours of operation.
 - d. Anticipated number of employees and customers.
 - e. Anticipated parking demand and available parking supply.
 - f. Anticipated traffic generation in the context of adjacent roadway capacity and access to such roadways.
 - g. Site design, including access points and internal site circulation.
 - h. Proposed signage plan.
 - i. Other criteria as may be necessary to determine Findings of Fact of the Special Use Permit application.
 9. The Operator of the business allowed by the special use permit shall provide the Kendall County Sheriff's Office access to security system and security plans upon request by the Kendall County Sheriff's Office.
 10. The Petitioner shall file an affidavit with the County affirming compliance with the regulations contained in the Kendall County Zoning Ordinance.
 11. In the event that the Cannabis Regulation and Tax Act is amended, the more restrictive of the State or County Regulation shall apply.
7. Section 9.04.C (Special Uses in the B-3, M-1, and M-2 Districts) is amended by adding the following: **Adult-Use Cannabis Processing Organization Subject to the Following Conditions:**
1. Facility may not be located within one thousand five hundred feet (1,500') of the property line of a pre-existing public or private nursery school, preschool, primary or secondary school, day care center, day care home or residential care home. Learning centers and vocational/trade centers shall not be classified as a public or private school for purposes of this Section.
 2. Facility may not be located in a dwelling unit or within two hundred fifty feet (250') of the property line of a pre-existing property zoned or used for residential purposes.
 3. Facility may not be located within one thousand five hundred feet (1,500') of the property line of a pre-existing forest preserve, public park, or place of worship.
 4. At least seventy-five percent (75%) of the floor area of any tenant space occupied by a processing organization shall be devoted to the activities of the processing organization as authorized by the Cannabis Regulation and Tax Act.
 5. Facility may not conduct any sales or distribution of cannabis other than as authorized by the Cannabis Regulation and Tax Act.

6. At the time of application, the Petitioner shall submit the following information:
 - a. A statement regarding the impact of the proposed facility on existing or planned uses located within the vicinity of the subject property.
 - b. Information on the proposed structure the facility will be located, including co-tenancy (if located in a multi-tenant building), total square footage, security installations/security plan (including type of security system and plans to address operations when security and surveillance system malfunction) and building code compliance.
 - c. Hours of operation.
 - d. Anticipated number of employees and customers.
 - e. Anticipated parking demand and available parking supply.
 - f. Anticipated traffic generation in the context of adjacent roadway capacity and access to such roadways.
 - g. Site design, including access points and internal site circulation.
 - h. Proposed signage plan.
 - i. Other criteria as may be necessary to determine Findings of Fact of the Special Use Permit application.
 7. The Operator of the business allowed by the special use permit shall provide the Kendall County Sheriff's Office access to security system and security plans upon request by the Kendall County Sheriff's Office.
 8. The Petitioner shall file an affidavit with the County affirming compliance with the regulations contained in the Kendall County Zoning Ordinance.
 9. In the event that the Cannabis Regulation and Tax Act is amended, the more restrictive of the State or County Regulation shall apply.
8. Section 10.01.C (Special Uses in the M-1 and M-2 Districts) is amended by adding the following:
Adult-Use Cannabis Transporting Organization Subject to the Following Conditions:
1. Facility may not be located within one thousand five hundred feet (1,500') of the property line of a pre-existing public or private nursery school, preschool, primary or secondary school, day care center, day care home or residential care home. Learning centers and vocational/trade centers shall not be classified as a public or private school for purposes of this Section.
 2. Facility may not be located in a dwelling unit or within two hundred fifty feet (250') of the property line of a pre-existing property zoned or used for residential purposes.
 3. Facility may not be located within one thousand five hundred feet (1,500') of the property line of a pre-existing forest preserve, public park, or place of worship.
 4. The transporting organization shall be the sole use of the tenant space in which it is located and shall not transport any other products beside cannabis, unless specifically allowed by the Special Use Permit.
 5. Facility may not conduct any sales or distribution of cannabis other than as authorized by the Cannabis Regulation and Tax Act.
 6. At the time of application, the Petitioner shall submit the following information:
 - a. A statement regarding the impact of the proposed facility on existing or planned uses located within the vicinity of the subject property.
 - b. Information on the proposed structure the facility will be located, including co-tenancy (if located in a multi-tenant building), (including type of security system and plans to address operations when security and surveillance system malfunction) total square footage, security installations/security plan and building code compliance.
 - c. Hours of operation.
 - d. Anticipated number of employees and customers.
 - e. Anticipated parking demand and available parking supply.
 - f. Anticipated traffic generation in the context of adjacent roadway capacity and access

- to such roadways.
 - g. Site design, including access points and internal site circulation.
 - h. Proposed signage plan.
 - i. Other criteria as may be necessary to determine Findings of Fact of the Special Use Permit application.
7. The Operator of the business allowed by the special use permit shall provide the Kendall County Sheriff's Office access to security system and security plans upon request by the Kendall County Sheriff's Office.
 8. The Petitioner shall file an affidavit with the County affirming compliance with the regulations contained in the Kendall County Zoning Ordinance.
 9. In the event that the Cannabis Regulation and Tax Act is amended, the more restrictive of the State or County Regulation shall apply.
9. Appendix 9-The Table of Uses is hereby amended to reflect the addition of these uses in the proper zoning districts.
 10. Any reference citation errors created by the addition of these definitions and uses to the Zoning Ordinance shall be corrected.
 11. If any provision of this Ordinance or application thereof to any person or circumstances is ruled unconstitutional or otherwise invalid, such invalidity shall affect other provisions or applications of this Ordinance that can be given effect without the invalid application or provision, and each invalid provision or invalid application of this Ordinance is severable.

Understanding the County Role in the Growing World of Legal Cannabis

Saturday, July 13, 1:45 PM – 3:00 PM | Bronze 2 & 3, Grand Salon | Bally's

Meeting Agenda

To date, ten states and the District of Columbia have legalized recreational usage of cannabis to some extent, with another 33 states having legalized medicinal usage in some form. Understanding what effect state legalization may have on your county and how best to prepare to navigate the fast-growing cannabis industry is vital. This session will provide county leaders with tangible examples of the successes, and pitfalls, of navigating cannabis legalization.

1:45 PM: Welcome, and Introductions

- Hon. Rex Bohn, Supervisor, Humboldt County, Calif.

1:50 PM: Panel Discussion

- Chuck Callaway, Police Director, Las Vegas Metropolitan Police Department
- Jacqueline Holloway, Director, Department of Business License, Clark County, Nev.
- Eric Johnson, Executive Director, Washington State Association of Counties
- Jim Burack, Director, Marijuana Enforcement Division, Colorado Department of Revenue

2:30 PM: Moderated Question and Answer

3:00 PM: Meeting Concludes

NACo staff contact: Brett Mattson, Legislative Assistant | bmattson@naco.org or 202.942.4234

Marijuana Licensing & Regulatory Framework

Collaboration Environment with all Relevant Agencies that Leverages Diverse Expertise from Regulators and the Industry

Involvement of the Industry, the Public, and the Green Ribbon Advisory Panel

Clearly Define the Role & Relationship of the Regulators

Goal is to be the GOLD STANDARD in the Marijuana Industry

Requirements to Submit Application
Special Use Permit from Comprehensive Planning
Registration Certificate from the Marijuana Enforcement Division
Secretary of State Business License
Certificate of Occupancy
Standard Operating Procedures (Including Security, Transportation, and Inventory)
Fees Paid
Complete Application

Requirements for Licensure
Air Quality Approval
Fire Department Approval
Background Check (for Example Agent Card from the State)
Advertising Approval
Financial Suitability (Performed by CCBL Audit Division)
On-Site Inspection
Code Conference

Best Practices

Creation of Cannabis Control Board
Prohibition of Consumption Lounges
Scheduled Courtesy Audits by CCBL Audit Division
Annual Submissions of Ownership Disclosure and Local Community Benefit Forms
Fee Structure is Reasonable for an Emerging Industry
Alignment of Regulation for Medical & Retail especially Co-Location
Open, Streamlined, Flexible, and Transparent Process

Lessons Learned

Collection of Marijuana Fees Including Construction of a Merchant Teller Room and Scheduled Appointments
Utilization of Marijuana Fees that were Earmarked for Homeless Families with Children Specifically Rapid Re-Housing
Acceptance of Applications in Electronic Form Instead of Paper Submissions
Greater than Expected Amount of Time Providing Formal & Informal Guidance Assure Compliance Standards
Marijuana Tracking System used by Licensees Lacked Maturity which Hindered Reporting and Compliance Requirements
Required Businesses that Supported Marijuana Establishments to Apply for a Marijuana Support Business thus Every Business that was in the Supply & Service Chain is Properly Licensed

NACo Conference Committee Notes

County Role in the Growing World of Legal Cannabis

Speaker #1: Chuck Calloway – NV Law Enforcement

- Cautionary Tales
 - Conflicting language in bill - transport proceeds vs. oz
 - PSA's/leaflets for tourists - what they can/can't do
 - Law enforcement advisory committee setup for training officers on what can/can't be enforced
 - Guidance for airport - dropboxes for people who think they can fly with it → only law enforcement can empty
 - Must have good relationship with cannabis industry and method to hold accountable
 - Illegal delivery and pop-ups – i.e. yoga & cannabis etc.
 - Laundering cash through ATM's at dispensaries → Banking pilot program for cannabis industry so they are not cash-only
 - Homeless dumpster diving behind airport, dispensaries, other cannabis businesses
 - Black market increase
 - Mailing cannabis

Speaker #2: Jacqueline Holloway – NV Business Licensing

- See Handout for more info
- Cautionary Tales
 - Don't accept incomplete applications
 - Odor control plan setup – structure of buildings for growhouses
 - Quarterly onsite inspections
 - Cannabis Control Board setup
 - Ownership disclosure forms annually – for any ownership % in business, look into financial background
 - Collaborative environment that is open, transparent, and flexible
 - Learn about cultivation/dispensary industry
 - Collection of Cannabis \$
 - 2.6 million quarterly
 - Must hand-count until purchase of gaming cash count machines (like the ones used in casinos)
 - Merchant teller room for turning in/picking up cash
 - Armored cart for moving cash

Speaker #3: Eric Johnson – WSACo

- WA had an unregulated medical system initially, so it took longer to harmonize medical and recreational
- Touring locations in legalized states to learn about industry is advisable
- Monitoring Impact of Legalization Report online, highlights below:
 - Grades 6-12 had no measurable changed use of cannabis
 - Adult consumption increase 14% annually, has since plateaued
 - Traffic violations/crashes with THC present have increased, but *does not necessarily mean they are under the influence while currently driving*
 - Traffic fatalities increased from 10 to 26% with THC in system
 - Drug only DUI arrests have increased 40%
 - 18/39 counties have more dispensaries than Starbucks
- 37.5% state tax with 4% going to cities/counties
- Land use – authority to ban via zoning
 - 6/39 counties have banned retail processing and production
 - Don't put growhouses in residential areas (odor)

Speaker #4: Jim Burack – CO Revenue and Enforcement

- Local gov homegrows, caregivers, and commercial are regulated as separate economies but effect each other
- Hemp = major issue because need to figure out what lane it's in:
 - cousins with marijuana, but separate commodity
 - looks similar to law enforcement, must be trained to distinguish between the two
 - alchemy of THC and CBD similar, but hemp has less %
- People, Places, Plants, Products
- Tracked, Taxed, Tested, Tagged
 - Successful equilibrium of supply and demand thanks to accurate tracking
 - 14 labs throughout the state for testing potency & setting limitations
 - No human animals/fruits for edibles to deter kids
- Numbers for 2018:
 - 1.5 billion in sales
 - 266 million state level revenue
 - 3,000 business licenses state level
 - ½ million pounds of flower and concentrate grown
- Major issues:
 - Social equity
 - High youth vaping rate – relationship between nicotine & THC
 - Publicly traded companies can own licensing
 - Illegal delivery & hospitality/clubs – not General Assembly, because local control

Do's and Don'ts for Cannabis Legalization

Do's

- A. Know that large quantities of high-quality cannabis will have a strong odor. (Think political nightmare).
- B. Realize that for some people marijuana will always be a schedule 1 drug.
- C. Listen (to everyone involved).
- D. Engage early and often with community and industry stakeholders TOGETHER.
- E. Develop relationships with key industry and community leaders who can help you communicate.
- F. Identify core regulatory goals, and work to accomplish them.
- G. Provide clear definitions and performance criteria for permits, inspections and enforcement.
- H. Have an enforcement plan in place at the same time you begin your permit process.
- I. Develop a robust inspection plan before permits are issued.
- J. Realize without the willingness to enforce, the permitting process is compromised.
- K. Be Creative, think outside the Box.
- L. Collaborate with state agencies.
- M. Evaluate your expected results and adjust based on actual results, be willing to adapt.
- N. Be specific where you want to allow and where you don't want cannabis operations.
- O. Assign experienced staff to lead the effort and train support staff early.
- P. Provide a complete list of required application materials.
- Q. Protect Prime Agricultural soils so that they may be returned to growing food crops.
- R. Seek agreement between State and Local jurisdictions on the definition of terms.
- S. Remember that cannabis is an agricultural commodity and subject to changes and impacts that affect production like any crop (weather, disease, insect pests)
- T. Collect fees upfront.

Don'ts

- 1. Don't allow cultivation of large quantities of high-quality cannabis in close proximity to residential areas (See A above).
- 2. Don't think taxing cannabis will solve all governmental economic problems.
- 3. Don't let adjoining jurisdictions be silent in the process of ordinance development. (Go talk directly to their governing body).
- 4. Do NOT accept incomplete applications.
- 5. Don't wing it...make it up as you go.
- 6. Don't expect to devise a solution that makes everybody happy.
- 7. Don't think leaders in the cannabis industry are dopes.
- 8. Don't assume all cannabis growers are wealthy.

Clark County
Green Ribbon Advisory Panel Recommendations

Green Ribbon Panel Members:

Andrew Abboud, Antonio Alamo, John DiBella, Frank Hawkins, Andrew Jolley, Carmen F. Jones, Jay Matos, Brian Padgett, Scott Sibley, Howard Starr, Lucy Stewart, Chao-Hsiung Tung, Virginia Valentine, Armen Yemenidjian.

Facilitator:

David Ebersold

Background:

On February 21, 2017, the Board approved the creation of a Green Ribbon Advisory Panel (GRAP) to include twelve (12) representatives, comprised of representatives from the Nevada Retail Association (1), the Nevada Resort Association (1), Local Casino interests (2), Medical Marijuana Dispensaries (1), Medical Marijuana Cultivators (1) Medical Marijuana Cultivators not associated with a Medical Marijuana Dispensary (1), Medical Marijuana Laboratories (1), Medical Marijuana Production Establishments (1), Medical Marijuana Patient Advocates (1), Medical Marijuana Industry Associations (1) and the Nevada Gaming Control Board/Gaming Commission (1).

The intent of the Green Ribbon Advisory Panel is to make recommendations to the Board concerning Land Use and Business License code amendments for the regulation of recreational marijuana establishments in Unincorporated Clark County.

On March 8, 2017, the Board appointed twelve (12) members to the GRAP to represent the categories listed above.

Further, on March 21, 2017, the Board of County Commissioners appointed two (2) additional at-large members to the GRAP.

The Green Ribbon Advisory Panel met on the following dates at the Clark County Department of Building and Fire Prevention, Presentation Room at 4701 West Russell Road, Las Vegas Nevada 89118:

March 27, 2017

April 3, 2017

April 7, 2017

April 24, 2017

Each agenda item was properly noticed and posted at seven (7) locations including the Clark County website, www.clarkcountynv.gov. A transcript of each meeting will be made available, upon request.

Based on the meetings as noted above, the following document represents the Land Use and Business License recommendations that will be made to the Board of County Commissioners on May 2, 2017.

Representatives of the Nevada Gaming Commission and Board, Nevada Resort Association and Local Casino interests did not take a position on any items that facilitate the legalization of marijuana (medical and recreational).

**DRAFT RECOMMENDATIONS OF THE GREEN RIBBON
ADVISORY PANEL**

**LAND USE REQUIREMENTS AND BUSINESS LICENSING: KEY
CONCEPTS FOR THE LICENSE AND REGULATION OF RETAIL
MARIJUANA**

The Panel recommends:

1. A priority is to maintain the existing successful medical marijuana program while implementing the licensing and regulation of retail marijuana.

RECOMMENDATION NO. 1: Existing Medical Marijuana licensees in good standing will be offered the privilege of applying for a retail marijuana license at the existing licensed location or an alternative location if co-location is not permissible.

- Existing cultivation, production and laboratory medical marijuana establishments have obtained land use and public safety approvals and therefore can seamlessly onboard retail marijuana operations through land use and business license administrative processes. Medical marijuana dispensaries will require a new special use permit for retail marijuana sales.

RECOMMENDATION NO. 2: Hours of operation for medical marijuana establishments and retail marijuana establishments should remain from 7:00 a.m. to 3:00 a.m.

- Current land use code includes a sunset provision to take effect on January 1, 2018, that would revert hours of operation back to 6:00 a.m. to 10:00 p.m. as originally enacted. Panel recommends removal of sunset provision so hours of operation remain 7:00 a.m. to 3:00 a.m.

RECOMMENDATION NO. 3: A "Master Marijuana Business License" can streamline the application process for medical marijuana establishments to onboard retail marijuana operations under one license.

- The licensing and regulation of retail marijuana establishments within the existing framework for medical marijuana eliminates the need for two separate sets of regulations and operating requirements (such as transportation, delivery, security plans).

RECOMMENDATION NO. 4: Dispensaries with both medical and retail marijuana must accommodate a medical patient's request for a confidential and private consultation within the available space.

*patients &
patient
advocates*

RECOMMENDATION NO 5: The patient cost of medical marijuana should be significantly less than the purchase price for retail marijuana. Initially in Clark County, retail marijuana establishments should operate under the same fee structure as existing medical marijuana establishments. Once permanent State regulations are in place, if medical marijuana does not cost significantly less than retail marijuana, strong consideration should be given to reducing fees for medical marijuana in order to lower the cost of medicine for the medical marijuana patients.

- Current Comprehensive Planning land use application fee structure:
 - \$5,000 for a Special Use Permit for the establishment of a new facility
 - \$2,500 for an Extension of Time
- Current Business License fee structure:
 - \$1,500 application fee.
 - \$500 for additional location under the same ownership.
 - \$250.00 flat fee for delivery between establishments with common ownership with no sale transactions can be amended as the fee for marijuana distributors.
- License fees: Quarterly fees based on gross revenue:
 - 1% of gross revenue not to exceed \$150,000 per quarter
 - 2% of gross revenue between \$150,000 – \$400,000
 - 3% of gross revenue over \$400,000

RECOMMENDATION NO. 6: Marijuana distribution licenses can be included in the Master Marijuana Establishment Category for existing medical marijuana licensees to allow for streamlined processing at County level.

- Proposed regulations from Nevada Department of Taxation would allow applications for marijuana distribution licenses by:
 - Licensed liquor wholesalers
 - Medical marijuana establishments holding registration certificates in good standing
 - Applicants currently transporting medical marijuana whose employees hold valid marijuana agent registration cards

2. A priority is the prohibition of delivery and consumption of marijuana within the Las Vegas Boulevard Gaming Corridor, H1 Zones, and on the premises of any restricted or non-restricted gaming licensee to comply with the Nevada Gaming Commission and Board's prohibition of any consumption and possession of marijuana on gaming properties.

RECOMMENDATION NO. 1: Delivery and consumption of retail marijuana to establishments within the Las Vegas Boulevard Gaming Corridor, H1 Zones and on the premises of any restricted or non-restricted gaming licensee should be prohibited.

- Licensed retail marijuana stores may deliver to a customer's residence which is consistent with proposed regulations by the State, provided that deliverers must demand and verify proof of age of recipient. Delivery is prohibited within the Las Vegas Boulevard Gaming Corridor, H1 Zones, and on the premises of any restricted or non-restricted gaming licensee.

RECOMMENDATION NO. 2: While we believe that the panel needs additional time to work cooperatively across all interests, we believe that the creation of a privileged license category for a marijuana consumption lounge after the State has begun to grant temporary retail licenses will accommodate marijuana tourism while preventing the consumption and possession of marijuana within the Las Vegas Boulevard Gaming Corridor, H1 Zones, and on the premises of any restricted or non-restricted gaming licensee.

3. *A priority is the public health and safety of residents and tourists (especially children and medical marijuana patients) living and visiting Clark County.*

RECOMMENDATION NO. 1: Until the passage of regulations for retail marijuana operations by the Nevada Department of Taxation, all operational requirements existing for medical marijuana establishments, where possible, should be maintained for the operation of retail marijuana establishments. Upon the passage of State legislation, the County shall adopt any additional regulations and requirements that may include, but not limited to:

- Packaging and labeling requirements
- Standardized dosing instructions and THC potency information
- Child proof protection by using child proof packaging or child proof exit bags.
- Educational information dispensed with product to include education on recreational use (start low, go slow).
- Cease production and sale of edible marijuana whose name maybe confusing to children. e.g.. "girl scout cookies."

RECOMMENDATION NO 2: Laboratories should employ testing protocols to ensure reliable results, including the measurement of levels of potency and microbials in products.

- The County shall adopt regulations for standardized dosing instructions and THC potency information for retail marijuana upon passage by the Nevada Department of Taxation.
- The County may conduct testing, such as round robin testing, to verify the effectiveness of testing protocols.
- All testing results should be readily accessible to the Business License Department.

RECOMMENDATION NO. 3: An education campaign should be developed cooperatively by various stakeholders in the industry to address the following:

- Medical problems associated with marijuana use including side effects of consuming marijuana with alcohol and other substances.
- Compliance with the prohibition of marijuana delivery and consumption within the Las Vegas Boulevard Gaming Corridor, H1 Zones, and on the premises of any restricted or non-restricted gaming licensee, and the McCarran Aviation System.
- Visitors entering or leaving Clark County via the McCarran Aviation system and highways, to educate on the criminal penalties of failing to comply with regulations.
- Medical marijuana operators may continue their educational plans to medical marijuana patients and may expand their educational efforts to retail consumers.

4. A priority is the McCarran Aviation System's compliance with federal regulations.

RECOMMENDATION NO. 1: The McCarran Aviation System should provide amnesty boxes at locations for passengers prior to entering the secured areas of the airports, as well as at rental car returns.

RECOMMENDATION NO. 2: In order to comply with Federal regulations, Clark County should adopt an ordinance prohibiting the possession, distribution, and consumption of medical or retail marijuana within the McCarran Aviation system.

5. A priority is maintaining the positive image, quality, perception and appearance of our communities.

RECOMMENDATION NO. 1: The existing air quality standards should be extended to retail marijuana establishments and applications for retail marijuana business licenses should include an odor control plan to eliminate smell emanating outside of marijuana facilities.

RECOMMENDATION NO. 2: Retail marijuana establishments should maintain the same advertising rules and restrictions as required for medical marijuana establishments. Upon passage of any State legislation, the County shall adopt all additional regulations and requirements.

6. A priority is to continue the on-going dialogue and comprehensive collaboration of the Green Ribbon Advisory Panel, which may include the formation of sub-committees, to implement the priorities and recommendations contained herein.
