6 Year Sentence for Delivery of MDA

Kendall County State's Attorney Eric Weis announced that Jacob Marcucci (dob: 05/15/01, 2450 Wild Dunes Cir.) of Aurora, Illinois was sentenced to 6 years in the Illinois Department of Corrections by the Honorable Robert Pilmer on the charge of Unlawful Delivery of a Controlled Substance, a Class X Felony, in a negotiated plea agreement last week.

According to Weis, Marcucci had delivered 20 pills of MDA, commonly known as Sally, to an undercover police officer working with the Kendall County Police Assistance Team in March of 2020. As the investigation unfolded, an arrest warrant was issued for Marcucci and he was apprehended in July of 2020. After posting bond, Marcucci remained on GPS home detention until his sentence was imposed last week when he was taken back into custody.

Marcucci will serve 18 months of mandatory supervised release upon completion of his 6-year sentence in the Illinois Department of Corrections. The case was prosecuted by Assistant State's Attorney Ryan Phelps. Marcucci was represented by attorney David Camic.
