RECITALS

1. The District owns certain parcels of land commonly known as the Millington Forest Preserve in Newark, Illinois identifiable by the following Parcel ID Numbers: 04-29-300-011; 04-29-300-013; 04-32-100-007; 04-32-100-009; 04-32-100-005, and 04-28-300-002).
2. Bright owns the property known as Brighter Daze Farm in Newark, Illinois, which includes those parcels of land identifiable by the Parcel ID Numbers (“PINS”) 04-30-400-007; 04-29-300-010 and 04-29-300-012, including an access drive to Millington Forest Preserve located on said parcels of land (“Access Drive”).
3. Millington Forest Preserve contains natural areas, stream corridors and agricultural lands that includes an unimproved turf trail corridor.
4. The District desires permitted access to the Access Drive, as set forth in further detail in the attached **Exhibit A** incorporated herein by reference, to provide vehicular and equipment access by District staff, farm operators licensed by the District, and other District contractors for the purposes of supporting row crop farming, and natural area and natural resources management activities, and other preserve maintenance activities.
5. Bright desires permitted access to the Millington Forest Preserve unimproved trail system for the purpose of horseback riding on designated trails as set forth in further detail in the **Exhibit B** incorporated herein by reference (the “Designated Trail Corridor”), and to provide voluntary assistance maintaining the Designated Trail Corridor.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants hereinafter contained and for other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the District and Bright agree as follows:

1. Incorporation

The foregoing recitals are hereby incorporated into this section as if fully reinstated herein.

2. Reciprocal Grant of License - License Period

Subject to the terms and conditions contained in this Agreement, the District grants to Bright a **twelve-month license and permit (the “Bright License”) beginning on February 23, 2023 and ending on February 23, 2024** to access the Designated Trail Corridor for horseback riding

from sunrise to sunset. Such use is to be in accordance with this Agreement. The District shall issue twenty (20) permit tags representing the total number of horses owned or boarded by Bright's family members, employees, and patrons for display when accessing the Designated Trail Corridor. Family members, employees, and patrons of Bright shall also have a non-exclusive right to use of the Designated Trail Corridor pursuant to the terms of this Agreement and the Kendall County Forest Preserve District's General Use Ordinance.

Subject to the terms and conditions of this Agreement, Bright grants to the District a **twelve-month license (the "District License") beginning on February 24, 2023 and ending on February 24, 2024** to access Millington Forest Preserve for District purposes utilizing the Bright's existing Access Drive located only on those parcels named within provision 2 of the above Recitals, and further identifiable on Exhibit A.

The Access Drive and the Designated Trail Corridor may be collectively referred to herein as the "Licensed Areas".

3. Non-Exclusive Licenses

Both the Bright License and the District License shall be non-exclusive. The District and Bright shall continue their respective uses of the Licensed Areas subject to the terms and conditions of this Agreement and the Kendall County Forest Preserve District's General Use Ordinance.

This Agreement is not, and does not, constitute a lease or other rental agreement. Both Bright's and District's non-exclusive rights to use the Licensed Areas may be terminated in accordance with the terms set forth in this Agreement, where applicable.

Should conflicts in the Parties' use of the Designated Trail Corridor arise, District activities taking place at Millington Forest Preserve shall take precedence over Bright's permitted access to the Designated Trail Corridors. Bright shall temporarily cease its use of the Designated Trail Corridor under this Agreement and the Bright License when such use conflicts with the District's use of the Designated Trail Corridor ("Bright's Conflicting Use"). Bright's Conflicting Use shall cease until such a time when Bright's use of the Designated Trail Corridor no longer conflicts with District's use of same. The District shall provide notice to Bright of the potential of a conflicting use of the Designated Trail Corridor within a reasonable time of District becoming aware of same.

4. District Access to the Access Drive

The District shall have the right, but not the obligation, to access Millington Forest Preserve using the Access Drive between 9 am and 4 pm Monday through Thursday ("Regular Business Hours"). The District shall use the Access Drive in such manner as to not unreasonably interfere with the rights of Bright under this Agreement, including but not limited to driving at or below a speed limit of ten miles per hour (10 mph). Bright shall provide to the District reasonable use of the Access Drive outside of Regular Business Hours upon request from the District as set forth in this Section 4.

The District acknowledges that Bright utilizes a gate to control access to the Access Drive. Bright shall provide to District use of the apparatus responsible for operating the gate, including but not limited to any access codes necessary for gate operation, to permit District use of the Access Drive within Regular Business Hours.

Should the District require use of the Access Drive outside of Regular Business Hours, the District shall request same from Bright as set forth herein. The District shall make a request to use the Access Drive outside of Regular Business Hours by contacting representatives of Bright via telephone or email using the following contact information:

5. Payment Provisions

Bright shall provide a lump sum payment to the District of one dollar (\$1.00) paid-in-hand representing payment in full for the twelve-month License for use of the Designated Trail Corridor. District shall provide a lump sum payment to Bright of one dollar (\$1.00) paid-in-hand representing payment in full for the District License.

6. Trail Maintenance

Bright, its contractors, agents and volunteers may, at Bright's own expense, perform routine maintenance within the Designated Trail Corridor ("Routine Maintenance"). Routine Maintenance shall be limited to clearing of overhanging limbs or vegetation within the Designated Trail Corridor. No motorized power equipment, mowers, or chemicals which may cause trail compaction, erosion or other impacts to surrounding flora and vegetation may be used or applied during Routine Maintenance without receiving prior written permission from the District's Executive Director. Bright shall not make any structural improvements and/or changes to the District's property without the prior written consent of the District. Bright shall email the District at dguritz@kendallcountyil.gov at least twenty-four (24) hours prior to entering the Designated Trail Corridor to perform any Routine Maintenance. Bright shall be prohibited from performing Routine Maintenance when instructed not to do so by the District or its Executive Director.

Bright shall indemnify, defend and hold-harmless the District, its officials, officers, employees, including their past, present, and future Commissioners, elected officials and agents, from any cause or claim related to or arising out of Bright's, its contractor's, agents and/or volunteer's Routine Maintenance in conformity with the indemnification provisions provided herein.

Bright may, with the prior written consent of District, contract out Routine Maintenance of the Designated Trail Corridor provided that any contractor engaged by Bright for such purpose, or

any subcontractor of such contractor, is approved by the District and complies with the insurance and indemnification requirements contained herein ("Maintenance Contractor"). Bright acknowledges and agrees that the District expressly withholds prior authorization from Bright to contract out any Routine Maintenance or any other work that would constitute a "public work" under the Illinois Prevailing Wage Act (820 ILCS 130/0.01 *et seq.*)

Bright shall have the following clauses placed within any contracts with Maintenance Contractors who will be tasked with maintenance activities, including but not limited to Routine Maintenance, in the Licensed Areas:

- a. Maintenance Contractor shall indemnify, hold harmless and defend with counsel of the District's own choosing, the District, its officials, officers, employees, including their past, present, and future Commissioners, elected officials and agents from and against all liability, claims, suits, demands, proceedings and actions, including costs, reasonable fees and expense of defense, arising from any loss, damage, injury, death, or loss or damage to property (collectively, "Claims"), to the extent such Claims result from the performance of this contract by Contractor or those Claims are due to any negligent, intentional, or willful acts, errors, omissions or misconduct of Contractor in its performance under this Agreement. Nothing contained herein shall be construed as prohibiting the District, its officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, proceedings and actions brought against them. Indemnification obligations shall survive the termination of this Agreement.

- b. Maintenance Contractor shall obtain and continue in force, during the term of the Agreement, all insurance as set forth below. Each insurance policy shall not be cancelled or changed without thirty (30) days prior written notice, given by the insurance carrier to the District. Before starting work hereunder, Contractor shall deposit with the District certificates evidencing the insurance it is to provide hereunder: (a) Worker's Compensation and Occupational Disease Disability insurance, as required by the State of Illinois, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease, (b) Employer's comprehensive general liability insurance for both personal injury and property damage in the minimum amount of \$1,000,000 per occurrence and \$2,000,000 aggregate per project, (c) Comprehensive business automobile liability insurance in the minimum amount of \$1,000,000 combined single limit, (d) Minimum umbrella occurrence insurance of \$5,000,000 per occurrence and \$5,000,000 aggregate, (e) and if Professional Services shall be contracted for, Professional liability insurance in the minimum amount of \$1,000,000 combined single limit. The District shall be named as an Additional Insured on a Primary and Non-Contributory basis with respect to all liability coverage. Further, all liability and workers' compensation policies must include a waiver of subrogation in favor of the District. The District shall also be designated as the certificate holder. The District's or BrighterDaze Farm, LLC failure to demand such certificate of insurance shall not act as a waiver of Contractor's obligation to maintain the insurance required under this Agreement. The insurance required under this Agreement does not represent that coverage and limits will necessarily be adequate to protect Contractor, nor be deemed as a limitation on Contractor's liability to the District in this Agreement.

Maintenance Contractor will also obtain Insurance against damage or destruction to the District's property and all Property, whether or not owned by the District; that is located at the site of the work, providing "all risk" peril coverage, in the amount of 100% of

replacement costs (collectively "All Risk Insurance"). Such insurance shall have an agreed amount endorsement if available.

All policies of insurance required hereunder shall be written by carriers which possess an A- policyholders rating or better and a minimum Class VII financial size category as listed at the time of issuance by A.M. Best Insurance Reports (the aforesaid rating classifications to be adjusted if and to the extent that Best adjusts its rating categories).

At the request of Bright, the District may consider reducing insurance and liability coverage limits for Maintenance Contractors. Bright shall submit written requests specifically outlining the work to be performed and available insurance coverage limits to the District at least forty-five (45) days in advance of the work to be performed in order to provide sufficient time for the District to consider and approve or deny the Bright 's request. At least thirty (30) days prior to the beginning of any such contract or subcontract work on the Licensed Areas, Bright shall submit to the District a list of all persons or entities who will provide maintenance services on behalf of Bright together with their certificates of insurance demonstrating compliance with the insurance requirements set forth above. The District may require, but is not obligated to provide, its approval of Maintenance Contractors prior to the services being rendered, and if required, such approval shall not be unreasonably withheld or delayed.

- c. Maintenance Contractors shall comply with all federal, state and local rules, regulations and licensing requirements, including without limitation licensing requirements of Kendall County and the District, in the conduct of their business and the performance of maintenance services.
