Roll Call

Attendee	Status	Arrived	Left Meeting
Amy Cesich	Present		
Brian DeBolt	Yes		
Elizabeth Flowers	Present		
Scott Gengler	Here		
Ruben Rodriguez	Here		

With five members present, a quorum was established to conduct committee business.

Others present: Scott Koeppel, County Administrator

Approval of Agenda Motion made by Member DeBolt, second by Member Gengler to approve the agenda. **With five members in agreement, the minutes were approved by a 5-0 vote.**

Approval of Minutes – Motion made by Member Rodriguez, to approve the minutes from August 24, 2022, second by Member Flowers. **With five members in agreement, the minutes were approved by a 5-0 vote.**

Monthly Reports

- **Census Log** – County Administrator Scott Koeppel reviewed the census log with the committee and noted that stray intakes for dogs and owner-surrenders are slightly up. There are currently 11 dogs and 8 cats at the facility. A lot of cats have been adopted this year. The number of rescued animals has been high recently. Mr. Koeppel highly recommends chipping your dog since it is much easier to find the owner and chips are free at Animal Control. **Written report provided.**
- **Bite Report** – Mr. Koeppel reviewed the Bite Report, noted there was a significant number of bite reports 28 total, 3 cat bites, 25 dog bites. **Written report provided.**
- **Operations Report** – Mr. Koeppel reported they are scheduling micro chipping a month in advance. They are doing a couple a day and multiple animals can be chipped per household. The cost of the microchips is a bit higher but is well worth it when dogs can be returned to the owners more quickly.

HR and Director Prestegaard are working together on ways to fill the full-time Kennel Technician position. Currently there are 2 full-time staff and 2 part-time employees at the facility. **Written report provided.**

Accounting Report – Mr. Koepfel reviewed the monthly report with the committee. Due to the lack of staff the budget looks good. The number of rabies tags sold has improved but is only at 58% of the budget - through August. This should be closer to 70%, but this could improve next year with the three year tags cycle that Dr. Schlapp had mentioned. The fund balance is good at \$212,000 and other balances are doing well. **Written report provided.**

Committee Business

- *Discussion of Donations Made to KC Animal Control* – Mr. Koepfel checked with the State’s Attorney’s office to make sure we could accept donations at the facility since we are not a non-profit. He briefed the committee that Latreese Caldwell and Jennifer Karrales are working on an inventory control process in order to log and track donations more efficiently and to acknowledge the donators for their donations. The committee discussed better ways to organize the donation area and is considering a color-coding system. This would be ideal for tracking expiration dates, especially the dog food.
- *Discussion of Notice to Heirs and Legatees of the Estate of Max C. Gartner* – The committee reviewed the notice provided to them. Mr. Koepfel stated that we are named in their will but the notice does not show the amount or other details of the notice. He would like to send this to the States Attorney’s Office for assistance on how to appropriately handle this.

Motion made by member DeBolt, second by member Rodriguez to send the *Notice to Heirs and Legatees of the Estate of Max C. Gartner* to the State’s Attorney’s office.

With five members in agreement, the motion carried by a vote of 5 -0.

- *Hiring Update* – Mr. Koepfel mentioned that one part-time person left the department but another came back. HR is working on the best outcome to get the new full-time position filled. The position has not been posted yet due to the possibility of hiring someone from within.

Subject: [External] Rabies Tag Fees

CAUTION - This email originated from outside the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good afternoon, I am directing this email to Amy Cesich in her role as Committee Chair of the Kendall County Animal Control Committee. I am asking that Ms Cesich share my point of view with the Animal Control Committee.

This morning I purchased a new rabies tag for my dog. I was charged \$65 for the 3-year tag because my dog is not neutered. Had he been neutered the charge would have been only \$30. Likewise last year at this time, I purchased the one year version of the rabies tag for the same dog. I was charged \$27 because my dog was not neutered. Had he been neutered the charge would have been only \$12. I understand and even support the philosophy behind the increased charge for non-altered dogs. I commend you for charging a significant difference - more than double the fee - rather than a token amount which often fails to send the intended message.

However, I feel your fee structure ignores the fact that young dogs cannot and should not be altered before their breed's recommended age. Last year my dog was only four months old when I purchased his tag. Our vet does not provide the three year vaccine so I had to get the one year tag. He is 16 months old now and is still too young to be neutered. In fact, I bought the tag on the way home from the vet today where I had a discussion with the vet on the proper timing to neuter a male Newfoundland. There is a lot of opinion available that giant breed dogs should wait longer to be altered with many opinions stating no sooner than three years. Our vet which we use and trust for many years explained the pros and cons and specifically related to my dog stated the opinion that a male Newfoundland should be neutered between 18 and 24 months; the females should be closer to 36 months as they tend to have a longer development period and there is a higher incidence of cancer in the females that is not seen in the males. Again, my dog is 16 months old, not 18; even if I wanted to neuter him my vet would not do it at this age.

Granted we could probably find a range of vet opinions that say otherwise; that say 12 months is allowable, or age varies by breed. That would be a burden to your department to draw the line on. However, the whole issue is even more obvious when I look back at last year and a four month old

puppy - no reputable vet would perform the surgery on a puppy that young yet your policy implies it should be done.

Frankly, I feel punished for watching out for the health of my dog. To have him neutered - at too young an age - and take advantage of the lower tag rate puts the health of my dog at risk. Clearly I won't do that and neither will my vet. Again, I commend your philosophy for the policy, but it is a black and white policy for a gray area issue. It doesn't fit. I would suggest you charge the same fee for all dogs less than 12 months old - yes, even up to the \$27. Once they are at least a year old, look at other criteria to implement the altered/non-altered fee: size (small, medium, large), by weight, by breed, by age, by gender, or a combination of these. Maybe an "interim fee" for dogs under three years, or males under two while females under three? The details would best be left to the committee in concert with the director and her staff. My point is simply to recognize the policy needs to consider the health aspects of the dog and consider the owners who are doing just that.

Lastly, I think we are on the same page with the issue of caring for the animals. This isn't about the amount of the fee; I'm not going to get my dog fixed too early to save thirty five bucks. I've worked in municipal government for years and support simple policy over interpretative policy especially when it comes to fees. My wife and I have been involved with animal rescues for many years, we have fostered quite a few dogs, and adopted some as well. So we actively work to address similar issues as animal control does. I feel a significant disconnect between the policy and the health concerns with responsible pet owners having to carry the added cost of a simplistic policy.

Thank you for taking the time to consider my point of view. I hope it spurs some discussion and change ahead.

Emergency Management Report

November 2022

○ **KCEMA Operations**

- Editing of general orders as part of our policy project will be offer for review soon.
- Two tall metal storage cabinets for the EOC are installed.
- 8 new Kenwood HT radios have been ordered
- Working on firming up the required member training for the agency.
- EOP rewrite – due March 2023
- ILCATT rewrite - due early spring of 2023
- Reaccreditation is May 15th 2023

○ **Light Tower**

- We'll be asking the finance committee for funds to purchase a light tower. KCEMA borrowed one from Plainfield EMA for election day. We need one again for election day in April of 2023. Many other uses as well.

○ **ILEAS Radios**

- No Winlink repeater just yet. The ILEAS guys have a lot on their plates.

○ **Nuclear**

- 4th quarter REP meeting in Springfield was held 11/29/22.
- Dresden's drill schedule has been changed. Here's the dates;
 - Pre-exercise – February 22nd 2023
 - Exercise – March 28th 2023
- Constellation (ComEd) is shedding its sirens. LaSalle and DeWitt Counties are first on the list. The sirens will be donated to a municipality or County. Of course the new owner will need to pay for maintenance. A swap out of the radios will need to be done as well as a transfer of the easement ownership of the land where the siren is installed. Kendall County's turn to decide this will be in 2023.
- The target replacement for not having the siren system is IPAWS. We already have a working IPAWS system. New alert messages will be created to meet this need.
- There is no requirement for bilingual IPAWS messages at this time.
- The Dresden "Dresden Extent of Play Meeting" will be December 13th at the Grundy County EOC. This is prep for the nuke exercise in Feb/Mar 2023.

○ **KCEMA Squad Car(s)**

- An EMA volunteer did a very detailed checkout of the white squad. It needs a lot, but nothing serious. We'll be deciding what repair we need and can afford to do.

○ **Hazard Mitigation Plan**

- We're receiving lots of emails and phone calls asking questions about the HMP. Our first meeting is January 24th.

- **UCP Status (Our command bus)**
 - Most of the cabling needed for the new mast camera and network video recorder has been done. The camera has a long lead time, so we're waiting.
 - Planning to program the new Yaesu FT-400XR VHF/UHF radio in the coming weeks.
 - We'll be installing a hand-held UP/DOWN switch on a cable by the passenger door of the bus. The switch will be used to raise and lower the mast with human eyes on it. The automated system that prevents the mast from hitting a power line or bridge is broken and very expensive to replace. LDV suggested the method we'll use to replace its function.

- **Meetings/Training/Volunteers/Details**
 - We routinely host Corrections, the Sheriff's Office, and KENCOM here in the EOC for training and meetings.
 - ILEAS meeting twice a month.
 - The next KCEMA meeting is Monday January 9th 6:30, (Holiday party) and Monday January 16th 1830 in the EOC (training).
 - KCEMA is hosting the ARES Region 3 & 4 EC meeting on the 3rd Tuesday of each month.
