## Connect Kendall County Commission (CKCC) is Seeking Members from the Public

The Kendall County Board have passed a resolution in creating the Connect Kendall County Commission. Due to a Broadband Feasibility Assessment finding that Kendall County contains areas of unserved and underserved connectivity, the Kendall County Board is determined to provide high speed connectivity to all residents. Thus, a special committee is dedicated to solving the broadband issues in the county is in the best interest of the citizens. If you wish to be involved, please fill out the form with your interest and the interview process for appointments will begin as soon as possible. Please email [CKCC@kendallcountyil.gov](mailto:CKCC@kendallcountyil.gov) if you have any questions. The first tentative meeting for this commission will be Thursday, March 23 at 5:30 pm.
