ACKNOWLEDGMENT, WAIVER AND RELEASE OF LIABILITY

I, _____ (please print Participant's name), voluntarily choose to participate in activities for recreational and conservation purposes at one or more of the Kendall County Forest Preserve District ("District") properties, specifically I am being granted entry onto one or more of the District's properties for the purpose of bow hunting as part of the District's 2023 Bow Hunt Program ("Program").

ACKNOWLEDGMENT OF RECEIPT: By signing my name below, I acknowledge that I have received and reviewed a copy of the District's 2023 Bow Hunt Program Manual and the District's General Use Ordinance (hereinafter collectively referred to as "the Rules"). As a participant of the Program, I must abide by the District's Rules. My failure to comply with the District's Rules will result in my immediate removal from the District's properties and the Program.

ACKNOWLEDGMENT & ASSUMPTION OF RISK: I understand that hunting is a sport involving bows, and bows can be dangerous. I understand that it is my responsibility to use the utmost care in the exercise of hunting and bow safety. I agree that I am solely responsible for all hunting equipment and gear that I bring onto the District's properties, and all possible malfunctions and/or damage caused to and/or by my equipment and gear is my sole liability. I affirm that no warranty, express or implied, has been made by the District as to the condition of the District's properties and any surrounding properties, and that I understand that dangerous conditions can exist on the District's properties and surrounding properties given the natural state of the District's properties and the inherent risks that may result therein. By entering upon and remaining on District property, I accept the District's properties, the surrounding properties and any improvements in an "as is" condition.

By signing my name below, I also understand that my participation in the Program may involve risks not found in my daily life. These risks may include, without limitation, risks involved in traveling to, from, and within the District's properties, as well as risks generated by the activities in which I engage in during the Program. I recognize that these potential risks include, for example, illnesses, injuries and even death. I have made my own investigation of these risks; understand these risks; and assume all of these risks knowingly and willingly. I will take every precaution to safeguard my health and safety,

the health and safety of all other persons on the District's properties, and to protect my personal belongings from damage or theft. I represent that I am capable of participating in this Program without risk to myself or others and that I have no known medical condition(s), which would endanger me and/or others while I participate in the Program.

KNOWING THE RISKS DESCRIBED ABOVE, I AGREE, ON BEHALF OF MYSELF, MY YOUTH HUNTER (IF APPLICABLE) AND OUR FAMILY, HEIRS AND PERSONAL REPRESENTATIVE(S), TO ASSUME ALL THE RISKS AND RESPONSIBILITIES SURROUNDING MY AND MY YOUTH HUNTER'S (IF APPLICABLE) PARTICIPATION IN THE PROGRAM.

WAIVER AND RELEASE OF ALL CLAIMS: By signing my name below, I understand and agree that I am solely and fully responsible for any and all damages, injury or harm I may cause and/or sustain while participating in the Program. I hereby release, hold harmless and agree to indemnify and defend the District and its past, present and future Commissioners, insurers, employees, volunteers, and agents (hereinafter collectively referred to as "Releasees"), with counsel of the Releasees' own choosing, from and against any present or future claims, losses, liabilities, costs and expenses (including, but not limited to attorneys' fees, expert fees and court costs) for injury to any person or property, or for any other damage, which I may suffer, or for which I may be liable to any other person, related to my participation in the Program (including, but not limited to, periods in transit to or from my hunting destination). I agree that any attorney appointed to represent Releasees must be pre-approved in writing by the Kendall County State's Attorney. Releasees' participation in their defense shall not remove my duty to indemnify, defend, and hold the Releasees harmless. Releasees do not waive their defenses or immunities under the Local Government and Governmental Employees Tort Immunity Act (745 ILCS 10/1 et seq.) by reason of indemnification or insurance.

HEALTH INSURANCE; MEDICAL CARE; HEALTH AND SAFETY CONCERNS: By signing my name below, I agree that I am solely responsible for payment in full of all costs of medical and dental care I may receive for all injuries and/or illnesses that I may sustain while traveling to, from and within the District's properties and while I participate in the Program. I hereby authorize the District to obtain emergency medical care for me in the event that I need it but I am unable to obtain it for myself while on District property. I, on behalf of myself, my family, heirs and personal representative(s), agree to hold harmless, defend with counsel of the Releasees' own choosing, and indemnify the Releasees for any and all actions taken by the Releasees to obtain/provide necessary emergency medical care to me. I also agree that if I experience any serious health problems; suffer an injury; or am otherwise in a situation that raises significant health and safety concerns during the Program, the Releasees may contact the person whose name is provided above as my "emergency contact".

PHOTOGRAPH, FILM AND VOCAL RECORDING RELEASE: I hereby give consent for the District to photograph, film and/or record me during the Program. By signing my name below, I give permission for the District to use any photographs and recordings of me while participating in this Program for promotional or publicity purposes and agree that these photographs, recordings and my name may be displayed during local presentations or published in District's Program brochures, mass media publications, local newspapers, websites and social media. I hereby release the Releasees from any expectation of privacy and/or confidentiality while I am participating in the District's Program.

By signing my name below, I hereby affirm that I have carefully read and freely signed this Acknowledgment, Waiver and Release of Liability and that I, on behalf of myself and my youth hunter (if applicable) agree to be bound by all of the terms and conditions set forth above.

Kendall County Forest Preserve District
Bowhunt Program for
Support of Management of Chronic Wasting Disease in
White-tailed Deer (*Odocoileus virginianus*)

Program Participation Overview and Policies

Summary:

Kendall County Forest Preserve District supports hunting practiced in a legal, responsible, safe and ethical manner. Regulated hunting is the utilization of a renewable resource and fits within the definition and framework of conservation.

Safety is the top priority of the hunting program. The highest standards of safety are demanded from all participants involved in the program. Safety shall not be compromised.

Only *ecologically self-sustaining White-tailed deer populations* are included in the scope of this bow hunt pilot program for the 23-24 Illinois Department of Natural Resources (IDNR) archery season. Bow hunting will only be allowed in designated zones within forest preserve areas, with requirements that complement State of Illinois - Illinois Department of Natural Resources efforts to control the spread of Chronic Wasting Disease in deer populations in Kendall County.

The District has integrated hunting into the *recreational opportunities* available on various preserve sites owned and managed by the District. The activities of the bow hunt program are tailored to prevent significant changes to the District-established patterns of public use within its preserves.

Special use permits will be extended to participants completing the application process, with bow hunting allowed October 1, 2023 through January 14, 2024 in accordance with the IDNR 2023 Archery Deer Hunting Rules and Regulations (attached).

Application Requirements and Registration Schedule

Application materials will be available electronically on August 3, 2023.

1. Applications will be accepted from 2022 pilot bow hunt program year permit holders only from the beginning of the day **August 4, 2023**, to the end of the day August 20, 2023.
2. Registration opens for Kendall County residents only from the beginning of the day **August 10, 2023**, to the end of the day August 20, 2023
3. In-county and out-of-county applications will be accepted from the beginning of the day **August 16, 2023** until the end of the day August 20, 2023.
4. Registration will be closed after August 20, 2023, or after 85 permits are sold (whichever comes first), and no applications will be accepted or considered thereafter.

Applications submitted prior to the designated time above will not be accepted and a new application will have to be submitted at the appropriate date.

Applications will be accepted at the Kendall County Forest Preserve District's headquarters located at 110 W. Madison Street Yorkville, Illinois 60560, or via email to Antoinette White at awhite@kendallcountyl.gov. Only eighty-five (85) full-season permits will be issued on a first-come first-served basis during the three registration periods. A wait list will be maintained should applicants withdraw from the program prior to September 1, 2023.

In order to be considered for participation, applicants must fully complete the required application; remit payment of the \$250 non-refundable application fee (Kendall County residents), or \$350 non-refundable application fee (Non-residents); complete and submit the required waiver of liability form, and attend one of the two scheduled mandatory orientation session. *Failure to complete any of the requirements will be considered withdrawing from the program.*

Two-weekend guest passes (9-days total) may be purchased provided the following criteria are met:

1. The permit-holder will be present at all times with the weekend permit holder.
2. ALL permit holders within an assigned zone provide consent for the guest pass to be purchased from the District (\$50 for a Kendall County resident guest pass / \$100 for a non-resident guest pass).
3. The guest pass stand permit, and guest pass parking permit must be displayed at all times, and visible from ground height.
4. No gate lock keys will be issued to individuals purchasing a guest pass.

Mandatory orientation session dates are scheduled as follows:

Wednesday, August 23 @ Harris Forest Preserve Shelters 1 & 4
10460 Rt. 71 Yorkville, IL 60560
5:30 PM

Saturday, August 26 @ Harris Forest Preserve Shelter 1 & 4
10460 Rt. 71 Yorkville, IL 60560
10:00 AM

These will be the only times offered for orientation. No additional times will be available.

To be eligible for a District-issued hunting permit, every applicant must show proof of possession of all valid licenses and permits as required by Federal and Illinois State law. These will be checked at the orientation meeting. Proof of residency must also be presented in the form of a registered voting card, tax bill, or copy of recent utility bill, or driver's license. All participants must sign a waiver of liability at the mandatory orientation meeting.

Participants must have reached their ninth birthday by October 1, 2023 of the current year to be eligible to hunt. For the purpose of this program, youth

hunters are those participants who are less than seventeen (17) years old by October 1, 2023, or younger. Any participants under the age of eighteen (18) years of age must be accompanied by a person twenty-one (21) years of age or older, who will be in the immediate area (100 feet).

Following acceptance into the program, special use permits will be issued granting permission for program participants to bow hunt in one of the following specified preserve areas and zones:

| Preserve | Number of Zones |
|----------------------------|------------------------|
| Baker Woods | 3 |
| Fox River Bluffs | 6 |
| Freeman | 1 |
| Henneberry | 4 |
| Hollenback Sugar Bush | 3 |
| Jay Woods | 1 |
| Maramech-Little Rock Creek | 8 |
| Millbrook North | 7 |
| Millbrook South | 4 |
| Pickerill-Pigott | 3 |
| Richard Young | 1 |
| River Road Tree Mitigation | 1 |
| Subat | 2 |

Participants may preference or self-select a group of no more than 4-participants that will be assigned to a zone. Otherwise, the District will assign no more than 3-participants to a single zone within one of the designated preserve stand location areas.

Each participant will receive a stand tag that they will affix to their stand and made available to inspection at all times during the season. Once permits are

issued, groups are encouraged to work together to scout stand locations and support the installation of stands for the season.

All participants will be required to log their time-in and time-out upon entry and exiting designated preserve areas in order to communicate active hunting periods and stand location to other participants, as well as log their harvest data. *Failure to do so will result in being removed from the program.*

Hours for Preserve Access

Designated preserve areas may be accessed one and a half hours before sunrise to one hour after sunset. Gate keys or codes will be issued for publically-accessible preserve areas, but must be relocked following entry and exit outside of preserve hours (8:00 am to sunset). Archery hunting hours are established by State statute (half-hour before sunrise and half-hour after sunset).

Preserves will be closed to bow hunting during Firearm Seasons November 17-19, 2023 and November 30-December 3, 2023.

Stand Locations

Kendall County Forest Preserve District has pre-designated zones within each of the designated forest preserve areas. Permit holders are expected to communicate requests for District approval prior to relocating bow hunt activities from pre-designated zone areas to insure that approved changes are communicated to all participants. The District anticipates that permit holders may encounter other hunters located off forest preserve property along preserve boundaries, and requires participants to immediately communicate potential conflicts, and avoid confrontations with other legal hunters.

General Use Ordinance and Special Use Permit Violations

All program participants are expected to abide by the District's General Use Ordinance (attached). Violations of the District's General Use Ordinance, program special use permit or pilot bow hunt program policies will result in the revocation of the participant's special use permit and forfeiture of hunting privileges for the remainder of the season.

All participants must comply with all Federal and Illinois State rules and regulations, unless the District regulations are more restrictive.

Bow Hunt Stand and Clothing Requirements

All program participants will provide their own stand. For tree-based stands, participants are required to own and utilize a stand equipped with safety harness system purchased from a reputable manufacturer. Only tree stands using a strap-based system for securing steps and platforms are allowed.

All program participants will wear blaze-orange vests and hats at all times.

Chronic Wasting Disease Mandatory Testing

CWD is under management in Kendall County with multiple confirmed positive tests for CWD from ongoing annual deer harvests conducted in recent years. For deer culled from forest preserve areas during the 2023 bow hunt season tested positive for CWD. All permitted District deer hunters must have their harvested deer checked for CWD at the IDNR Silver Springs State Park check station.

Participants planning for shoulder/head mount taxidermy must be tested for CWD. Participants can cape out and skull cap the deer to preserve the antlers. The caped head must then be dropped off within 72-hours of harvest.

Participants are required to successfully hunt a doe before hunting and taking a buck from designated preserve areas between October 1, 2023 and November 3, 2023. For the purposes of this program, an antlerless “button buck” will be treated as a doe.

Buck hunting is allowed beginning November 4, 2023, provided permit holders have logged a minimum of 20 hours during the doe-only season. Buck hunting is not permitted until the logged-hour minimum is achieved.

Rules, Regulations, Provisions, and Directives

All participants and their helpers must clearly display a District-issued parking permit on the dashboard of their vehicle. No participants shall enter District

property without a District-issued hunting permit on their person at all times. Hunting permits should be stored in an easily accessible location where they can be presented to an enforcement officer upon request.

For those hunting in gated preserves, failure to display a parking permit will result in after-hour vehicle towing, with towing costs paid at the permit holder's expense.

Parking

All participants must use designated parking areas only. No parking is allowed along county or township roads. See site/zone maps for designated parking areas.

Accessing Hunting Zones

All participants and permit holders must travel to and from their hunting zone using a District-designated route. Where available, driving on field border access lanes is allowed to deliver and pickup harvested deer and equipment. Not for hunting. Not all zones contain field border access lanes; where absent, hunter ingress and egress must be completed on foot. Pedestrian mobilized deer carts and sleds are allowed for movement of deer and equipment. While hunting, participants must park in designated lots and walk to their assigned zone. Driving anywhere other than entering the site through the designated entrance and driving to and from a designated parking area is not allowed during periods of saturated soil conditions when impact to the field border is likely. Participants should reference zone maps for authorized driving areas.

Anyone found creating damage to the land as described may be issued a citation and/or have their District hunting permit revoked. The driver of the vehicle and/or participant(s) found in violation of the above regulation is responsible for any damage to the land and any costs to repair damage incurred. The District is not responsible for any costs associated with damage to personal vehicles, costs to remove stuck vehicles, or costs to restore impacted lands to former condition.

All hunters must sign in and out on the sheet in the box, and designate their occupied hunting zone when entering and leaving District property. They must also record times and harvest. Write legibly and comment courteously when signing in and out.

Scouting and Tree Stand Information

Archery hunting participants may scout and set up tree stands beginning the day after their attendance at the mandatory orientation meeting. There is no limit to the number of tree stands in a zone.

Participants may set up anywhere within their zone based on the instructions in the zone map. Participants are encouraged to communicate with other participants in adjacent zones before selecting a stand site within their zone.

No nails, spikes, or piercing of bark is allowed in trees. Only branches with a stem diameter of less than 1.5 inches may be removed. Do not cut down small trees for shooting lanes.

Modification of land through the movement of soil, erection of structures, or installation of posts is not allowed. Permanent stands are not allowed. Deer hunting stands must be TMA-Certified (Tree stand Manufacturers Association).

Each participant can have one or two non-permitted individuals help put up and take down stands. The hunter must be present. A guest parking pass must be displayed for each helper.

Stands must display an original District-issued stand tag. The tag must be visible from the ground.

All participants must use an FAS-approved (Fall Arrest System) harness while in a tree.

Tree stands must be removed within a week after the last day of a participant's hunting opportunity. If this is a hardship, the participant must contact the District at (630) 746-1005 or email at awhite@kendallcountyil.gov.

Failure to do so violates the participants Special Use Permit and the District's General Use Ordinance, and will result in a fine and rejection of future applications by the participant.

Participants may also elect to use a TMA certified free-standing tripod or quad stand purchased from a reputable manufacturer, no more than 8' in height from the ground to the platform level (10' to 12' eye height).

Use of decoys is allowed. Hunters must wrap decoys in blaze orange when moving afield.

All harvests must be reported. Failure to report harvests will result in the loss of hunting privileges for the next hunting season. Discovery of misrepresentation, intentional false statements or deceptive reporting will not be tolerated and will result in the loss of hunting privileges indefinitely.

Field dressing of deer must be conducted more than 100 yards away from any roadway or parking area. Field-dressed deer need to be covered in transport when entering public parking areas during preserve open hours (8:00 am to sunset).

Each hunter can have one or two non-permitted individuals help track deer within the hunter's zone and drag out harvested deer. The hunter must be present. A guest parking pass must be displayed for each helper. The helper must wear blaze orange as required by State regulations when retrieving deer.

All participants must follow Illinois State check-in regulations after harvesting a deer. After checking in the harvest with IDNR, participants are also required to call or text the phone number on the District permit between 7 am and 10 pm that day or email awhite@kendallcountyil.gov. Also, they must record the harvest on the sign-in sheet at the site.

The District reserves the right to suspend hunting at any time for any reason.

Hunters are encouraged to participate with District habitat work days.

No participants shall go on private property bordering any District hunting site without first getting permission from the landowner. No participant or helper shall go into another hunt zone.

No participant shall be under the influence of or be in the possession of illegal drugs or alcohol while hunting.

Participants may only harvest white-tailed deer.

It is unlawful to make available food, salt, mineral block, supplements, attractants, or other products for ingestion by wild deer or other wildlife. This includes but is not limited to any food plot, C' Mere Deer, Crush Deer Attractants, or Deer Cane/Co cane, etc. This does not prohibit scents used for cover, masking or attracting, however, the District discourages hunters from using urine-based scents or lures.

Participants may not work together to drive or move deer.

No participant may have an arrow nocked until they are in their stand.

No still-hunting of deer is permitted.

Hunting from the ground is prohibited.

Ground-tracking of deer with a bow is not allowed with only one exception. Participants are allowed to trail a deer wounded by the participant, without an arrow nocked, until ready to dispatch the wounded deer to insure the deer is killed quickly and humanely.

Participants must pick-up and take with them all garbage generated.

Permit holders shall not lease, sell, or trade out their hunting opportunity.

**The District may temporary suspend the program in any area to conduct necessary natural resources restoration activities.*

2023 ARCHERY DEER HARVEST REPORTING & HUNTING REGULATIONS INFORMATION SHEET

Your deer permit entitles you to participate in the privilege of deer hunting. Please review this information to ensure that you comply with all of the deer hunting regulations. While hunting, please respect the rules of good sportsmanship and the property of others. Have a safe and successful deer hunt.

MANDATORY DEER HARVEST REPORTING

Successful deer hunters must register (report) their harvest by 10 p.m. on the same calendar day the deer was taken by calling the toll-free telephone check-in system at 1-866-452-4325 (1-866-IL-CHECK) or by accessing the online check-in system: <https://www.exploremoreil.com/wildlife/harvest>.

Note to cell phone users: The most common reason hunters are unable to complete their harvest report is because of a poor cell phone connection. Once you have properly tagged your deer, wait until you are out of the woods and receive a clear, strong cell phone connection before placing your call.

TAGGING: The temporary harvest tag shall be attached and properly sealed immediately upon kill and before the deer is moved, transported or field dressed. No person shall leave any deer that has been killed without properly attaching the temporary harvest tag to the deer in the manner prescribed on the permit.

HARVEST REPORTING: Hunters must register (report) their harvest by 10 p.m. on the same calendar day the deer was taken. If a hunter is not able to locate a harvested deer in sufficient time to enable reporting the harvest by 10 p.m., the hunter must immediately report the harvest upon retrieving it. When reporting, hunters will be asked a series of questions to help biologists manage Illinois' deer population (additional information below). Before checking in your deer, please look over the questions listed on the back of your permit and be prepared to answer them. Please have a pen or pencil on hand when making the call (an extra-fine-tipped permanent marker works best). Upon completion, the hunter will be provided with a confirmation number to verify that he or she checked in the harvest. The confirmation number must be written by the hunter onto the temporary harvest tag (leg tag). If the condition of the tag precludes writing on the tag in the appropriate space (i.e., bloody, etc.), the confirmation number shall be written elsewhere on the tag, or onto a piece of paper, and attached to the deer along with the temporary harvest tag (leg tag). The temporary harvest tag (leg tag) and confirmation number must remain attached to the deer until it is at the legal residence of the person who legally took or possessed the deer, the deer has been checked in, and final processing is completed. The deer must remain whole (or field dressed) until it has been checked in. In instances where deer are checked in while the hunter is still afield, the deer may not be dismembered while afield beyond quartering the animal. If quartered, all parts of the carcass (except the entrails removed during field dressing) must be transported together, and evidence of sex must remain naturally attached to one quarter. Evidence of sex is:

- A) For a buck: head with antlers attached to carcass, or attached testicle, scrotum, or penis
- B) For a doe: head attached to carcass, or attached udder (mammary) or vulva.

If the head/antlers are left with a taxidermist, the confirmation number must be recorded on the "head tag" portion of the permit, and both must remain with the deer. If the carcass is taken to a meat processor, the temporary harvest tag (leg tag) with confirmation number must remain with the deer while it is processed, and until it is at the legal residence of the person who legally took or possessed the deer. Persons delivering deer/parts of deer to a tanner must supply the tanner with either their deer permit number, their confirmation number, or written certification by the person from whom the deer was received that the specimen was legally taken or obtained.

Harvest reporting questions will include your permit number, the county or special hunt area of harvest, and the season in which you are hunting. You will also be asked the following questions. It will be helpful if you fill in the answers on this sheet before making the call. Use the ruler on the back of your permit to make any necessary measurements.

- Select the type of deer that you harvested: (1) a buck with antlers; (2) a buck without antlers; or (3) a doe.
- Was your deer a fawn last summer or is it an adult?
- How many bobcats did you see while hunting this location during this season?
- How many turkeys did you see while hunting this location during this season?
- How many wild pigs did you see while hunting in this county during this season?
- Measure the distance in MILLIMETERS from the rear edge of the nostril opening to the front corner of the eye (Fig. 3).

Additional Questions For Bucks With Antlers Only:

- How many antler points at least 25 mm long are present?
Count the total number of points on both beams, including the tip of the main beam.
- Measure the circumference in MILLIMETERS around the thickest antler beam one inch above the base.
- If the brow tine interferes with this measurement, take the measurement just below the brow tine. (Fig. 2)

ANTLERED DEER - A deer having at least one antler of a length of 3 or more inches

ANTLERLESS DEER - A deer without antlers or a deer having antlers less than 3 inches long.
