- IV. Old Business
  - a. Status of data requests from police departments. – No movement has occurred. Alice  
has sent out the first and second request with no response.
  - b. Identification of barriers to obtaining data information and problem solving. – It was  
suggested this information be brought to the SAO/SRO meeting held by Brenda Karales  
as there has been no response. The committee discussed how this information could  
better be collected through the police department existing data systems.
- V. New Business
  - a. Review of draft Kendall County Continuum of Delinquency Prevention/ Intervention –  
*The committee discussed ways we can identify the target youth and ideas for prevention  
eligibility. The committee focused on identifying prevention strategies, specifically to  
target school incidents resulting in ordinance violations.*
  - b. *Gaps identified and strategies to seek services to fill the gaps. The committee discussed  
the use of a survey to all local community agencies to identify what services currently  
exist and who could facilitate prevention curriculum.*
- VII. Citizens to be heard- Jason Bastin (OPD) and Brian Nehring (OPD). Brian Nehring requested to be  
added as a member, the committee was not opposed.
