Language Assistance Program

LIMITED ENGLISH PROFICIENCY POLICY STATEMENT AND AVAILABLE RESOURCES

Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, et seq., provides that no person shall be subjected to discrimination on the basis of race, color, or national origin under any program or activity that receives Federal financial assistance. Title VI and its implementing regulations require that certain federal grant recipients take responsible steps to ensure meaningful access to the benefits, services, information, and other important portions of their programs and activities for individuals who are Limited English Proficient (LEP). To that end, the County provides translation and interpretation services free of charge upon request by calling (630) 553-4171, via email at kcadmin@co.kendall.il.us, or via mail at Kendall County Administrator, 111 W. Fox Street, Yorkville, IL 60560. Expanded Language Assistance Program Example

This Language Assistance Program has been prepared to address Kendall County's responsibilities as recipients of federal financial assistance as they relate to the needs of individuals with limited English language skills. The County, in coordination with contracted service providers, have jointly developed this plan to help identify reasonable steps for providing language assistance to persons with limited English proficiency (LEP) who wish to access county services.

As defined in Executive Order 13166, LEP persons are those who do not speak English as their primary language and have limited ability to read, speak, write or understand English. This plan outlines how to identify a person who may need language assistance, the ways in which assistance may be provided, staff training that may be required, and how to notify LEP persons that assistance is available.

Four Factor Analysis

In order to determine the County's extent of obligation to provide LEP services, a U.S. Department of Transportation four factor LEP analysis was conducted which considers the following:

1. The number or proportion of LEP persons eligible who may be served or likely to encounter a County program, activity, or service;
2. the frequency with which LEP individuals come in contact with County services;
3. the nature and importance of the program, activity or service provided by County to the LEP population; and
4. the resources available and overall costs to provide LEP assistance.

A brief description of these considerations is provided in the following section.

1. *Service Area Demography*

According to the 2015-2019 American Community Survey 5-year estimates, of the estimated 98,357 Kendall County residents ages 5 and over, 3,907 (3.98%) residents report as LEP, or as speaking English less than "very well". The largest non-English speaking language group in the County is Spanish, constituting 2,577 (2.62%) residents. **Table X** identifies common language groups within the County and their LEP composition.

Category	Kendall County	
	Total	%
Population ages 5+	98,357	100%
Speak Only English	86,650	88.1%
Speaks another Language	11,707	11.9%
<i>Spanish</i>	7,067	7.19%
Speaks English Less than "Very Well"	2,577	2.62%
<i>Other Indo-European</i>	2,063	2.10%
Speaks English Less than "Very Well"	340	0.35%
<i>Asian and Pacific Islander</i>	1,510	1.54%
Speaks English Less than "Very Well"	626	0.64%
<i>Other Languages</i>	1,067	1.08%
Speaks English Less than "Very Well"	364	0.37%

2. Frequency of Contact

The County assess the frequency of contact with LEP residents through direct requests for language assistance and from direct experiences reported at the discretion of County service providers. To date, the County has received 6 requests for language assistance. Voluntary Action Center (VAC), the contracted public transportation service provider for the County, frequently surveys frontline staff to track the frequency of interactions with LEP residents. Generally, VAC staff respond to interacting with LEP residents between 0 and 6 times per year. The most common language request for assistance is Spanish.

3. Program Importance

Many of the federally funded programs and services provided by the County are vital to the basic well-being of County residents. Similar to assistance provided to seniors, persons with a disability, or low-income individuals, LEP residents are entitled to reasonable accommodations for access.

4. Resources Available

An assessment of available resources to provide LEP assistance, including as needed interpretation and translation services, concluded that it is feasible for the County to provide these services free of charge upon request.

Language Assistance Plan

Based on the results of the Four-Factor Analysis performed in the previous section, the County has developed the following criteria for assisting LEP residents.

Identification of LEP Assistance Needed

The following tools are intended to identify language assistance needs when preparing programs, services, and events, and to identify the language needed for assistance.

- Examine records requests for language assistance from previous meetings and events to anticipate the need for assistance at upcoming meetings;
- Have Census Bureau Language Identification Flashcards available at all meetings and other high-frequency interaction points, such as public transportation facilities; and
- Continue tracking of staff and/or contractor LEP assistance interactions to determine if modifications to the LAP are needed.

Language Assistance Measures

Based on the generally low population and interaction frequency of LEP residents, the County will implement the following measures as minimum criteria to guide future interactions.

- Network with local human service organizations that provide services to LEP individuals and seek opportunities to provide information regarding County programs and services;
- Provide interpretation and translation services free-of-charge at meetings with prior notification;
- Provide translated versions of vital documents, determined at the discretion of the department or program, upon request; and
- Provide “Spanish a plus” on job postings and flyers for positions with a high incidence of LEP interactions.
- VAC makes efforts to employ Spanish speaking dispatch staff who also reads and writes Spanish.
- VAC subscribes to an internationally known company “Language Line Solutions” which specializes in translation services both oral and written. Language Line Solutions interpreters are available in more than 240 languages and American Sign Language 24 hours a day, 7 days a week.

Staff Training

During employee orientation and subsequent employee trainings, information relative to the provisions of Title VI, inclusive of this plan, and the County's expectations of employees to perform their duties accordingly will be reviewed and discussed. Training topics include:

- Understanding the Title VI policy and other LEP responsibilities;
- What language assistance services are offered;
- Use of Language Identification Flashcards and translation services;
- Documentation of language assistance requests; and
- How to handle a Title VI and/or LEP complaint.

Outreach Techniques

When staff prepares a document or schedules a meeting for which the target audience is expected to include LEP individuals, then documents, meeting notices, flyers, and agendas will be printed in an alternative language based on the known LEP population. Interpreters will be available as needed.

Monitoring and Updating the Plan

This plan is designed to be flexible and is one that can be easily updated. At a minimum, the County will follow the required three-year update cycle of the Title VI Program or if a significant increase in LEP assistance requests occur. LAP updates will examine the following:

- The number of documented LEP person interactions encountered annually;
- How the needs of LEP persons have been addressed;
- Determination of the current LEP population in the County;
- Determination as to whether the need for translation services has changed;
- Determine whether local language assistance programs have been effective and sufficient to meet the need;
- Determine whether County financial resources are sufficient to fund the language assistance resources needed;
- Determine if the County has fully complied with the provisions of this LAP; and
- Examine whether complaints have been received concerning the County's failure to meet the needs of LEP residents.

Dissemination of the LAP

A link to the Title VI Program, inclusive of this Language Assistance Plan, is to be included on the County website at www.co.kendall.il.us and on County contractor websites when appropriate. Alternatively, any person or agency may request a paper copy of the plan via telephone, fax, mail, or in person at no cost. Translated versions of this plan will be made available upon request.
