Prepared by:	Leslie Johnson, Human Resources Director

Action Requested:

Approval of revised Section 8.1 (Personal and Banked Sick Leave Policy)

Board/Committee Review:

N/A

Fiscal impact:

none

Background and Discussion:

The Paid Leave for All Workers Act ("PLAWA") is scheduled to go into effect on January 1, 2024. PLAWA requires employers to provide 40 hours of paid leave to full-time employees on an annual basis and a pro-rata amount to part-time, seasonal, and temporary employees. Employees must be allowed to use the leave for any reason. The Illinois Department of Labor ("IDOL") has recently issued FAQs on PLAWA. The IDOL has also filed a proposed rule. The IDOL FAQs and proposed rule both indicate that if an employer has a "qualifying pre-existing paid leave policy" that is in effect before January 1, 2024, and this pre-existing policy provides 40 hours of paid leave to all of its full-time employees (and a pro rata amount for part-time, seasonal, and temporary employees) and the leave can be taken for any reason of the employee's choosing, then the policy does not need to be changed after January 1st. The proposed revisions to the County's existing Personal and Banked Sick Leave Policy would satisfy the IDOL's definition of a "qualifying pre-existing paid leave policy" so that no additional changes would be needed after January 1st when PLAWA takes effect.

Staff Recommendation:

Approval of revised Section 8.1 - Personal and Banked Sick Leave Policy

Attachments:

1. Section 8.1 – Personal and Banked Sick Leave Policy

Section 8.1	Personal and Banked Sick Leave
Effective Date: 09/01/2022	Source Doc/Dep.: None/HR
<u>Last Amended Date:</u> TBD	

Section 8.1 PERSONAL AND BANKED SICK LEAVE

Pursuant to the terms of this policy, the Employer provides paid personal leave and banked sick leave to eligible employees (as defined below).¹

A. <u>DEFINITIONS</u>

1. Eligible Employees

For purposes of this policy, "eligible employees" includes all full-time, part-time and seasonal employees. Personal leave and banked sick leave is <u>not</u> available to unpaid interns and volunteers. If an employee has any questions regarding your eligibility for personal leave and/or banked sick leave, they should contact their Designated HR Representative.

2. Workday

For purposes of this policy, a "workday" is the average number of hours an eligible employee is regularly scheduled to work in a workday. So, for example, if the eligible employee regularly works a seven and one-half (7 $\frac{1}{2}$) hour workday, the eligible employee's "workday" for purposes of this policy will be 7.5 hours of personal leave.

B. <u>PERSONAL LEAVE</u>

1. Accrual of Personal Leave

On December 1st of each year of employment, eligible full-time employees will receive the equivalent of twelve (12) workdays of paid personal leave per fiscal year.

Part-time, temporary, and seasonal eligible employees will receive a pro rata amount of personal leave on December 1st of each year, which shall be based on the number of hours they typically work in a workweek.

¹ For purposes of the Illinois Paid Leave for All Workers Act (820 ILCS 192/1 et seq.), this policy is considered a "qualified pre-existing paid leave policy" adopted prior to January 1, 2024.

An eligible employee who is on FMLA leave or some other form of approved leave on December 1st will still be eligible to receive their paid personal leave days for the fiscal year on December 1st.

If an employee becomes an "eligible employee" after December 1st, the eligible employee shall receive a pro rata amount of personal leave based upon the date they became an eligible employee. For example, if a full-time employee begins employment on June 21, the eligible employee would receive five (5) workdays of paid personal leave for the remainder of the fiscal year.

2. Use of Personal Leave

Personal leave may be used for any purpose, subject to the provisions in this policy. An employee is not required to provide the Employer with a reason for taking personal leave. The Employer will not require the employee to provide documentation or certification of the reason that personal leave was taken. An employee is not required to search for or find a replacement worker to cover the hours during which the employee will take personal leave.

Eligible employees may take personal leave in increments as small as thirty (30) minutes. Eligible employees shall be paid their regular hourly rate of pay for personal leave.

3. Trading Personal Leave

Non-probationary eligible employees have the option of trading up to a maximum of twelve (12) workdays of their current, unused personal leave for one-fourth (1/4) of their daily pay rate of the year of accrual.

Application for this trade must be made in writing no later than October 31 of the fiscal year. Non-probationary eligible employees wishing to trade their unused personal leave days must request this in writing from their Executive. The Executive will certify the number of personal leave days the non-probationary eligible employee is entitled to trade and submit this information in writing to the Kendall County Treasurer's Office.

If the eligible employee uses any of these personal days after this trade and prior to the first day of the next fiscal year, they will be deducted from the next fiscal year's twelve (12) personal days.

C. BANKED SICK LEAVE

1. Carryover of Accrued, Unused Personal Leave

Accrued personal leave that is not used or traded on or before the last day of the fiscal year it is earned may be carried over by eligible employees to the next fiscal year but may only be carried over as accrued banked sick leave (not personal leave).

2. Use of Banked Sick Leave

Banked sick leave may only be used after all personal leave days granted in the active fiscal year have been exhausted.

Accrued banked sick leave may only be used for one or more of the following reasons:

- The eligible employee is sufficiently ill so that good judgment would determine it best not to report to work;
- The eligible employee cannot report to work due to an illness or injury not arising out of or in the course of their employment;
- The eligible employee is absent due to an illness, injury, or medical appointment of the eligible employee or their spouse, domestic partner, sibling, parent, motherin-law, father-in-law, grandchild, grandparent, or stepparent for reasonable periods of time as the eligible employee's attendance may be necessary; and/or
- The eligible employee is absent due to an FMLA qualifying reason, and the eligible employee is concurrently using FMLA leave for the absence.

Banked sick leave can be accumulated up to a sum not to exceed two hundred forty (240) banked sick leave days.

Eligible employees may take banked sick leave in increments as small as thirty (30) minutes. Eligible employees shall be paid their regular hourly rate of pay for banked sick leave.

D. <u>NOTIFICATION AND APPROVAL TO USE ACCRUED PERSONAL LEAVE</u> AND BANKED SICK LEAVE

All requests to use personal leave and/or banked sick leave should be submitted in writing to the eligible employee's Executive or Executive's designee (collectively referred to as "Executive") for approval or denial. If the request is approved, the eligible employee should then forward the request and approval to the Designated HR Representative for recordkeeping purposes.

If the eligible employee is requesting to use accrued personal leave and/or banked sick leave for an unforeseeable absence (e.g., the eligible employee becomes ill): The eligible employee should call Designated HR Representative or their Executive and request the time off as soon as possible <u>but no later than one (1) hour prior to the start</u> <u>of their work shift</u>, unless such notice is not practical and/or such notice requirement has been waived by the Executive.

If the eligible employee is requesting to use accrued personal leave and/or banked sick leave for a foreseeable absence (e.g., to attend a medical, optical or dental examination appointment or treatment or any other type of foreseeable absence): The eligible employee should submit their request for time off in writing to their Executive as soon as possible <u>but no later than twenty four (24) hours prior to the start of their</u> **work shift**, unless such notice is not practical and/or such notice requirement has been waived by their Executive.

All requests to use accrued personal leave and/or banked sick leave should be made to create minimal disruption of work schedules and regular business operations if possible. All requests to use accrued personal leave and/or banked sick leave should include the eligible employee's best estimate of the duration of the absence, if possible.

Use of personal leave and/or banked sick leave is subject to approval by the eligible employee's Executive. The Executive may deny an eligible employee's request to use personal leave and/or banked sick leave if granting such leave would significantly impact business operations. The following is an illustrative (not exhaustive) list of reasons why requests to use personal leave and/or banked sick leave may be denied:

- (1) Staffing would fall below minimum levels necessary to provide effective public service;
- (2) Emergency circumstances exist requiring employee attendance; and/or
- (3) Employee absence would hamper the Employer's ability to meet critical workflow obligations or deadlines.

Disapproved personal leave and/or banked sick leave requests will be promptly returned to the eligible employee with an explanation for the denial of the time off request. The eligible employee must promptly report their absences charged to accrued personal leave and/or banked sick leave in writing to their Executive and the Designated HR Representative for recordkeeping purposes.

E. SEPARATION OF EMPLOYMENT

Upon separation of employment, the eligible employee is <u>not</u> entitled to any additional compensation for any unused personal leave days in the current year and for any accrued banked sick days from prior years. However, retiring IMRF members, 55 years of age and older, may qualify for a maximum of up to one (1) year of additional pension service credit for accrued, unused banked sick leave accumulated at the rate of one (1) month of IMRF pension service credit for every twenty (20) days of accrued, unused banked sick leave or fraction thereof.

Prepared by:	Leslie Johnson, Human Resources Director

Action Requested:

Approval of new Section 5.14 Confined Spaces Policy

Board/Committee Review:

N/A

Fiscal impact:

none

Background and Discussion:

Pursuant to OSHA requirements, Kendall County must adopt a policy stating whether entry into confined spaces is permitted. If an employee is required to enter a confined space, OSHA requires the employer to adopt detailed confined spaces entry procedures and protocols. In reviewing possible confined spaces entry procedures with the Facilities Management Director, it was determined the safest course of action would be to prevent confined space entry by County employees and to retain trained professional contractors to perform such tasks. This policy documents this for County staff.

Staff Recommendation:

Approval of Section 5.14 Confined Spaces Policy.

Attachments:

1. Section 5.14 Confined Spaces Policy

Section 5.14	Confined Spaces Policy
Effective Date: TBD Last Amended Date:	<u>Source Doc/Dep.:</u> None/HR

A. Policy Statement:

This Confined Spaces Policy is established to ensure the safety of all Kendall County by minimizing the risks associated with confined space entry. The primary objective is to prevent unauthorized entry into confined spaces and, when necessary, to ensure that such entries are conducted under controlled and supervised conditions.

B. Scope:

This policy applies to all employees working for the Employer who may encounter confined spaces as part of their job responsibilities.

C. Definitions:

- 1. <u>Confined Space</u>: A space that is large enough and so configured that an employee can bodily enter and perform assigned work, and it has limited or restricted means for entry or exit.
- 2. <u>Confined Space Entry</u>: Any activity that requires an employee to enter a confined space.

D. Prohibition of Unauthorized Entry:

Employees are strictly prohibited from entering confined spaces during their employment. If an employee believes entry into a confined space is necessary for job-related tasks, the employee must immediately report it to their immediate supervisor. The employee shall not enter the confined space under any circumstances.

E. Confined Spaces Entry Procedure:

Supervisors are responsible for identifying and labeling confined spaces within the workplace. Supervisors will determine when confined space entry is necessary. If confined space entry is necessary, the supervisor shall report it to the Executive who will then secure a trained third-party contractor to enter the confined space. The contractor shall follow its established confined spaces entry procedure in compliance with all OSHA requirements.
