**MEMORANDUM**

To: Kendall County Planning, Building and Zoning Committee  
From: Matthew H. Asselmeier, AICP, Senior Planner  
Date: September 5, 2019  
Re: Petition 19-31-Request by the Kendall County Planning, Building and Zoning Committee for Text Amendments to the Kendall County Zoning Ordinance Pertaining to Recreational and Medical Cannabis Uses

---

On June 25, 2019, the Governor signed the Cannabis Regulation and Tax Act (Public Act 101-027). This Act legalized certain recreational cannabis uses and allowed County to enact reasonable zoning regulations related to these uses.

On August 9, 2019, the Governor signed an Act related to Banking-Cannabis Businesses (Public Act 101-363). Among other actions, this Act amended the Compassionate Use of Medical Cannabis Pilot Program Act by removing the expiration deadline of medical cannabis related uses and changing the location where medical cannabis dispensary may locate.

On August 26, 2019, the Kendall County Planning, Building and Zoning Committee voted to initiate text amendments to the Kendall County Zoning Ordinance pertaining to medical and recreational cannabis uses. The Committee wanted medical cannabis related use to be regulated similarly as recreational cannabis uses from a zoning perspective. The Committee also wanted to have these regulations in place by January 1, 2020.

Attached please find the proposed changes to the Kendall County Zoning Ordinance with changes proposed by ZPAC. In summary the changes are as follows:

1. The previously adopted zoning regulations for medical cannabis uses are repealed in their entirety.
2. Definitions of Adult-Use Cannabis Business Establishment, Adult-Use Cannabis Craft Grower, Adult-Use Cannabis Cultivation Center, Adult-Use Cannabis Dispensing Organization, Adult-Use Cannabis Infuser Organization or Infuser, Adult-Use Cannabis Processing Organization or Processor, Adult-Use Cannabis Transporting Organization or Transporter, Medical Cannabis Cultivation Center or Cultivation Center, and Medical Cannabis Dispensing Organization or Dispensing Organization or Dispensary were added to the Zoning Ordinance. These definitions come from the Cannabis Regulation and Tax Act and the Compassionate Use of Medical Cannabis Program Act.
3. Adult-Use Cannabis Craft Growers are proposed to be special uses in the A-1, M-1, M-2 Zoning Districts. They are to be at minimum one thousand feet (1,000') from the property lines of pre-existing public or private nursery schools, preschools, primary or secondary schools, day care centers, day care homes, residential care homes, pre-existing properties zoned or used for residential purposes, pre-existing forest preserves, public parks, and places of worship. This distance requirement is the same distance requirement for outdoor shooting ranges.
4. Adult-Use Cannabis Cultivation Centers and Medical Cannabis Cultivation Centers are proposed to be special uses in the M-1 and M-2 Zoning Districts and will be minimum two thousand five hundred feet (2,500') from the protected uses listed in number 3 previously.

Medical Cannabis Cultivation Centers are currently special uses in the M-1 and M-2 Zoning Districts. The distance requirement was set by the Compassionate Use of Medical Cannabis Program Act.

5. Adult-Use Cannabis Dispensing Organizations and Medical Dispensing Organizations are proposed to be special use in the B-3, M-1, and M-2 Zoning Districts and will be at least one thousand feet (1,000') from the uses listed in number 3 previously except pre-existing properties used or zoned residentially. They can be at minimum two hundred fifty feet (250') from residentially used or zoned property. Public Act 101-363 removed the distance requirements for Medical Dispensing Organizations. Onsite consumption of cannabis by the public is not allowed. Hours of operation will be from 6:00 a.m. until 8:00 p.m.
6. Adult-Use Cannabis Infuser Organizations are proposed to be special use in the B-3, M-1, and M-2 Zoning Districts and will be at least one thousand five hundred feet (1,500') from the uses listed in number 3 previously except pre-existing properties used or zoned residentially. They can be at minimum two hundred fifty feet (250') from residentially used or zoned property.
7. Adult-Use Cannabis Processing Organizations are proposed to be special use in the B-3, M-1, and M-2 Zoning Districts and will be at least one thousand five hundred feet (1,500') from the uses listed in number 3 previously except pre-existing properties used or zoned residentially. They can be at minimum two hundred fifty feet (250') from residentially used or zoned property.
8. Adult-Use Cannabis Transporting Organizations are proposed to be special use in the M-1 and M-2 Zoning Districts and will be at least one thousand five hundred feet (1,500') from the uses listed in number 3 previously except pre-existing properties used or zoned residentially. They can be at minimum two hundred fifty feet (250') from residentially used or zoned property. They can only transport cannabis unless allowed by the special use permit.
9. The proposal updates Appendix 9 to reflect the addition of cannabis related uses and correct citation errors caused by adding these uses to the Zoning Ordinance.

At least one (1) Planning, Building and Zoning Committee member favored having cannabis uses in stand-alone buildings.

Maps showing the potential location of cannabis uses are attached.

Townships were notified of this proposal and September 10<sup>th</sup> meeting on August 28, 2019.

ZPAC met on this proposal on September 3, 2019. ZPAC issued a neutral recommendation and requested that information regarding surveillance, security, and security related structural requirements be added to the proposed amendment. ZPAC also requested that cannabis uses not be allowed in the B-3 District. The vote was five (5) in favor and one (1) in opposition. Fran Klaas said the County should not create zoning regulations for cannabis because it is illegal federally.

The zoning related proposal is separate from the County's consideration of opting out of allowing recreational cannabis uses.

If you have any questions, please let me know.
