### **Kendall County Sheriff's Office RSS Feed for Press Releases**

In May of 2017, we began posting all press releases on our webpage in order to better provide information to the citizens we serve. After receiving requests from members of the public and media about notification of postings, we have created a RSS feed so interested parties can be notified of any new press releases that are posted. To receive these notifications interested parties will need to subscribe to our RSS feed. In order to do so, type or copy this link:

<http://www.co.kendall.il.us/sheriff-press-release-feed/> into an RSS application of choice (for example RSS reader, Feedly, Microsoft Outlook, etc). If you need assistance in setting up the feed, feel free to contact us at [pio@co.kendall.il.us](mailto:pio@co.kendall.il.us). Separate emails for press releases are no longer being sent. We encourage everyone to follow us on Facebook and Twitter for the most current and up to date information.
