Kendall County GIS

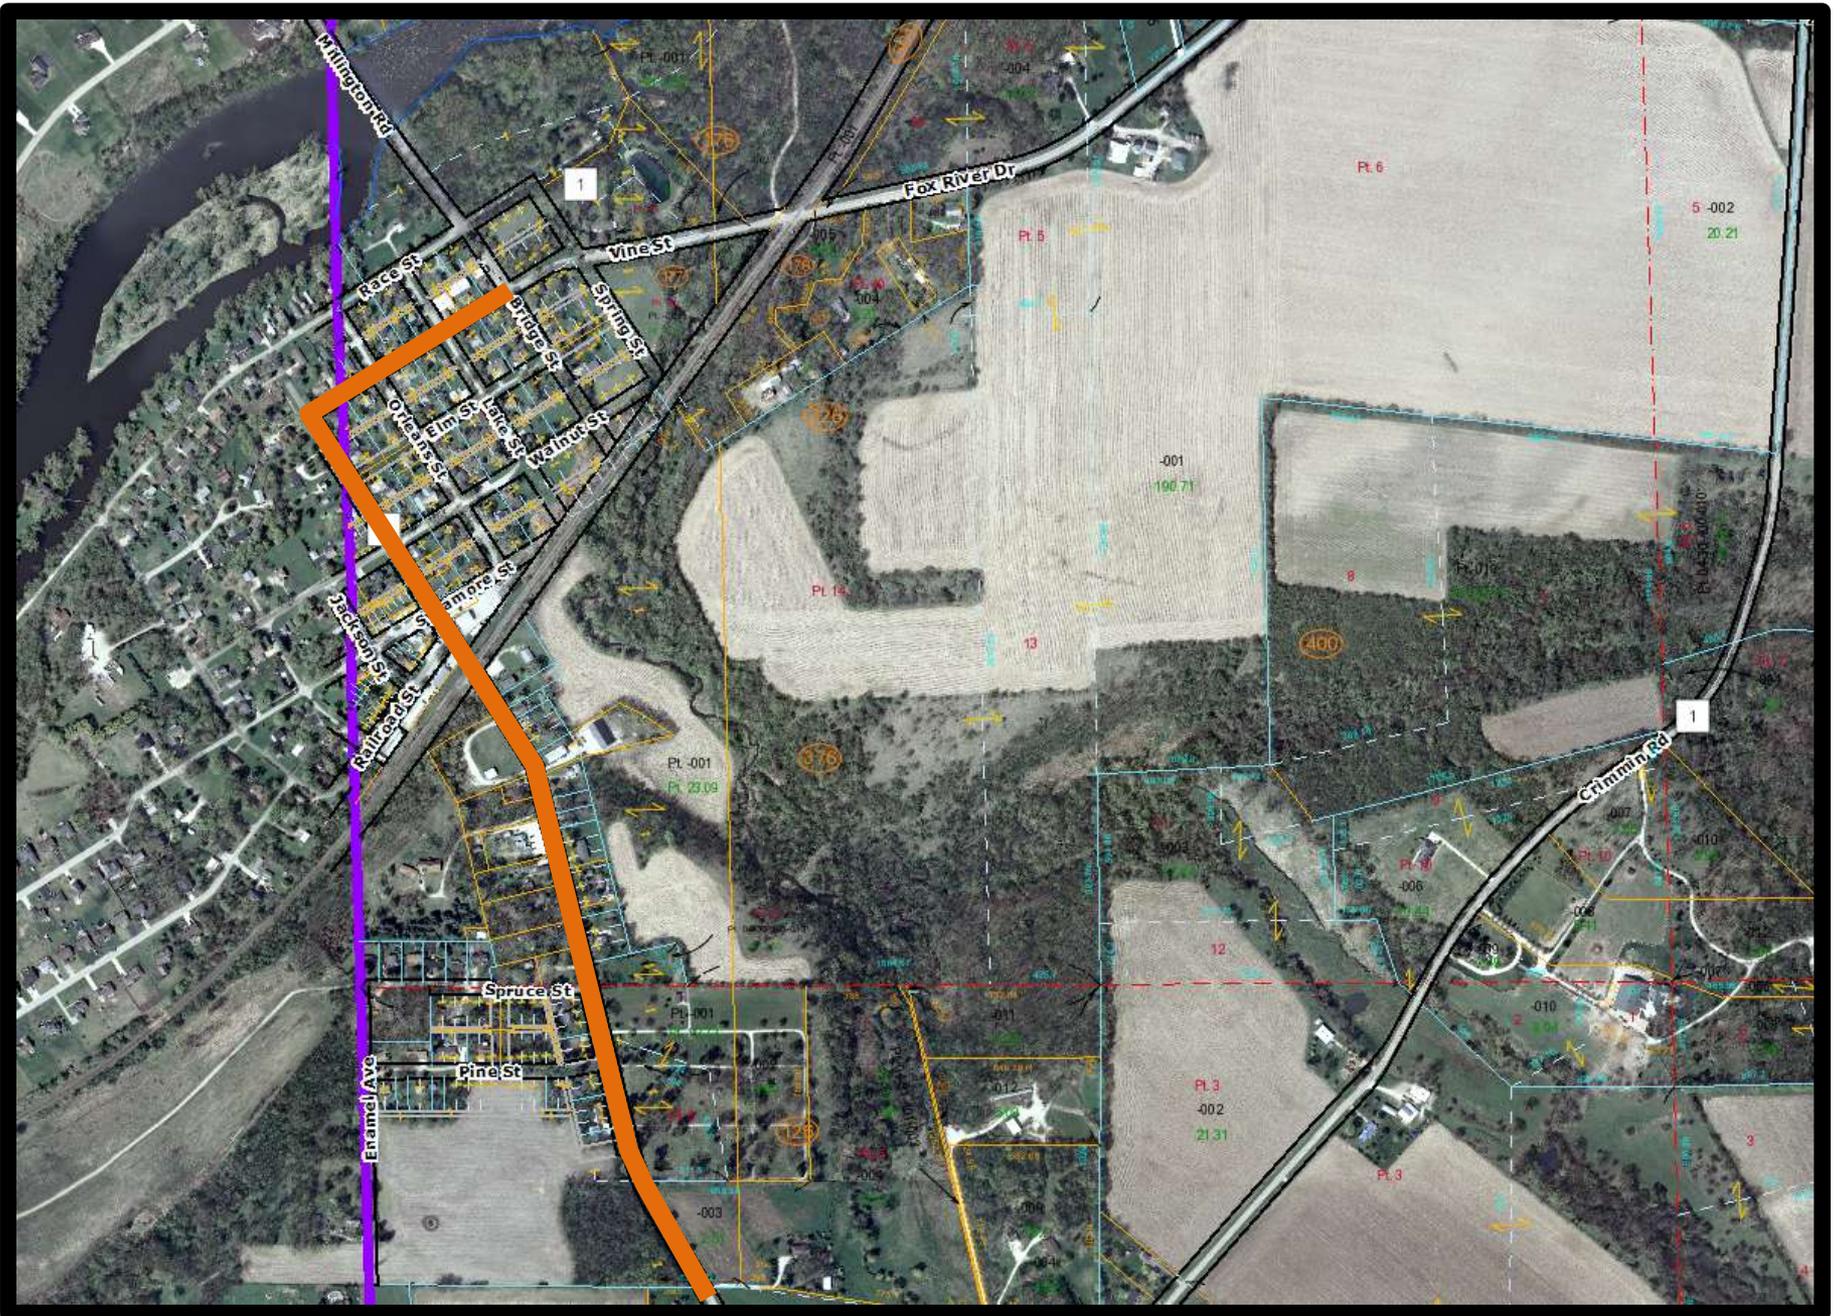

113 West Pine Street - Room 404
Yorkville, Illinois 60554-3496
800.833.4936

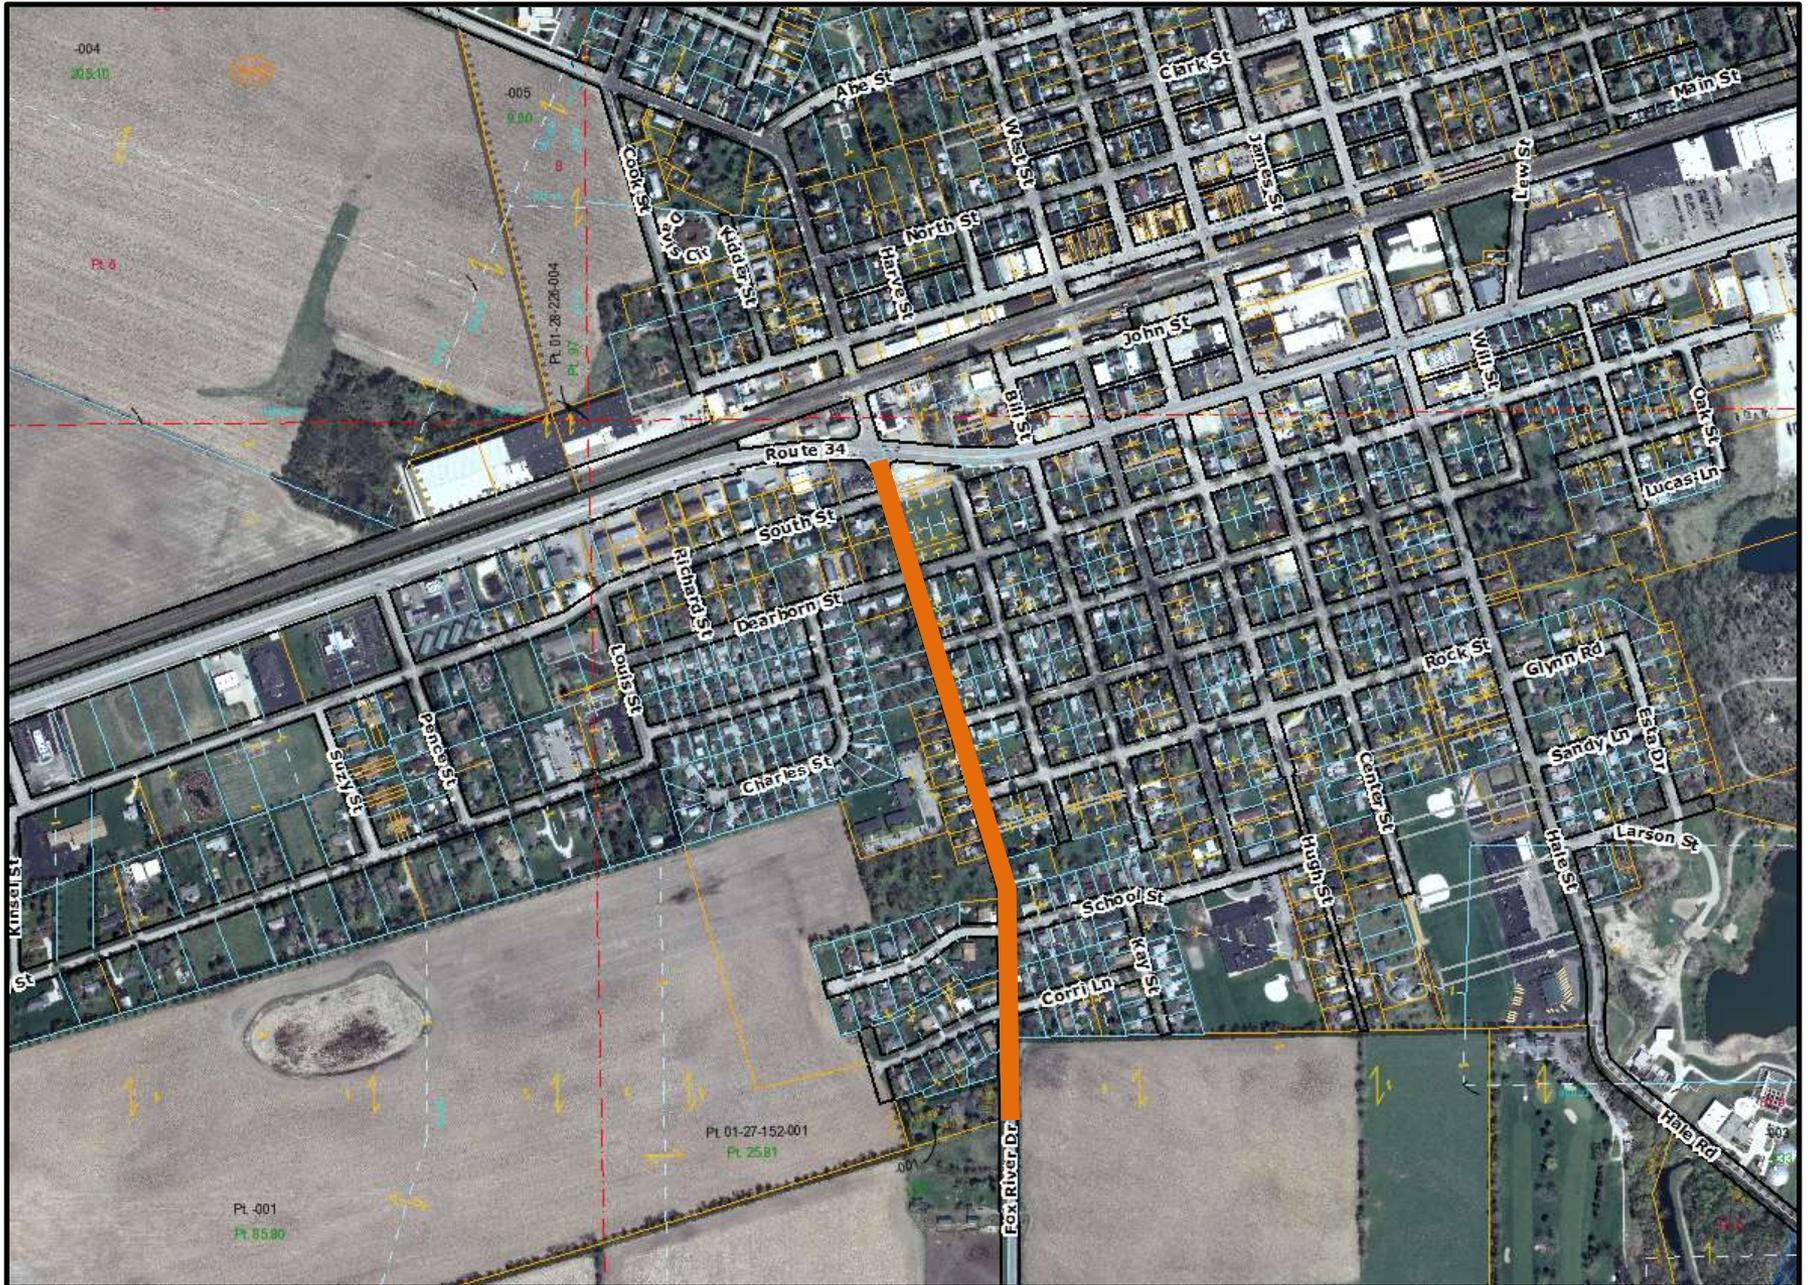

NOTE: The Rural View (Qualstar) System employs a numbering system based on a grid only coordinate system. The mileage is measured from the southeast corner of the grid. Maps are shown north and south of the center line. A 6-digit number will identify any area in the County. Intermediate information should be provided for each mile of road.
