WHEREAS, the findings of fact were approved by the Special Use Hearing Officer as follows:

That the establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, comfort, or general welfare. We believe the presence of Strong Tower of Refuge Ministries would help improve the public health, safety, comfort and general welfare of the Boulder Hill area.

That the special use will not be substantially injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood. The Zoning classification of property within the general area of the property in question shall be considered in determining consistency with this standard. The proposed use shall make adequate provisions for appropriate buffers, landscaping, fencing, lighting, building materials, open space and other improvements necessary to insure that the proposed use does not adversely impact adjacent uses and is compatible with the surrounding area and/or the County as a whole. Drawing more visitors to the shopping center will likely enhance traffic to other businesses like the nearby restaurant. The large existing parking lot should be able to handle increased use generated by Strong Tower Ministries operation. An occupied shopping center is typically better maintained, and generally enhances property values in the area.

That adequate utilities, access roads and points of ingress and egress, drainage, and/or other necessary facilities have been or are being provided. This is an existing shopping/professional center therefore all these considerations are already in place.

That the special use shall in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the County Board pursuant to the recommendation of the Hearing Officer. The proposed use will comply with all County regulations.

That the special use is consistent with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies. This special use permit will be consistent with the uses in the strip center.

WHEREAS, the Kendall County Regional Planning Commission reviewed the request on July 22, 2015 and also recommended approval by a 6-0 vote; and

WHEREAS, the Kendall County Board has considered the findings and recommendation of the Hearing Officer and finds that said petition is in conformance with the provisions and intent of the Kendall County Zoning Ordinance; and

NOW, THEREFORE, BE IT ORDAINED, that the Kendall County Board hereby grants approval of a special use zoning permit to operate a place of worship in accordance to the submitted Description included as "Exhibit A" and incorporated herein subject to the following conditions:

1. This special use is granted for Strong Tower of Refuge Ministries only and shall run with the tenant. Any new Place of Worship will be required to seek a new special use approval.

Failure to comply with the terms of this ordinance may be cited as a basis for amending or revoking this special use permit.

IN WITNESS OF, this ordinance has been enacted on August 18, 2015.
