ESSAY QUESTION: (please attach your essay)

REMEMBER to submit your essay of 350 words OR less.

The debate surrounding Capital Punishment has been around for years. Moratoriums have been enacted and removed. Opponents to capital punishment believe that there is no deterrent to crime, yet supporters are convinced that some crimes demand the penalty of death. One such crime is the killing of a law enforcement officer. Most recently the State of Alabama was scheduled to not only execute the perpetrator of a crime involving the homicide of an officer but also a suspect who was in the house when the homicides took place. If you were the decision maker, would you vote in favor of a mandatory Capital Punishment Sentence for anyone who is convicted of crime that involves the death of a law enforcement officer. Please support your decision.
